

BARKLY REGIONAL COUNCIL

OUR VISION

We strive to be responsive, progressive, sustainable council which respects, listens and empowers the people to be strong.

The Way We Will Work

We will make it happen!

We will be engaged and have regular opportunities to listen.

We will have strong policy and budgets to ensure our programs and services are progressive and sustainable.

Respect is shown in everything we do and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.

We are a responsible Council.

We will be a responsive Council.

We want to empower local decision making.

We want to ensure that our services are sustainable and that our region has a standard consistent level of services.

We want to be able to sustain our environment – our communities, our physical places, our people and our organisational culture.

We will aggressively pursue additional funding from both levels of government to improve the standard of living of people across the region.

We need to be realistic, transparent and accountable.

AGENDA

BARKLY REGIONAL COUNCIL

COUNCIL PRAYER

Our Lord Jesus Christ, we trust you will guide and bless this meeting of the Barkly Regional Council. We pray that you will ensure that all discussions and decisions made today are just and fair as they will affect all people within the Barkly Region. We also pray for your guidance to ensure that all our dealings are appropriate to all those whom we represent and will reflect an equitable and honest approach to the issues to be discussed today.

Amen

WELCOME TO COUNTRY

I respectfully acknowledge the traditional owners past and present of this land on which we are meeting, the Alywarr, Warlpiri, Kaytetye, Warumungu people.

Staff – COVID-19 Vaccination Update.

All Staff vaccinated, only had x1 resignation.

**YOUTH, SPORT & RECREATION
LA REPORT – NOVEMBER 2021**

Team Leader Vicki McCoy

Staff Kevin Roberts-McCoy | Benny McCoy

- November was up and down with numbers.
- Due to sorry business happening around in other communities and COVID-19 hitting again.
- At least staff was prepared and kept the community happy with still providing a program.
- Even though Waterpark wasn't at 100%, still overworked it on the lovely hot days.
- Electricians came out end of month to fix.
- Had an exciting last week in November with Wayne Glenn from Red Dust coming out and working with the guys from Desert Eagle in making a music video about the importance of getting the COVID-19 jab.
- Due to the low rate of vaccination in the Barkly Region someone from the NTG contacted Wayne to see if he was interested in going out to one of the communities in the Barkly Region and meet with the young people 15 and up to do a music video aimed at the importance of getting the jab for COVID19.
- Ali Curung was lucky to be chosen by Wayne to come out and do a music video with the young people of Ali Curung.
- YSR TL introduced Wayne to Delton Martin and the rest of the guys from Desert Eagle as they are the music voice of Ali Curung, they can also draw in the 15+.
- The guys started recording at Respite on Monday 29th and had already put together a good sound.
- They are hoping to finish the music and video before Wayne leaves on Friday 3rd December.
- All the kids are looking forward to the final result, as they will also be in the background.
- Big thanks to Wayne from Red Dust.
- Overall, month was good.

**COMMUNITY SAFETY REPORT – November 2021
LOCAL AUTHORITY REPORT, ALI CURUNG**

Staff Members: Team Leader: Damien Brown
Community Safety Officers: Cynthia Smith, Ralph McCoy, Charvella Jackson, Annette Thompson

Hours of Operation: Monday to Friday 4.00 pm – 10.00 pm
6.00 pm – 12.00 am

Operational Brief:

The Community Safety team worked well at Ali Curung throughout November. One of our long time employee's Craigwyn Glenn resigned in the middle of the month after several years with us. The team also assisted Police in providing a presence during the funeral at Murray Downs on the 21st of November, assisting to see if any visitors had come from the Katherine area but everything went OK. The team and our managers also attended meetings with Police as part of the LEC planning that is going on.

Recruitment:

We now have 3 vacant positions and recruitment to ensure that there are 2 operational teams at Ali Curung will be a priority for the Management team.

Concerns raised/Community issues

No major concerns raised during November.

Goals and Objectives:

The goals and objectives for the service for November was to consistently operate two patrols, this was achieved for the majority of the month. Community and Stakeholder engagement continues to be a high priority, again this has been lacking and will be a priority for December to make sure there is better stakeholder and community engagement before the end of the year.

Training

Staff attended the LL & N training which remains ongoing. Staff also attended a Team Leader workshop held in Tennant Creek and a Culturally Responsive Trauma Informed Care Training session during the month.

