

BARKLY REGIONAL COUNCIL

AGENDA ELLIOTT LOCAL AUTHORITY MEETING

THURSDAY, 2 MARCH 2023

Barkly Regional Council's Elliott Local Authority will be held in Elliott Council Office - Conference Room on Thursday, 2 March 2023 at 10.30am.

Emma Bradbury
Chief Executive Officer

OUR VISION

We strive to be responsive, progressive, sustainable council which respects, listens and empowers the people to be strong.

The Way We Will Work

We will make it happen!

We will be engaged and have regular opportunities to listen.

We will have strong policy and budgets to ensure our programs and services are progressive and sustainable.

Respect is shown in everything we do and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.

We are a responsible Council.

We will be a responsive Council.

We want to empower local decision making.

We want to ensure that our services are sustainable and that our region has a standard consistent level of services.

We want to be able to sustain our environment – our communities, our physical places, our people and our organisational culture.

We will aggressively pursue additional funding from both levels of government to improve the standard of living of people across the region.

We need to be realistic, transparent and accountable.

BARKLY REGIONAL COUNCIL

ACKNOWLEDGEMENT TO COUNTRY

We acknowledge the Traditional Owners of Warumungu, Mudberra, Jingili, Wakaya, Wambaya, Waanyi, Walpiri, Warlmanpa, Alyawarr, Anmatyerre and Kaytetye Country on which Barkly Regional Council live and work, and recognise their continuing connection to land, waters and culture. We pay our respects to the ancestors and elders of these lands, past, present and emerging.

May we continue to work together to Deliver sustainable outcomes through a process Based on mutual respect and understanding.

COUNCIL PRAYER

Our Lord Jesus Christ, we trust you will guide and bless this meeting of the Barkly Regional Council. We pray that you will ensure that all discussions and decisions made today are just and fair as they will affect all people within the Barkly Region. We also pray for your guidance to ensure that all our dealings are appropriate to all those whom we represent and will reflect an equitable and honest approach to the issues to be discussed today.

Amen

ACTIONS FROM PREVIOUS MINUTES

ITEM NUMBER	3.1
TITLE	Updated Elliott Local Area Plan
REFERENCE	379797
AUTHOR	Karen Legge, Corporate and Community Planner

RECOMMENDATION

That the Authority endorse the revised Elliott Local Area Plan for provision to Barkly Regional Council.

SUMMARY:

An updated version of the Elliott Local Area Plan has been prepared taking into account feedback arising from the January LA Meeting where the initial draft was considered.

BACKGROUND

The revised Plan (attached) has been updated to reflect feedback arising from a discussion at the January Elliott LA meeting. This includes some additional photographs, some rewording of some actions, measures and targets, and recognition that the Plan is now more likely to cover the 2023-24 financial year rather than the 2023 calendar year.

The LA will need to determine its 2023-24 budget at a future meeting when the relevant financial information is available to consider.

The finally endorsed plan should be provided to Council for its information.

Elliott township from the air

Message from the Chair

Welcome to this year's annual plan for Elliott's Local Authority.

In partnership with Barkly Regional Council, our LA is committed to hearing from our community about its priorities and using the resources available to us to deliver activities and infrastructure that will support our community to thrive.

The LA recognises that creating jobs and Indigenous-owned businesses will play a huge role in the economic and social development of our community. We see, particularly in the Top End, Indigenous businesses kicking huge goals for their regions. We need to be advocating for tourist-related enterprises like accommodation, caravan parks and cultural tours. We want the LA or Barkly Regional Council to be at the table in discussions with businesses such as Sun Cable, Encounter and Tamboran, as well as with training facilitators and educators so that we have local people 'job ready'.

We acknowledge and appreciate planning activities undertaken by other community partners, including the Barkly Regional Deal and other levels of government, that have identified current priorities and our community's dreams for the future. This Plan identifies activities from those planning processes where the LA and/or Council have a role or responsibility to deliver.

We are pleased that this LA Plan will assist our community to understand what our LA is able to deliver with the resources available to us to address community priorities and work towards achieving some of our future goals.

