

BARKLY REGIONAL COUNCIL

OUR VISION

We strive to be responsive, progressive, sustainable council which respects, listens and empowers the people to be strong.

The Way We Will Work

We will make it happen!

We will be engaged and have regular opportunities to listen.

We will have strong policy and budgets to ensure our programs and services are progressive and sustainable.

Respect is shown in everything we do and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.

We are a responsible Council.

We will be a responsive Council.

We want to empower local decision making.

We want to ensure that our services are sustainable and that our region has a standard consistent level of services.

We want to be able to sustain our environment – our communities, our physical places, our people and our organisational culture.

We will aggressively pursue additional funding from both levels of government to improve the standard of living of people across the region.

We need to be realistic, transparent and accountable.

AGENDA

BARKLY REGIONAL COUNCIL

COUNCIL PRAYER

Our Lord Jesus Christ, we trust you will guide and bless this meeting of the Barkly Regional Council. We pray that you will ensure that all discussions and decisions made today are just and fair as they will affect all people within the Barkly Region. We also pray for your guidance to ensure that all our dealings are appropriate to all those whom we represent and will reflect an equitable and honest approach to the issues to be discussed today.

Amen

WELCOME TO COUNTRY

I respectfully acknowledge the traditional owners past and present of this land on which we are meeting, the Alywarr, Warlpiri, Kaytetye, Warumungu people.

ITEM NUMBER	4.1
TITLE	Monthly CEO Report

AUTHOR	Mark Parsons, Operations Director

RECOMMENDATION**That Council**

- A) Receive and Note the Operations Directors Report

SUMMARY:**JANUARY 2021**

Happy New Year to all our Councillors and LA members in the Barkly Region.

All communities and towns in the Barkly Region had good rainfall through the start of January and all our staff are now flat-out keeping up with the grass that is growing quicker than they can mow it.

Elliott,

Before Christmas, we conducted interviews and we have successfully recruited a new Area Manager for Elliott. Mr Ray Hocking joined our team on the 4th of January and has hit the ground running, managing to repair the water park on his first day in the position with staff assistance of course. Ray has come to Council with a wealth of knowledge from working on Communities with both Central Desert Council and East Arnhem Council. Please join with me in welcoming Ray into the Council family.

Alpurrurulam,

Even though they have been rained in for over a month, our staff in Alpurrurulam continue to work hard patching roads and mowing the fast growing grass. They are doing this with a reduced workforce as some of our staff have been stranded in Mount Isa and are waiting for the water to subside so they can return to work.

Ampilatawatja,

Bob and Tracey are back from a well-earned break and straight back in the swing of things. Ampilatawatja has also been lacking in staff this is due to the Christmas Holidays. The staff that are available have been mowing and will be going up to Arlparra to help clear sand from the river crossings that has built up when the Sandover flooded, this will be done as part of our roads maintenance contract that we have in that region.

Ali Curung

Our team at Ali Curung have been facing the same issues, around long grass and lack of staff. They have also suffered a number of break-ins at the respite centre with local kids looking for food over the Christmas break. On the upside, Ali Curung was the only community to have a Local Authority this month. It was well attended by members and service providers. The team at Ali Curung also got some great feedback this month about the works they have been doing at the cemetery and about how good Ali Curung is looking at the moment. So great work to our team out there..

Wutunugurra

Our Community Coordinator has been very busy over the last month, as he has been covering a lot of the work on his own. His admin staff are on leave and his municipal staff are involved in the ceremony that is currently underway. We are doing our best to support him with myself and Tim Hema travelling out weekly to provide assistance during this period.

Tennant Creek Depot

The team continue to do a great job around Tennant with the roads crew doing some pothole patching during the last month and the whole team working at Hilda Street Park to complete our contract getting the park equipment in place and trees planted. They have also been busy getting all the other core business completed.

Overall it has been a busy start to 2021.

REPORTS FROM BARKLY REGIONAL COUNCIL

ITEM NUMBER	10.1
TITLE	Council Report- January 2020
REFERENCE	311061
AUTHOR	Makhaim Brandon, Administration Officer

RECOMMENDATION

That the Authority

- a) Receive and note the report

SUMMARY:

This Report is a summary of Council meeting for January 2021.

BACKGROUND

The January Council meeting went well, with some councillors travelling to Tennant Creek and other phoning in.

Council approved several tenders at the meeting. The Tennant Creek Cemetery chapel tender was approved, and so were the tenders for a Backhoe Loader, a 4.5 tonne tipper, and 6 tonne single cab tipper. This is good work from the infrastructure department, and it's great to see projects moving forward within Council. '

Earlier in January, a special meeting was conducted to select the winners for the Australia day awards! It was great to see nominees in each category. Congratulations to all the winners and nominees! We encourage you to get the word out when the nominations come out again later this year, so that we can get a lot more nominations and give deserving citizens the recognition they deserve!

Council also endorsed the allocation of funds for the following projects:

Arlparra Local Authority funds to purchase 4 picnic tables based upon the quotation provided by DNA Steel Direct being the preferred quotation received;

Elliott Local Authority funds to purchase and installation of shade sails over the ANZAC memorial area based upon the quotation provided by Harvey Development being the preferred quotation received.