Major Incidents/Events:

Nil major incidents involving the Community Safety Team.

**COMMUNITY SAFETY REPORT – November 2021
LOCAL AUTHORITY REPORT, MURRAY DOWNS**

Staff Members: Team Leader: Vacant
Community Safety Officers: Caroline Spratt, Nathan Campbell

Hours of Operation: Monday to Friday 5.00 pm – 10.00 pm

Operational Brief:

Service delivery was lacking during the month due to Staff leave and absences. We continue to look to recruit and 3rd team member as service delivery at Murray Downs has been very inconsistent.

Recruitment:

Recruitment is an ongoing issue at Murray Downs with the 3rd team member still vacant.

Concerns raised/Community issues

No concerns tabled for this meeting.

Goals and Objectives:

The goal for the Murray Downs Community Safety team was to work consistently 5 nights per week, again this was not achieved throughout November at the Manager has been tasked with ensuring a more regular service and ensuring checks are conducted regularly on the Murray Downs team.

Training

Nathan Campbell attended the Team Leader workshop held in Tennant Creek and a Culturally Responsive Trauma Informed Care Training session during the month.

Major Incidents/Events:

Nil major incidents reported to the Community Safety Team at Murray Downs.

The Silca Bravo Professional is an excellent machine, that I use for my own business. I run two of them and have never had to re-calibrate either of them. One I've had and still use every day, for about 20 years now and is still calibrated perfectly.

I can sell you one for **\$5,290.00 plus GST**. As mentioned on the phone, there is currently 3 available in Australia at this very minute.

I will also allow for some key blanks. Quantities of what I think would be most applicable for you is as follows:

100 x LW4 key blanks
100 x LW5
100 x WC2
20 x YA1E
20 x YA5
10 x LF27
10 x LF24
10 x LF31R
10 x LF43R
10 x TE2

Above key blanks (Qty of 390 units) would cost **\$858.00 plus GST**.

Machine and key blanks total is \$6,148.00 plus GST.

Coloured key blanks are also available for the LW4 and LW5 profiles if you ever wish to use them.

That would be a good list to get you rolling with being able to cut probably over 95% of domestic keys. Blanks are available for small domestic padlocks etc, but there's a huge range to choose from. The list compiled above will do for 99.99% of domestic house locks and most commercial door locks too.

I have allowed to spend some time with you upon collection (if you wish to proceed of course) to show you some hints and tips for good key cutting methods and practices. Pricing includes freight, so no hidden costs to worry about.

Machine brochure attached.

If you have any other queries, please let me know.

Prices are valid for 21 days.

Cheers,

Greg Taylor

6 December 2021

Hon. Eva Lawler
Minister for Essential Services
GPO Box 3146
Darwin NT 0801

Dear Minister Lawler,

At the Ali Curung Local Authority meeting on 8 November 2021, the Local Authority members asked that I write to you about the lack of use of the power generator located in Ali Curung, specifically during long power outages in the community.

For many years Ali Curung has experienced power surges and outages. Although the majority of the time the power has been restored within a reasonable timeframe. Recently there has been numerous extended power outages, most notably on the 12th of June 2021 where the community was without power for 6 hours and again on 29th of November 2021 where they were without power for 7 hours.

The community believes that these timelines are extremely unreasonable given that there is a functioning Power Generator onsite which has not been utilised to address the power outage. Extended power outages in Ali Curung have significant impacts to the many sick and vulnerable community members. The main health concerns that are affected by extended power outages are:

- Inability to use air conditioners and heaters depending on the time of year;
- Unable to use ventilators and nebulisers set up in their houses;
- Disruptive service for Community Members on dialysis; and
- Inability to cook food over a six or seven hour period is unreasonable.

Many years ago the generator in Ali Curung was automated and started when the mains power supply was disrupted, it is believed that the automatic switch had a serious fault and was removed but not replaced.

The Ali Curung Local Authority is requesting that a reasonable timeline be agreed upon to start up the Ali Curung Generator in the event of a power outage to minimise the impact on the community. The recommendation from the Ali Curung Local Authority is 2-3 hours after power is lost. This could be achieved by either installing the automatic switching unit or alternatively
