Guidelines

1. Where local authorities are to be established and maintained

A regional council must establish and maintain a local authority at the towns and communities listed in the Schedule which are within the regional council area.

2. Establishing a local authority

A regional council must determine the area for each local authority and ensure that a list of local authorities and their respective areas is available on the regional council website.

3. Initial local authorities

A regional council must establish each local authority by the nomination and appointment process described below so that each local authority is fully established and operational by 1 July 2014.

4. Number of ordinary members

Subject to 5.6, a local authority is to have a minimum of 6 and a maximum of 14 ordinary members.

5. Nomination and appointment process

Nominations

- 5.1 A regional council must call for nominations and allow 28 days for nominations to be received.
- 5.2 The call for nominations must be advertised and promoted by appropriate means to ensure that residents of the relevant area are aware of it.
- 5.3 Nominations are to be returnable to a named regional council employee working in the relevant town or community.
- 5.4 The list of nominations received, together with a list of ex officio members of the local authority, must be provided to the first ordinary regional council meeting after nominations have closed.
- 5.5 At the first ordinary regional council meeting after nominations have closed, the regional council must decide on the number of ordinary members there will be for each local authority. *Note – the regional council may decide different membership numbers for different local authorities.*

Request to have more than 14 members

- 5.6 If the regional council resolves to request the Minister to allow a particular local authority to have more than 14 ordinary members, the regional council may defer appointments until the next available regional council meeting for the purpose of making a request to the Minister.
- 5.6.1 The CEO must advise the Minister of the request in writing as soon as practicable detailing:
- a) the name of the local authority
 - b) the preferred membership number;
 - c) the reasons for seeking an increase in the allowed maximum membership; and
 - d) the projected annual impact on council's budget and resources.
- 5.6.2 Despite other provisions in these guidelines, the Minister may allow, subject to any conditions specified, a specific maximum number of members for that particular local authority.

Appointment of ordinary members

- 5.7 Where there is to be no request to have more than 14 ordinary members, the regional council must decide on appointments to the local authority at the first ordinary meeting after nominations have closed.
- 5.8 Where there is a request to have more than 14 ordinary members, the regional council must decide on appointments to the local authority at the first ordinary meeting after a response from the Minister has been received.

Appointments of ordinary members after initial establishment

- 5.9 When a vacancy in the membership of a local authority arises, the regional council must fill the vacancy by the nomination and appointment process described at 5.1 - 5.5.

6. Revocation of appointment of ordinary member

Regional councils must have a policy regarding how and in what circumstances, appointments of members may be revoked. The policy could include, for example, a requirement that the regional council give consideration to revoking an appointment where a member is absent, without permission of the local authority, from two consecutive meetings of the local authority.

7. Vacancies

A local authority membership position becomes vacant when a member resigns in writing or the appointment is revoked by the regional council in accordance with council policy.

8. Administrative support and secretariat

- 8.1 The CEO must ensure there is secretariat support for the local authority.
- 8.2 The CEO is to notify all members of the local authority of the contact person, or any changes to the contact person, for secretariat and administrative matters in relation to the particular local authority.

- 8.3 Subject to 8.3.2, the CEO must ensure there is a minimum of six meetings for each local authority in each calendar year.
- 8.3.1 If the majority of members of a local authority agree, the Chair may make a written request to the Minister to change the minimum number of meetings a year. The Minister will consult with the regional council before making a decision.
- 8.3.2 Where the Minister has approved a minimum number of meetings per year for a local authority pursuant to 8.3.1, the CEO must ensure that the approved minimum number of meetings are held each year.
- 8.4 The CEO must ensure notification of the meeting and the agenda for the meeting is provided to each member at least three days before the meeting.
- 8.5 The CEO must ensure that a copy of the regional council's policy on delegation of powers and functions is provided to all members of the local authority and listed for discussion on the local authority agenda at least once in each financial year.

The council's response to any matters raised by the local authority must be recorded in the council's minutes.
- 10.2 A copy of the regional council's unconfirmed minutes must be provided to each local authority member by the secretariat as soon as possible after the minutes become publicly available.

11. Functions of a local authority

- b) Other eligible members \$114

12.2 The following members of a local authority are not eligible to be paid an allowance by the regional council:
