

BARKLY REGIONAL COUNCIL

OUR VISION

We strive to be responsive, progressive, sustainable council which respects, listens and empowers the people to be strong.

The Way We Will Work

We will make it happen!

We will be engaged and have regular opportunities to listen.

We will have strong policy and budgets to ensure our programs and services are progressive and sustainable.

Respect is shown in everything we do and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.

We are a responsible Council.

We will be a responsive Council.

We want to empower local decision making.

We want to ensure that our services are sustainable and that our region has a standard consistent level of services.

We want to be able to sustain our environment – our communities, our physical places, our people and our organisational culture.

We will aggressively pursue additional funding from both levels of government to improve the standard of living of people across the region.

We need to be realistic, transparent and accountable.

AGENDA

ALI CURUNG LOCAL AUTHORITY MEETING

MONDAY, 14 SEPTEMBER 2020

Barkly Regional Council's Ali Curung Local Authority will be held in on Monday, 14 September 2020 at 1:00pm.

Chief Executive Officer

BARKLY REGIONAL COUNCIL

COUNCIL PRAYER

Our Lord Jesus Christ, we trust you will guide and bless this meeting of the Barkly Regional Council. We pray that you will ensure that all discussions and decisions made today are just and fair as they will affect all people within the Barkly Region. We also pray for your guidance to ensure that all our dealings are appropriate to all those whom we represent and will reflect an equitable and honest approach to the issues to be discussed today.

Amen

WELCOME TO COUNTRY

I respectfully acknowledge the traditional owners past and present of this land on which we are meeting, the Warumungu, Warlpiri, Kaytetye and Alyawarr people.

ITEM NUMBER	4.1
TITLE	Monthly CEO Report
REFERENCE	302981
AUTHOR	Robert Smith, Area Manager - Ampilatwatja

RECOMMENDATION**That Council**

- a) Receive and note the Report

SUMMARY:**BACKGROUND**

I have attended most of the communities for the LA Meetings in August three out of the five communities reached Quorum Ali-Curung, Ampilatwatja and Elliott (Elliott meeting delayed by a week to achieve quorum), Wutungurra and Alpururulam were cancelled due to not enough LA Members.

I would also like to mention the work some of our staff in the Communities are doing to keep Council operations functioning. Extra government payments have made it difficult to get staff to come to work in communities. To keep things moving some staff have taken on multiple roles. I would like to specifically thank:

- Tewai Legeyt in Elliott for doing Relief A/M while Shelley has been off sick
- Tracey Smith also doing Relief Area Manager in Ampilatwatja while I have been Acting Director of Operations for Mark Parsons who has been on a well-earned break.
- Also a thank you to Troy and Michelle in Alpururulam for doing food hampers and delivering to the elderly on Tuesday 18th August when Aged Care staff was sick.

So Well done and thank you to all staff on the Communities, it is great to see staff helping out in all Departments.

Barkly Council has received some new machinery with two skid steer loaders delivered to T/C Depot. These will go out to their new homes in communities once they are registered.

Barkly Council also have a number of Projects rolling out over the coming months, Ablution and Laundry Block in Ampilatwatja, Change Rooms in Elliott for the football oval, the Ali Curung youth Centre development just to mention a few.

Tennant Creek Depot have been working tirelessly to maintain repairs to the machinery and fleet vehicles in the Communities and T/C, Tree planting still continues around T/C by the Depot Staff while still doing their usual core duties.

CAHS - 1,000L low-cost temporary wash station

Project description

General hygiene is a critical practice for the **prevention of a number of diseases** including COVID-19, Trachoma, Shigella, rheumatic heart disease, scabies, oral health etc. Good hygiene practice includes the washing of hands with soap for a minimum of 20 seconds, face washing and brushing teeth where possible.

Access to water and plumbing can be a problem in remote communities at certain locations such as the shop. Or during community events, such as sports and cultural occasions, making it difficult to practice personal hygiene.

This proposal, if approved by the Local Authority, will make available temporary and portable wash facilities on locations within communities to **enable people to wash hands, faces and bodies**. The locations can include clinics, footy ovals, BushBus bus stops, stores, aged care etc or wherever the community thinks they will be useful. The wash station consists of a re-purposed hand basin, 1000 L water cube mounted on a steel stand. Also included will be soap dispenser, mirror, paper towel and rubbish bin. See picture on left.

Health promotion, messages and education are the most important part of the project that also require community support. It is important for people to understand why hygiene is critical for good health and that the wash stations are there to enable people to practice it. There is opportunity for each community to put their own unique message and stamp on the wash station by developing signage and artwork to

be painted on an apron tied to the cage of the water tank.

The wash station/s **can be made on community by CDP workers** on community. A number of CDP providers in Central Australia have been contacted who have confirmed both interest, capacity and skills to build these. Many CDP providers are keen to upskill their workers in steel fabrication, welding and other handy skills through this project. CAHS has ordered a prototype with a 'how to make' manual for each CDP provider in our region to upskill workers in steel fabrication and welding as well as to offer community development work for job seekers each of the communities where the CDP provider operates.

NTG will try to fund **kits to build these on community with CDP labour**, if the Local Authority wants them for and when the community can identify some locations where they would like to have them once built.

We are seeking **on the ground agencies who will look after and maintain the hygiene stations** (incl supply of water, soap, paper towels and waste), security and storage both in use and when not in use, providing basic health promotion and education about the use of the hygiene station

CAHS - 1,000L low-cost temporary wash station

What decisions we would like from the Local Authority

1. Would _____ Community like to have the 1000L wash stations on their community?
2. What would be the good spots on the community where these wash stations can be located for reducing risk of disease and sickness? If so, how many wash stations would the community need?
3. Will the community be happy to develop signage/artwork with a hygiene theme to paint on the apron fixed to the water cube cage?
4. Is there an agency on the community such as the Aboriginal Corporation that can take responsibility of the wash station to ensure:
 - a. Wash station is secure
 - b. Water tank is full with potable water
 - c. Wash station is clean and operational
 - d. There is soap and paper towels available for users
 - e. The waste bin is cleared and the area left clean everyday
 - f. Organise repairs if there is any damage through CDP
 - g. Install, remove and store the wash station when required and/or not in use
 - h. Maintain a record of the usage of the wash stations to see if the wash stations are useful
 - i. Staff champion the importance of hygiene on the community

SUMMARY:

Thank you for your time this afternoon.

I appreciate you taking my call.

As discussed John Moriarty Football (JMF) are looking at delivering our program in Alekarenge School in Term 4 2020 and all through the 2021 school year.

We would first like to arrange a Come and Try Football day at the school and involve the whole community to ensure buy in and understanding of the program.

The come and Try Day would be on Friday September 18, 2020 at a time to be announced.

We would run the program with our JMF coaches which include Stewart Willey, Stephanie Camphoo and Patrick Coleman.

JMF would also provide catering for the day.

I have spoken with Colin Kiel and he is very keen to see the program in his school as is Derek Walker. However they are also very happy to have the community involved through this consultation.

If you would kindly speak with the elders and emerging leaders of Alekarenge through the Local Authority regarding our Come and Try Day it would be greatly appreciated.

I will keep you up to date on the finer details as we are able to put them in place.

I look forward to hearing from you in this regard.

REPORTS FROM BARKLY REGIONAL COUNCIL

ITEM NUMBER	10.1
TITLE	Council Report- August 2020
REFERENCE	303418
AUTHOR	Makhaim Brandon, Administration Officer

RECOMMENDATION**That the Authority**

- a) Receive and note the report

SUMMARY:

This Report is a summary of Council meetings for August 2020.

BACKGROUND

The August Council meeting went very well, with most Councillors from outside the Patta Ward phoning in to meeting.

In the Mayor's report, Acting Mayor Hal Ruger gave a report about his visits to Ali Curung and Alpururulam. In Alpururulam, he was able to see the site of the new landfill.

There were some new policies adopted including the Employee Code of Conduct Policy, Recruitment Policy, and ICT Acceptable usage policy. These are now all up on the Council website now if you would like to view them.

The Barkly Regional Deal Backbone team gave an update. They will be launching a website that will host all the 28 initiatives, which will show the progress on each initiative so that progress can be seen in real time. The team will also be spending time in the communities over the next few weeks, making sure that information about the initiatives is disseminated throughout the Barkly.

A significant step that came out of last month's meeting was the approval of the Night Patrol Service model and name change. The Community Night Patrol Program's name was changed to the Community Safety Program. The following title changes were approved:

- Night Patrol Manager to Community Safety Regional Manager
- Night Patrol Zone Manager to Community Safety Manager
- Night Patrol Team Leader to Community Safety Team Leader
- Night Patrol Officer to Community Safety Officer

The full-time employment number was changed from 14.6 to 20 FTE to alleviate issues that come with staff absenteeism.

The position of Community Safety Coordinator was added as well.
