

BARKLY REGIONAL COUNCIL

OUR VISION

We strive to be responsive, progressive, sustainable council which respects, listens and empowers the people to be strong.

The Way We Will Work

We will make it happen!

We will be engaged and have regular opportunities to listen.

We will have strong policy and budgets to ensure our programs and services are progressive and sustainable.

Respect is shown in everything we do and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.

We are a responsible Council.

We will be a responsive Council.

We want to empower local decision making.

We want to ensure that our services are sustainable and that our region has a standard consistent level of services.

We want to be able to sustain our environment – our communities, our physical places, our people and our organisational culture.

We will aggressively pursue additional funding from both levels of government to improve the standard of living of people across the region.

We need to be realistic, transparent and accountable.

BARKLY REGIONAL COUNCIL

COUNCIL PRAYER

Our Lord Jesus Christ, we trust you will guide and bless this meeting of the Barkly Regional Council. We pray that you will ensure that all discussions and decisions made today are just and fair as they will affect all people within the Barkly Region. We also pray for your guidance to ensure that all our dealings are appropriate to all those whom we represent and will reflect an equitable and honest approach to the issues to be discussed today.

Amen

WELCOME TO COUNTRY

I respectfully acknowledge the traditional owners past and present of this land on which we are meeting, the Warumungu people.

RECOMMENDATION**That Council**

SUMMARY:

All Communities have had substantial rainfall during February resulting in the grass getting out of control. Therefore, the story from all Area Managers is the same when I ask what your Current priority is **Cutting Grass is the answer.**

Out of the six Local Authorities, only two met this month. This was due to a lot of Ceremony and Sorry Business in the Region.

The Community breakdowns are as follows.

Ali Curung

Ceremony started in Ali Curung early in February this is the first time in several years that this is happening out there. The airstrip has been closed a few times this month due to the bad weather our staff continue to monitor this on a daily basis.. Murray Downs road closure due to flooding.

The Community is very excited that the tender for the new sport and Rec centre has been awarded and they are keen to see this work commence.

Our staff continue to do the day to day works of Rubbish, Slashing , Whipper Snipper , , landfill tidy-up

The LA met on the 8th Feb and Quorum was reached.

As per our capital budget, we have purchased a new ATV and it should arrive before the end of the month.

Grey Water for Football Oval

I have had discussions with Power and Water representatives this month about using grey water to irrigate the football oval. I was told due to the NT water standards for Grey Water usage it would not be cost effective for Council to set up a treatment plant to render the water safe enough to use. The estimated price for treatment is \$7.50 a kiloliter.

They have suggested that Council utilize a disused bore next to the oval which would not have to be metered as it produces less than ten liters per second, I will get some estimated costs for this project.

**Elliott**

Contractors have arrived to commence metal removal from the tip, as well as Harvey Constructions who will commence work on the football oval ablution block and the ANZAC memorial shade structure.

Power and Water have replaced 88/100 streetlights with LED lighting, making the streets much brighter, with the remaining 12 to be done at a later date.

Since the water park has been up and running the kids and even the adults have been using it every day.

The weather has meant that the grass mowing has been a full time battle.

We have completed a number of the outstanding work projects this month; the entry ramp now is looking great.

We will be putting in a reticulation system in the next few weeks and planting trees at the football oval.

Alpurrurulam

There was a Funeral on the 7th of February which was well attended despite the rains in the region.

Rainfall this month so far Alpurrurulam 44.6mm Mt Isa 124.8mm and Camooweal 80.6mm. They have had considerable rain around them which has kept the roads closed in the region (Sandover Highway and Austral Downs Road). The river continues to rise and is impassable at present.

They had a police visit with the Police being flown in on Wednesday 10 February and departed Friday the 12th.

Despite road closures, Alpurrurulam is still having ongoing issues with alcohol coming in. I hope that with the river on the rise this will slow down over the next month.

Alpurrulam had an LA meeting this month with quorum being met.

