

# BARKLY REGIONAL COUNCIL

## OUR VISION

**We strive to be responsive, progressive, sustainable council which respects, listens and empowers the people to be strong.**

### The Way We Will Work

**We will make it happen!**

**We will be engaged and have regular opportunities to listen.**

**We will have strong policy and budgets to ensure our programs and services are progressive and sustainable.**

**Respect is shown in everything we do and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.**

**We are a responsible Council.**

**We will be a responsive Council.**

**We want to empower local decision making.**

**We want to ensure that our services are sustainable and that our region has a standard consistent level of services.**

**We want to be able to sustain our environment – our communities, our physical places, our people and our organisational culture.**

**We will aggressively pursue additional funding from both levels of government to improve the standard of living of people across the region.**

**We need to be realistic, transparent and accountable.**
