CHIEF EXECUTIVE OFFICER REPORTS

ITEM NUMBER	4.1
TITLE	Monthly CEO Report
REFERENCE	348435
AUTHOR	Troy Koch, Area Manager - Alpurrurulam

RECOMMENDATION**That Council**

- a) Receive and note the *Operations Director's* report

SUMMARY:

This report addresses activities within Operations Directorate for April 2022.

BACKGROUND**March 2022 Operations Director Report****Summary:**

Access to our communities continues to be limited due to the Chief Health Officers Declaration of Exclusion Zones (an Exclusion zone is a Community which has less than 80% vaccination rate, which is all of our communities at present).

Paul Raymond was the successful applicant for the Ampilatwatja Area Managers position and we welcome Paul to our Team.

I have been very busy covering the Depot Manager position as well as fulfilling my own role.

Local Authority:

This month we had only Elliott Local Authority scheduled unfortunately this has been cancelled at the request of the Local Authority Chairman due to a COVID outbreak in Elliott. Several of the Local Authority members have contracted COVID and a quorum would be unachievable.

The Communities:**Elliott:**

Elliott was fortunate to get a weeklong visit from the Deadly Hair Dude, who cut a very grateful communities hair. *(Photo supplied by R. Hocking)*

The workshop arranged by Rise was held at the Sport and Rec Hall and Gary's crew were worked off their feet, such was the enthusiasm by residents. We hope to see them back!

Easter also saw huge numbers go out to the lake, and as a result municipal have had a hectic time cleaning up after the departure of the tourists.

NT Tourism Director Stuart Ord also visited to discuss a project to initiate a feasibility study into a camp ground at Newcastle Waters Township and to see how it might benefit Marlinja and its residents.

NLC Contractors have been working at the old crèche in Gurungu to transform it into offices for the Kulumindini Aboriginal Association.

Ali Curung:

In Ali Curung this month business continues as normal, we have had numerous visitors including LLN Trainers and Council Staff.

The Municipal Team has done a great job to catch up on works affected by the COVID outbreak. Area Manager Tim Hema is going on a well-deserved holiday for two weeks and upon his return we shall commence works at Murray Downs.

We have successfully recruited an ESO and he shall commence work in early May.

Alpurrurulam:

Works staff numbers down to one for the last couple of weeks – due to annual leave and family issues. Contractor Ben Olschewsky has assisted with the garbage run, allowing us to continue to provide the twice weekly service. Works staff member, Clifford Morton, has done well on his own, continuing with general community maintenance tasks. We are continuing advertising for Night Patrol, YSR, Municipal and Administration positions.

Staff members from Operations and Aged Care attended first aid training hosted by the school. Area Manager attended the airstrip inspection course conducted in Darwin.

Some plumbing, lighting and electrical repairs were carried out in the Service Centre office. Ronin Security visited carrying out usual fire safety inspections. HO organised a mechanic to visit to carry out vehicle registration inspections.

Covid Vax team visited at end of March and again mid-April. Police have visited as well as various allied health personnel and other general contractors. Head Office visitors included Aged Care, NDIS and YSR.

Ampilatwatja:

This month has been a busy month catching up on works that have been delayed by the previous months COVID outbreaks and the staff shortages that this created.

Our ESO travelled to Darwin for AMS Aerodrome course which was good to see and a great outcome for all involved.

We had a visit arranged from Tennant creek for a mechanic to inspect our plant and equipment for registration which was very timely.

A big thank you to Michael Stanley-Hunt for stepping up and taking on the Area Manager Role whilst we recruited to fill this position, and I wish him well in his new role as the ESO in Ali Curung. Michael is currently helping Paul Raymond start his new role as Area Manager.

Wutunugurra:

In Wutunugurra this month we have been preparing for the Easter Christian Congregation on top of our usual services.

Kurundi Roadworks are continuing to repair the road into Wutunugurra as there were substantial wash outs and we are all looking forward to the works being completed and the road being user friendly again.

The Easter weekend festivities went well with a large number of visitors coming into Wutunugurra from all over the Barkly region.

TC Depot:

The Barkly Regional Council prime mover has been prioritized for reassembly, with the cab chassis to be moved into the shed and works to commence this week. A detailed report on the reassembly, including a scheduled date for the unit to be run-up and returned to service will be provided to the May Council meeting.

The Depot Team continue to do a great job and I can happily report that over the last few months I have seen the Depot Team really step up and come together as a team to provide an even better service to Tennant Creek.

