

BARKLY REGIONAL COUNCIL

OUR VISION

We strive to be responsive, progressive, sustainable council which respects, listens and empowers the people to be strong.

The Way We Will Work

We will make it happen!

We will be engaged and have regular opportunities to listen.

We will have strong policy and budgets to ensure our programs and services are progressive and sustainable.

Respect is shown in everything we do and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.

We are a responsible Council.

We will be a responsive Council.

We want to empower local decision making.

We want to ensure that our services are sustainable and that our region has a standard consistent level of services.

We want to be able to sustain our environment – our communities, our physical places, our people and our organisational culture.

We will aggressively pursue additional funding from both levels of government to improve the standard of living of people across the region.

We need to be realistic, transparent and accountable.

SUMMARY:

OPERATIONS REPORT APRIL 2021

April has been a month of many meetings; unfortunately, this did not include Local Authorities, we only managed to get quorum at two communities and Tennant Creek. Local Authority meetings were held in Ali Curung and Wutunugurra so well done to the LA members and the staff at these two locations. Both LA,s had good input from members this included new projects to be added to the five year infrastructure plan and talk about local community issues.

I attended a meeting in Elliott to discuss the Alcohol Management plan and the inception of a permit committee that will make decisions aligned with the permit system. Examples of this would be permit allocation and cancellation of permits for those not doing the right thing.

Whilst in Elliott the Mayor and I had a look at the earthworks being carried out were the football change rooms are going and the works being started on the Anzac Memorial shade sails. It is great to see these projects starting, as both of them started as LA projects on the 5 year infrastructure plan. Also in Elliott, we inspected the flying fox population that has taken over the park. I was surprised at the amount of damage to the trees and at the amount of bats that have taken over Elliott. Ray and his staff have purchased air cannons, which they have started using to disperse the population. I hope that we will have moved them on before my report in May (Fingers Crossed).

I have had a few visits to Ali Curung this month and I am pleased with the progress that has been made with the demolition of the old Sport and Recreation building. I was surprised to see how small the building looks with all the iron stripped from the frame. The Ali Curung locals are excited about the prospect of a new S&R centre in the not too distant future. At the Ali Curung LA there was a presentation from Power and Water about a trial water filtration system that will be installed in Ali Curung in the coming months. If this trial is successful, this system will be rolled out through other communities with high calcification and mineral levels. Our Area Manager from Ali Curung Tim had a short stay in hospital after becoming ill. We wish Tim the best and hope he is back to his normal healthy self soon.

I must give a big thanks to our Ampilawatja Area Manager Robert Smith for going above and beyond for the last two months by taking on the ESO duties while we are recruiting for this position. Bob is one of those Managers that just knuckles down and gets the job done, but I would like to take this opportunity to give him our thanks. We have scheduled interviews for this supervisor's position so with a bit of luck this position will be filled soon.

Alpurrurulam staff are finally able to travel now that the Sandover highway and the May Downs roads are open. I imagine there will be many weekends spent in Mount Isa over the next month catching up with family and friends. It has been a long wet season for the Alpurrurulam community. The extended wet has given our staff some time to catch up on some works that have been on the LA action list for a while. The main one of these was the street sign installations. These are now completed and will be taken of the action list at their meeting in May.

Our Tennant Creek staff continue to do a great job keeping up with our core works. On top of their normal work they have managed to do some extra at Karguru oval and Hilda street park. Both have been top dressed and seeded to ensure we take advantage of the good weather we have had over the last few months. Hilda Street Park has now been officially handed over to Council after the completion of the DIPL contract. We still have a couple of chairs to be installed but the over all the park is looking great.

To finish off my report I would just like to thank all our staff for their continued hard work in our Region.

Local Authority report
Alpurrurulam Community Care Centre
March - April –2021

By Community Care Team Leader

Workplace and facilities

Clients continue to appreciate the lounge and dining area at the centre, with a growing number of clients coming in for meals, TV and socialization. As respite opportunities are otherwise very limited, day respite at the centre is a great option for some clients and their carers. Community care has now a full staffed team which allows us to offer more services to clients.

Council and training

At this moment we have two staff members which are going through training with STEPS, and they are doing well, would love to see them finish and commence in to some other training.

Recently our team leader attended training in Tenant creek, also making sure all the community care staff have covid training and NDIS training. Team leader will be attending the mental health first aid and also qwd training.

Clientele and community engagement

Many clients have benefited from the social support offered by Community Care Centre this month, and have received assistance with contacting various agencies, i.e. Territory housing, banks, ATO, superannuation and NT police.

I notice clients are engaging more with other clients at the center which is good for their mental health, and day to day life functions.

Now age care has a full team of staff we now can offer more individual social support with such things as bush medicine and bush foods.

Table talk wish list:

- More training opportunities for staff
- Planting native trees into Community Care yard

With the help from our NDIS clients, we are making the garden grow.

The bus just makes everyday service delivery so much easier! Hoping to venture out on day trips very soon.

BACKGROUND

At the April council meeting, the new Executive officer for the Barkly Regional Deal, Ben, attended the meeting to introduce himself to the council members. Further updates on the Regional Deal will be brought to Council once Ben has had a chance to settle in.

There was also a presentation from Nathan from Weed Management NT also presented to council, highlighting that he is happy to work on a weed management plan with BRC to be able to manage weeds in the region.

The five year strategic plan was approved.

A tender for the Wutungurra Women's Art Center was approved, and work on that will commence in due course.

Council also entered into an MOU with Suicide Story, where one of our council staff will be a facilitator.
