
BARKLY REGIONAL COUNCIL

OUR VISION

We strive to be responsive, progressive, sustainable council which respects, listens and empowers the people to be strong.

The Way We Will Work

We will make it happen!

We will be engaged and have regular opportunities to listen.

We will have strong policy and budgets to ensure our programs and services are progressive and sustainable.

Respect is shown in everything we do and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.

We are a responsible Council.

We will be a responsive Council.

We want to empower local decision making.

We want to ensure that our services are sustainable and that our region has a standard consistent level of services.

We want to be able to sustain our environment – our communities, our physical places, our people and our organisational culture.

We will aggressively pursue additional funding from both levels of government to improve the standard of living of people across the region.

We need to be realistic, transparent and accountable.

BARKLY REGIONAL COUNCIL
ALPURRURULAM YOUTH SPORTS AND RECREATION
NOVEMBER 2018 MONTHLY REPORT

OVERVIEW

The Month of November has seen some interesting activities run by the Youth Sports and Recreation Department Staff. Current Staff are Mr. David Clucas Team Leader and two Casual Employees. Ms. Roberta Long and Mr. Darren Spratt. Current Staffing arrangements are working well. However more casual staff is required to do relief work when either Roberta or Darren is unable to attend work. During the month of November the Sports and Recreation program has been well attended and the children have thoroughly enjoy the activities provided to them.

MONTHLY HIGHLIGHTS

- Team Leaders meeting Tennant Creek 5-7 November.
- Christmas card and Christmas decoration making.
- Shiney Shed Storeroom cleanout
- New iPads have been purchased to enable further development of the multimedia component of the current Sports and Recreation program.
- Anti Bullying artwork workshop has been a tremendous success; this is due to the cooperation of staff and children working together.
- New Disco equipment provided by Community Services Department in Tennant Creek.

CHALLENGES

- Currently the Alpururulam Community OSHC has no allocated funding. The OSHC program runs from 4-6pm Mondays to Fridays during School Term time. The program caters for school children aged between the ages of 5-14 The children need this vital after school program. The program helps to keep the children occupied and promotes a healthy and active lifestyle. Children are given opportunities to participate in regular physical activity, which helps maintain a healthy mind and body.
- The rising cost of transport when ordering food and supplies for the OSHC and Sports and Recreation programs has meant a new procedure has been implemented for the procurement of fruit etc. OSHC and Sports and Recreation orders will be added to Aged Care orders to minimise transport costs.
- The Basketball Court lighting has been vandalized several times this month. The Protective cage for the power meter board has been vanadalised see pictures below. The basketball court power board also supplies power to the community laundry. So if it stops working the community laundry will not function.

- Children have been lighting fires on the basketball court in the evening after Sports and Recreation activities have been concluded for the evening. Sports and Recreation Staff do of the evening once it is dark offer and provide transport home to children who have participated in Sports and Recreation programs. Sometimes children do not stay at home after being escorted home by Sports and Recreation Staff. Duty of Care ends for the Youth Sports and Recreation Staff once a child is dropped home. Some children do walk home so duty of care ends once they leave the vicinity of the activity area. Repairs to facilities and equipment cost money and due to the remoteness of the community it can take some time to get tradespeople on site. Night Patrol have at times reported to the Sports and Recreation department that children have been seen at times loitering around the Basketball and Skateboard Park sometimes very late in the evening not under Parental supervision.

FUTURE PLANS

- Equipment Stock take .
- Create new registers for equipment stock take.
- Christmas Vacation program planning.
- Implement new opening and closing hours for OSHC and Sports and Recreation. Currently OSHC 2:30pm-6:30pm Sports and Recreation 7pm-9:30pm New times OSHC 4pm-6pm. Sports and Recreations 6pm-8pm.
- Implement new 211 Sports and Recreation Attendance Policy. Children under 15 not to attend Youth activities between 6-8pm .
- End of Term Celebration Christmas Disco.
- Christmas School Vacation Holiday Program.

NIGHT PATROL LOCAL AUTHORITY REPORT

Hours of Operation: Monday to Friday 6pm – 11pm

Brief:

Alpururulam community should be very proud of their night patrol team.

It was a great achievement to see the night patrol officers graduate on the 15th November 2018 each receiving their Certificate 111 in Night Patrol Operations.

Times continue to be a little tough with all the troubles, worries and sadness from the community and surrounding areas in the last few weeks.

The night patrol team has walked through the tough times again....they should be proud of their effects, working closely together, staying strong as a unit.

