RE: Local Authority Project Funding – 2021-22

Following receipt and review of the Barkly Regional Council's (Council) Local Authority Project Funding (LAPF) Certifications as at 31 December 2021, (received 30 March 2022), I am pleased to offer the allocations payable under the LAPF program to your Council for 2021-22 as follows:

Local Authority	LAPF allocations 2021-22	Unspent LAPF 2018-19
Ali Curung	\$83 500	\$28 429
Alpurrurulam	\$67 700	\$40 316
Ampilatwatja	\$66 800	Nil
Arlparra	\$63 600	\$67 570
Elliott	\$50 900	Nil
Tennant Creek	\$100 000	Nil
Wutunugurra	\$26 300	\$28 013
<b>Total</b>	<b>\$458 800</b>	<b>\$164 328</b>

Area Safe Seabg  
7498.70  
= 32816  
770 freight  
32046

As indicated in the above table, Council's certifications have reported it has unspent funds for the Ali Curung, Alpurrurulam, Arlparra and Wutunugurra Local Authorities relating to 2018-19, totalling \$164 328.

Under the signed 2018-19 the LAPF grant funding conditions, in particular clause (g) it states that the Council agrees to "fully expend the LAPF within two years of receipt of funding otherwise failure to do so may result in the Department withholding any future payments of LAPF funding or request unspent funding to be repaid". Based on this condition, the **two year time limit** for Council to fully expend the 2018-19 funding ended on 30 June 2021.

However, given your recent appointment and to enable your Council to achieve the best outcomes for its Local Authorities, I have approved the rollover of 2018-19 unspent LAPF funds as indicated in the table above to be spent by 30 June 2022.

Should Council be unable to spend 2018-19 funds by the required date of 30 June 2022 please let me know as soon as possible.

nt.gov.au

This offer of funding as detailed in the table above is to be accepted on the conditions outlined in the attached acceptance form. The acceptance form should be completed and returned to local government grants at [lg.grants@nt.gov.au](mailto:lg.grants@nt.gov.au) as soon as is practical.

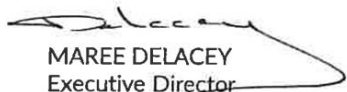

For your information, all local government funding must be expended in accordance with the *Local Government Act 2019*, the *Local Government (General) Regulations 2021*, Guidelines and the Northern Territory Government Buy Local Policy.

From 25 December 2021 vaccination requirements have also come into effect and apply to all Northern Territory Government grant recipients, requiring that recipients are at least double vaccinated. It is therefore a condition of this grant that your Council must declare it is meeting the Northern Territory Government's vaccination requirements and must provide evidence if requested to do so.

If you have any queries regarding the use of funds, please contact Mr Craig Kelly, Regional Executive Director, Barkly Region on 8962 4688.

If you have any questions regarding the grants administration, please contact Ms Donna Hadfield, Manager Grants Program on 8999 8820 or by email at [lg.grants@nt.gov.au](mailto:lg.grants@nt.gov.au)

Municipal services have continued in the community, with a recommencement of services in Murray Downs. A quote is being promulgated for repairs to the roads in Ali Curung.

**Infrastructure** – BRC has approved the repairs to the Brax building. A quote for the repairs to streetlights has been received and attached to the agenda for consideration.

<b>TITLE</b>	Ali Curung Youth Centre construction update
<b>REFERENCE</b>	380441
<b>AUTHOR</b>	Darren Lovett, Special Projects Manager

**RECOMMENDATION**

**That the Authority acknowledge and receive and update regarding the construction of the Ali Curung Youth Centre**

**SUMMARY:**

At a recent community meeting held for the community in Ali Curung, questions were posed to BRC by the community regarding an update on the construction of the Ali Curung Youth Centre. Although not completely finalised, below should be considered an update, be aware that more information will flow through to the community as answers are received by BRC, Chief Minister and Cabinet representatives and the Construction partner initially chosen to commence work.

- Ali Curung Youth centre Refurbishment and Extension – Currently in the stage of finalising design and obtaining planning and building approvals from DIPL.
- Harvey Development has internal company issues, BRC discussed alternatives with the owner.
- Reinstating the project with revised costs and delivery timelines. Budget variation to be approved by the grant funding authority (BBRF) – Since there was changes to architectural design and structural design due to identification of sacred tree
- Project design plan and Landscape Plan Approval – to be approved by Development Consent Authority (DIPL, NTPC and PWC). Initial comments have been provided to Harvey Developments and awaiting response.

## Next steps:

- Harvey Developments to submit their revised project plan by April.
- Project Plan with revised costs and timelines to be submitted to Building Better Regions Fund (BBRF)
- Barkly Regional Deal to negotiate with Infrastructure Australia for extension of timelines for delivering this project.
- Deliver the project.

<b>TITLE</b>	Ali Curung Youth Centre update
<b>REFERENCE</b>	380486
<b>AUTHOR</b>	Darren Lovett, Special Projects Manager

### **RECOMMENDATION**

**That the Authority acknowledge the update on the Ali Curung Youth Centre construction**

#### **SUMMARY:**

- Harvey Developments to submit their revised project plan by the end of April.
- The Hervey Development project Plan with revised costs and timelines to be submitted to Building Better Regions Fund (BBRF). The Barkly and Darwin Deals Department anticipated receiving the revised project plan so that grant funding for the project can be finalised before the Commonwealth Budget is announced in May.
- Barkly Regional Council is to negotiate with Commonwealth Department of Infrastructure (DITRDCA) for extension of timelines for delivering this project.
- Consistent with meeting with the BRC CEO on 21 March, and BRC Finance on 28 March, BRC will need to seek a BBRF grant variation with our Commonwealth Department BBRF team (this is not Infrastructure Australia, and the negotiations cannot be undertaken by The Barkly Deal as the Grant was made specifically to the Barkly Regional Council.
- The Barkly Deal will support discussions/work with BRC on the process necessary, in conjunction with our BBRF colleagues. For transparency, the grant funding for the completed project is to expire later this year. As such, the revised project plan and updated information from BRC is urgently needed to avoid losing the grant funding.
- If approval is granted, we can get Harvey Development to deliver the project.
