TITLE	Monthly CEO Report

RECOMMENDATION**That Council**

- A) Receive and Note the Operations Directors Report

SUMMARY:**Operations Report for November**

I have attended six Local Authority meetings this month, of those I managed to get to four in person and two via phone as one days travel was cancelled due to mechanical problems. I am glad to report that all our Local Authorities are functional again and we had good discussion at all meetings.

Arlparra Managed to get full quorum on their first meeting back after six months. This was great to see, and thanks to Councillor Club for his attendance and input as well.

The Ampilatawatja Local Authority did not manage to get quorum on the day we were their but they are going to try again on the 19th November so fingers crossed for that meeting. If they do meet, we will have achieved quorum at all six communities in a month which is a rare occurrence.

The main message coming out of all the Local Authorities is the amount of crime and vandalism the Local Youth are involved in now. I know that this is a regular occurrence but it seems to be more prevalent now. There was also good discussion around the communities about the best ways to use their funding. At Ampilatawatja they have decided to ask Council to allocate the remainder of their funding to ensure the ablution block build will go ahead. This will be further discussed on the 19th if they reach quorum.

All Communities are getting better staff attendance this month and the change is noticeable. Everywhere we visited was neat and tidy, it was good to see the parks in Ali Curung looking very green, and the playground has been repaired. Elliott was also well presented with the parks looking green and well mowed this included the Football oval which is looking great. The Elliott Local Authority is the first ones to apply for funding from the Regional Deal Community Projects funds. They are asking for additional funds to ensure the change room build for footy oval goes ahead.

We have had four of the five Area Managers attend a three-day recall in Tennant Creek this month. As usual all Directorates had input making sure that the AM,s are up to date with any changes and to give input into future strategies for our Region.

While the Area Managers were in town we held a staff BBQ at the Tennant Creek Depot, it was great to see so many staff turn up and enjoy each other's company. I think this will turn into a regular event when the AM's are in so we can continue to promote staff inclusion and comradery.

Our Tennant Creek depot crew continue to do a great job looking after our parks and gardens in around town. They are also continuing to plant trees along Peko road. We have also had the reticulation completed at Hilda st park and at the cemetery this month so that will decrease the amount of hand watering they have been doing.

I would like to finish my report by thanking all our staff in the Barkly for the great work they continue to do.

SUMMARY:

This Report is a summary of Council meetings for November 2020.

BACKGROUND

The November 2020 Council meeting was very productive. The councillors were given an Australia day brief. The theme for this year's Australia Day is "emerging." Council will vote for all the categories at the December Council meeting. Councillors were urged to encourage the community to submit their applications before the deadline.

Mayor McLaughlin had a busy month meeting his counterparts from around the territory at the LGANT meeting in Alice Springs. He also met with various other people in different capacities including Minister Moss in regards to youth and education in the Barkly.

Council approved the Sponsorship of the Tennant Creek Christmas tree event, which will be held at the Tennant Creek Civic Hall.

In Elliott, the accommodation expression of interest was decided in favour of Northern Interest. The Tender for the Elliott football oval change rooms has been finalised and we waiting confirmation from the funding body to issue the contract..

The Ampilatwatja Ablution block tender was also awarded conditional to funding being finalised, with the Ampilatwatja Local Authority also putting some money towards the upcoming development.

Lastly, the Lake Mary Ann Dam Playground tender was also awarded with construction to commence in February. Council will be starting 2021 with a number of projects moving into construction phase, which is very exciting.

As this is the last Local Authority Meeting for 2020, we would like to wish you a Merry Christmas and a prosperous 2021!

Request to make a Presentation to a Local Authority

(Request must be made in writing one week before a Local Authority meeting).

Dear Chair of the Ali Curung Local Authority,

I am requesting your permission to make a presentation to the Ali Curung Local Authority on 14 December 2020.

Give the Local Authority Information about

My role as the Barkly Region Domestic, Family and Sexual Violence Coordinator and the work I am currently doing

Speaking points that BRC will insert into the Local Authority minutes as a record of your presentation/report

I have been appointed to the role of Domestic, Family and Sexual Violence (DFSV) Coordinator to look at increasing the capacity and coordination of services across the Barkly to work together to respond to DFSV. This includes the specialist DFSV services, as well as those services that, while not considered DFSV services, are often required to respond to DFSV or that are uniquely placed to identify where there is a risk of DFSV.

There have been service reviews and consultations with individuals held over the past two years. In particular, the Barkly and Big Rivers DFSV Service System Review and the Access to Justice in the Barkly Review which were both released this year. I am looking at the findings of those reviews and having further discussions with people about their response to those findings. I will then be looking at how those issues can be addressed through developing a DFSV Hub in the Barkly that increases the capacity and functioning of services and how they link in with each other.

There have been many issues raised that are specific to remote communities, particularly those communities where there is no safe house. I'm keen to talk with people and service providers in these communities about the issues raised through the reviews and about whether they have anything they would like to add. I'd also like to talk about what these communities think needs to be done better.

A workshop will be held early next year (probably in February) to make some decisions about the best model for a whole of Barkly Region DFSV Hub and how best to move forward on implementing that model.

*Local Authority members welcome contributions from outside agencies. We ask visitors to keep presentations to no longer than 10 minutes including questions. * Presentations are not minuted by BRC staff.*