The night patrol team has been learning the process of completing an incident reports and have also been requested in reporting on continuing drinking/fighting within the community in the last weeks. The night patrol team have also been directed to complete incident reports when they are moving around the community.

The Tennant Creek office has received reports and we are continuing to support the night patrol staff to get stronger and feeling a lot more comfortable in reporting domestic violence which is happening on community.

We are also coming up to the Christmas festive season.... we will have some staff taking time off.... We will still maintain operations of night patrol on your community with smaller number of staff on the ground during this time.

The management of night patrol would like to request the local Authority members to support/encourage your family to seeking to find a team Leader for the Night Patrol Team.

NIGHT PATROL LOCAL AUTHORITY REPORT

The management of night patrol would also like to thank the community members and the Local Authority members for the continuing support in maintaining the wellbeing and safety of the night patrol team.

If community have concerns in the community: they can also call the Tennant Creek office on 89620002 which is the night patrol base during office hours Monday to Friday. Night Patrol can also be contacted at night patrol office number 8964 1533 during the times of operational hours. Night Patrol can support people earlier by talking to them rather than waiting till family starts fighting.

Guiding Principles for Night Patrol

- Deliver culturally appropriate assistance to Indigenous people at risk of either causing harm or being harmed, including children out after dark, intoxicated people, substance abusers, young people, victims of violence and the homeless
- Recognise that all individuals have the right to be safe in the community
- Recognise that the whole community, not solely the Community Night Patrol, has a responsibility to work towards the prevention of anti-social, destructive and illegal behaviours
- Promote the Project and enhance access to social, health and community service through partnerships and relationships with other service providers
- Be ware of and responsive to the community safety needs and priorities of the communities

NIGHT PATROL LOCAL AUTHORITY REPORT

Staffing:

We still continue to have 3 staff members operating out of the Alpururulam night patrol office. Dwayne has received a lot of training in the last 12 months which will support the new staff members to learn the daily operations of night patrol.

Office:

Night patrol office

The staffs are still waiting to have resources on the ground which will provide the staff the ability in allowing having access to the internet which will certainly make reporting and communications greater.

Vehicle:

The night Patrol vehicle is on community and can be contacted on channel 40 while moving around the community.

Training:

The night patrol team have been continuing to attend training with Central Desert Training from 19th – 30th November.

Certificate III in Operations in night patrol training will recommence March 2019 of next year for ongoing and new staff members.

Graduation....

Dwayne Belia – Night Patrol Officer was also invited to attend the graduation ceremony in Tennant Creek but due to unrest with in surrounding communities he was unable to attend.

The night Patrol management would like to acknowledge Dwayne Belia for his effects, commitments and for taking on such an important working role for his

CEO REPORT ON CURRENT BRC SERVICES IN LA AREA

ITEM NUMBER	6.1

RECOMMENDATION**That the Authority**

- a) Receive and note the report

SUMMARY:

- Three Local Authority meetings took place this month, these were Elliot, Alpurrurulam and Wutunugurra. Ali Curung and Ampiliwatja were called off due to sorry business and Arlparra are still waiting on receiving applications to join the Local Authority, there is currently only two active members.
- We are still advertising for Local Authority Members at Arlparra as we are down to only two people on the LA. This LA has not functioned for a long period of time, we are still trying to work with our representative on the ground to improve the situation.
- All Local Authorities were represented at a decision making workshop in Tennant Creek this month. This is an NTG initiative that we assisted to coordinate. All the Local Authority members that attended gave good feedback about Local Decision Making and we hope this will have positive affects on the Communities. I will be involved in follow up talks around this with the LA's in December.
- Ali Curung has seen unrest again this month with fighting breaking out. I have been coordinating with our Area Manager to ensure all our staff are safe. We had some of our staff come into to Tennant Creek with their children as a precaution. A big thank you to Tim Hema, our AM as he said he would stay to ensure the safety of our local staff and infrastructure on community, he also ensured essential services continued to be delivered, including power.
- I am working in with the Mediation team from the Community Justice centre in Darwin to organise mediation training for Ali Curung. I have advised them of the situation in the Community and we will work with them, MP&C and NTG to organise a suitable date for the training to resume.
- The last to Months have been very disruptive on the Communities with a lot of sorry business and other factors affecting a lot of our core services. The Area Managers and I are still in contact on a daily basis to ensure that the communications between Tennant Creek and the surrounding Barkly Communities are kept open at all times. Through this we can minimise the affect it has on our Council services.