A Plan like this is most likely to succeed when our community members and our community partners come together to contribute. Community events and activities can't succeed without community members' participation, and many of the actions identified in this Plan can only be enhanced when community members volunteer their time to help make things happen locally.

I also acknowledge the contribution of my fellow LA members. We look forward to working with our local community during 2023-24 financial year to deliver the actions identified in this Plan.

Bob Bagnall

Elliott Local Authority Chair

- 27.8% of households have a weekly income of less than \$650, and no households have a weekly income of more than \$3,000.

About this Plan

This Plan seeks to translate the goals and aspirations of the Elliott community into tangible actions for the Local Authority (LA) and Barkly Regional Council (BRC) to pursue.

The actions taken by the LA and BRC will be shaped by the resources available: levels of funding, staff and volunteers, facilities and equipment. When resources are unavailable for pursuing community goals, this Plan will help to shape advocacy by the LA and BRC to other levels of government and service providers to help the community achieve its goals.

This Plan will be revised and updated annually following receipt of LA funding from the Northern Territory Government. This will help to ensure that funding received can be used to undertake identified actions for the community that will work towards achieving agreed community goals.

This Plan has been developed taking into account community engagement and strategic planning activities undertaken by others, including the Barkly Regional Deal and other levels of government. This Plan seeks to identify the specific activities that are the responsibility of the LA and/or Barkly Regional Council to deliver in the Elliott community, and describe how these activities will be delivered according to the resources available.

The Elliott LA will monitor the progress of implementing this Plan at its regular monthly meetings. An annual report describing the outcomes achieved through the implementation of this Plan will be provided by the LA for inclusion in BRC's Annual Report to the community.

Community priorities

A number of community planning activities have been undertaken over recent years which included engagement with community members and the LA. The list below summarises the priorities identified through these previous engagement activities with the Elliott community:

Priority goals	Ideas for action
Strong Aboriginal governance and self-determination – make decisions and take responsibility for our community	<ul style="list-style-type: none"> Strengthen Kulumindini Aboriginal Corporation to enable community control of programs and services in Elliott Build Kulumindini Aboriginal Corporation capacity through partnerships with other organisations and groups
We want strong and confident leaders for the future	<ul style="list-style-type: none"> Work with Barkly Regional Council to deliver and advocate for the community Build capacity of community members
Country and culture is strong	<ul style="list-style-type: none"> Local control over local environment
Education and employment pathways	<ul style="list-style-type: none"> Identify meaningful pathways for local residents to pursue education and employment opportunities Support local people to be job-ready Pursue economic development opportunities
Quality services and adequate infrastructure	<ul style="list-style-type: none"> Housing, transport, food security, services and programs, service design Local renal service provision A sewerage system for Elliott Local road signage

Elliott Local Authority will work with Barkly Regional Council to identify how best to provide community infrastructure in the Elliott Town Camps. The Town Camps are not on Council-owned land, which limits Council's authority to install community infrastructure on this land.

Actions: 2023-24

These actions assume the contribution of Elliott LA members and identify other Council and community stakeholders who may contribute to the achievement of the identified actions.

Budget

LAs receive an annual funding allocation from the NT Government. There are restrictions about how this funding can be spent:

The LA **can** fund things like:

- Fixing community and Council owned assets like fences, solar lighting, irrigation, roads, toilet facilities and Council-owned offices
- Buying trailers and garden equipment like brush cutters, lawn mowers, pressure cleaners and rubbish bin stands
- Upgrading community sporting areas like community ovals, basketball courts and playgrounds, as well as building shade structures, picnic areas, seating and park furniture, or planting trees
- Festivals or other events to be held in the community.

The LA **can't** fund things like:

- Buying vehicles and fuel
- Paying salaries, cash prizes or Council costs
- Meeting costs to LA members
- Sponsorship for uniforms, travel costs and allowances
- Paying for local government services
- Paying for what another government agency must pay for.

Local Authority funding must be spent within two years of Council receiving the money in order to maintain the funding levels in future years.

In addition, Barkly Regional Council allocates resources (staff, equipment, facilities, budget) to each LA across the region. This Plan will assist Council to prioritise and allocate its resources in alignment with community priorities.
