CEO REPORT ON CURRENT BRC SERVICES IN LA AREA

ITEM NUMBER	6.1
TITLE	CEO's Report
REFERENCE	267674
AUTHOR	Mark Parsons, Operations Director

RECOMMENDATION**That Council:**

- a) Receive and Note the Operations Director Report.

SUMMARY:**February Report**

- Three Local Authority meetings were held this month out of six possible meetings. These were Ampilatwatja, Alpurrurulam and Elliot. The Council is still in talks with the representative from the Urapuntja Aboriginal Corporation around establishing a new Local Authority at Arlparra.
- The three meetings that went ahead had some very robust discussions. Mainly based around the updates to the 5 year infrastructure plans and the new items added into guideline 8 around council staff payments for attending LA meetings. Elliott Local Authority went for over 4 hours and had good discussions around the new works to be undertaken at the Jim Rennie reserve and the upcoming works to be undertaken by CDP.
- I have had a few meetings this month with the Julalikari CDP team around upcoming projects in Elliott and Ali Curung.
In Elliott they are going to put up a shelter at the airstrip for people to utilise when they are waiting for the plane. This project has been on the LA Action List for approximately a year so it will be good to see it completed. Council has agreed to pay for 50% of the materials to expedite this project. They have also started cleaning up around the mini golf course and have painted all the boards for each hole in the Jim Rennie reserve.
In Ali Curung, CDP are doing a scope of works to renovate the church which has been damaged during the ongoing violence in the community. I think this renovation along with the ongoing mediation by one pacific will help give a neutral space for people to gather.
It is great to see some positive work being done by the CDP team.
- On the 25th the Area Managers attended the first recall for the year. All directorates have had time with the AMs to discuss relevant issues in their specific area. While the AMs were in, they also attended a day of airstrip maintenance training and a Cert III in Local Government operational works. This has been a very positive week and the extra training will help with staff supervision on the communities.
- I have been attending the Regional Deal meetings as one of the Council representatives. It has been interesting to see the views of all the different representatives from the organisational groups involved. My role in this will be to make sure that the Local Authorities from the Barkly Communities have a voice in the ongoing negotiations for the funding.
- The Infrastructure Director and I made a trip to Elliott to meet with DIPL to do an airstrip audit and to meet with the contractors doing the footy oval. We have also done a scope of works for one of our staff houses that will be refurbished by our Council housing team.
- All in all another busy month.