Ampilatawatja

Ampilatawatja had a severe storm hit the Community early in February causing a lot of damage to buildings and power lines with a number of trees falling down. Two of our Council facilities were effected by this and another 12 Community houses were without power for a day until the Electricians could get onsite to do the repairs. Ceremony has just completed in this Area but following this has unfortunately been Sorry Business which affected the LA meeting not meeting quorum this month. Our staff have been busy cutting grass and cleaning up the landfill.

Wuttunugurra

Due to Ceremony and Sorry Business, we did not get to have an LA meeting in Wuttunugurra this month. The staff out there have still been working hard to keep up with the grass growing and have done a clean-up on the landfill. As a part of our transition into the new depot shed, we have had a number of shipping containers moved into the new depot yard. These containers have plumbing supplies and leftover sport and rec equipment in them and the staff will be sorting this gear out to make sure they are well utilised.

Arlparra

There is ongoing Ceremony at Arlparra this month. As per most of the other Communities, this has prevented the Local Authority from meeting but with any luck we will get quorum in March.

Tennant Creek

It has been another big month for the Municipal team in Tennant Creek. They have cleaned up the grass and weeds that were becoming overgrown at the cemetery, they did this with some assistance from CDP. They have also done a great job of keeping on top of the grass growing down Peko road and on Purkiss reserve.

The Landfill crew have opened up the bottom block and we now have bays being utilised back in that area.

On the 15th Feb we had a small number of fish die at Lake Maryanne and the municipal team were quick at getting out there and cleaning up the fish before they got too smelly.

We also had a new water truck delivered this month that the staff were very pleased to see as it has been a long process to get it here.

RECOMMENDATION**That the Authority**

- a) Receive and note the report.

SUMMARY:**JANUARY**

With school holidays kicking off Sport and Rec has been busy with people coming to town to get children participating in golf games, they had around 60 kids attend and enjoy themselves. Also for NAIDOC week Andrew Rea and some of the local ladies painted guitars, all in all there has been a good rate of attendance for Sport and Rec this last month.

It was great to have a Local Authority meeting this month. All members attended and we had good discussion around future projects for our region. Welcome to the new member Andrew Rae.

As always with being so remote Aged care has had some recent problems with internet connectivity and phone problems, IT is working on this and we are hoping to get it fixed soon. The Aged care team also has access to a better vehicle now, which is allowing them to do trips for wood and grocery collection from the local store. Staff will also be taking cooking classes to help improve their skills and we are currently cultivating a fresh vegetable garden.

Earlier this week we had staff come down to clear up the building site for the new house.

Andrew Rae	<p>January 2021 was the biggest mens business I have seen in my 8 years living in Arlparra. We had many visitors camping by the basketball court for the entire month. Toilets and showers had to be cleaned daily , taking up to 4 hrs per day. We did manage to take 5 girls to Alice for a golf clinic, cinema and swimming early in the month but once we had returned from our golf trip Clayton had to go and participate in mens business which left me to work alone. It was not a safe environment for one person , to many kids to watch.</p>

Andrew Rae	<p>February 2021 is one of the toughest months I have spent on community. Mens business was still going on well into the month, causing many problems. Community fighting each other and threatening UAC staff, suicide of a young man, I had to go to Alice to have a tooth extracted, and another trip to town to exchange my work vehicle. However as a positive sign i did hire a young lady Shakayla Kuntoh on a casual basis. She commenced employment 25/02/21 and i believe will be a valuable asset to the sport and rec team. Clayton had most of the month of as he was participating in business but since it has finished he has been at work everyday.</p>

ITEM NUMBER	10.1
TITLE	Council Report- February 2021
REFERENCE	312863
AUTHOR	Makhaim Brandon, Administration Officer

RECOMMENDATION**That the Authority**

- a) Receive and note the report

SUMMARY:

This Report is a summary of Council meeting for February 2021.

BACKGROUND

The February Council meeting went well, with some councillors travelling to Tennant Creek and other phoning in.

Council approved the motion from the Alpururulam Local authority to go to a bi-monthly basis for meetings starting in March. The work of the purkiss reserve fencing was awarded to Harvey Development. Council also approved the variation to the capital budget to include the resurfacing of the TC basketball courts.