From taking on the extra responsibility of preparing grave sites to sourcing equipment, as an example a new set of teeth for the bucket of the back hoe to make preparing grave sites easier through to offering to be called out to secure Council properties after vandalism has occurred, for me has been great to see and is a credit to the entire team. I am very proud to have been in the position to enable the team to step up and take greater ownership of their roles within the Council. I am confident we can continue to build on this great team and look forward to the future working with a positive Depot Team.

The Mechanical workshop continues to do well in the maintenance and repairs of vehicles despite the large workload. In the workshop for the last month we have had Asinate Bradbury, working with us. Asinate is an apprentice mechanic from Territory Generation and she has been well received in the workshop. It is very good to see two Tennant Creek business's come together to upskill our community members, a great effort by all parties including GTNT who certainly are worthy of a mention for facilitating this outcome.

Recruitment continues for a new Depot Manager.

ORGANISATIONAL RISK ASSESSMENT

The Operations Directorate has had trouble filling key positions in Tennant Creek and in the communities, which may have an impact on council's service delivery in those areas.

BUDGET IMPLICATION

ISSUE/OPTIONS/CONSEQUENCES

**COMMUNITY SAFETY REPORT – March 2022
LOCAL AUTHORITY REPORT, ALI CURUNG**

Staff Members: Team Leader: Damien Brown
Community Safety Officers: Ralph McCoy, Cynthia Smith,
Annette Thompson, Aiden Morgan,
Erini Tsavaris

Hours of Operation: Monday to Friday, 4.00 pm – 10.00 pm, 2nd patrol 6pm – 12 am

Operational Brief:

The Community Safety service was kept busy during March, with some family fighting in the Community. Our Staff and Management team met and discussed issues with Police and Community members and thankfully the issues settled down quickly but there were several incidents that occurred, the trouble relates to issues that occurred at Ali Curung several years ago.

Our service continued throughout March with 2 patrols operating, taking home large numbers of children and providing support to Youth, Sport and Recreation. We are also pleased to advise the LA that one of our Staff, Cynthia Smith left at the end of the month to commence training as an Aboriginal Liaison Officer with NT Police.

Recruitment:

All positions are currently filled and our last round of recruitment had a lot of responses which was really good to see.

Concerns raised/Community issues

The main concern from the Community was the fighting that occurred early on in March, this was discussed with Community members and Police and things settled down after a few incidents had occurred involving a few families.

Goals and Objectives:

Our goal is to continue to provide consistent patrols and ensure that our Management team is able to provide greater support now that travel restrictions have eased.

Training

LLN training has been on going and Ali Curung Staff have attended training as part of the BRC Language, Literacy & Numeracy training program.

Major Incidents/Events:

There were a few incidents early on in the month relating to the family fighting that was going on, with some damage to houses and vehicles and people injured as a result of the fighting. Police attended on several occasions and our Staff assisted in talking to some of the families involved in the trouble.

Statistical Report:

LOCAL AUTHORITY REPORT, ALI CURUNG**

Staff Members: Team Leader: Damien Brown
Community Safety Officers: Ralph McCoy, Cynthia Smith,
Annette Thompson, Aiden Morgan,
Erini Tsavaris

Hours of Operation: Monday to Friday, 4.00 pm – 10.00 pm, 2nd patrol 6pm – 12 am

Operational Brief:

The Community Safety service worked well throughout April, we received great feedback from Police regarding the Team's response to break- ins and vehicle theft on Anzac Day. The Ali Curung team did a great job providing assistance and liaison between the Police and Community in response to several incidents towards the end of the month, we also appreciate the feedback that we received from Police and this was passed on to our Director and CEO.

Congratulations to Cynthia Smith who has now resigned from our service after successfully passing the ALO course in Darwin and has commenced working with NT Police at Ali Curung. This is a great example of our service providing opportunities and career paths for Staff who are prepared to go further.

Recruitment:

There is now a vacant position with Cynthia Smith resigning to take up her appointment with the NT Police.

Concerns raised/Community issues

The main concerns for April were around the break and enters, again it seems to be teenagers and children who are involved. This has been occurred several times recently and we need to look at what can be done to address this issue, as it affects the whole Community and causes trouble between people at Ali Curung. This is a Community issue, not just Police and Community Safety.

Goals and Objectives:

Our goal is to actively recruit to ensure the team at Ali Curung is at full strength and for our Management team to provide greater liaison with the Community over the next few weeks and to recognise the efforts of our team at Ali Curung.

Training

LLN training has continued in April and Ali Curung Staff have attended.

Major Incidents/Events:

There were several incidents involving break – ins and a motor vehicle theft, as previously mentioned in Concerns raised/Community issues. On a positive note there was a good response Police and our Staff and the Community in general.
