CHIEF EXECUTIVE OFFICER REPORTS

ITEM NUMBER	4.1
TITLE	Monthly CEO Report

RECOMMENDATION**That Council**

- a) Receive and note the Operations Directors Report.

DIRECTOR OF OPERATIONS REPORT OCTOBER 2020

I would like to start this report by thanking Mr Tim Hema and Mr Troy Koch for acting in my position while I was away having surgery. Both did a great job and it is good to know that we have reliable staff capable of filling in when I am on leave.

Recruitment is slowly getting better on the Barkly communities this month. We are hopeful that this will continue over the next month, as CDP gets back underway on the 19th of October.

We are working to have some staff reflect on their attendance rates over the past 6 months to see if we can improve this for the rest of the year. In general attendance in communities has been well done since the start of the COVID crisis.

The rain gave a bit of relief early this month and gave some much-needed training on getting vehicles out of bogs for the Ali Curung staff. It is good to see that when other staff are in a spot of bother everyone bands together to get the job done.

The new landfill fence at Alpururulam has been finished and the staff are now transitioning the waste from the old dumpsite to the new one. Troy and the staff out there will be doing their best to get this done before the wet season.

Our staff at Ampilatwatja have spent a week this last month grading the road out to Irlutja. Unfortunately, it rained a few days after they finished. We will look at grading it again in April next year to make sure it does not fall into disrepair.

I have attended all the local Authorities via phone or video link this month so thanks to the Area Managers for accommodating this during my recovery. It is good to see quorum was acquired in the four functioning Local Authorities for this month. We are confident that Wutunugurra and Arlparra will be back functioning by the end of the year.

Ali Curung Local Authority had some interesting conversation about a new strategy to deal with local youth that have been breaking into some of the local businesses. I have attached the minutes of the CSAP meeting that proceeded the LA.

Tennant Creek Municipal team have been planting some trees on Peko road this month and they are doing their best to stop the kids from pulling all the leaves of them. I would also like to pass on a compliment to the Tennant Creek Landfill team from the Tennant Creek Local Authority. People around town are noticing the great job our team does.

It's great to be back in my role after a break and I will be looking forward to traveling to all the Communities next month with our new Mayor.
