

BARKLY REGIONAL COUNCIL

DUMP CHARGES

Effective from 1 August 2015

Tennant Creek residents will need to purchase tokens in advance to pay for the fees, as no monies or tokens will be available on site.

The fees are based on the type of vehicle entering the dump and apply to all dumps operated by the Barkly Regional Council.

The introduction of dump fees is to cover increasing operational costs and is similar to fees charged at other municipalities in the Territory.
