## OUR VISION

**We strive to be responsive, progressive, sustainable council which respects, listens and empowers the people to be strong.**

## The Way We Will Work

**We will make it happen!**

**We will be engaged and have regular opportunities to listen.**

**We will have strong policy and budgets to ensure our programs and services are progressive and sustainable.**

**Respect is shown in everything we do and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.**

**We are a responsible Council.**

**We will be a responsive Council.**

**We want to empower local decision making.**

**We want to ensure that our services are sustainable and that our region has a standard consistent level of services.**

**We want to be able to sustain our environment – our communities, our physical places, our people and our organisational culture.**

**We will aggressively pursue additional funding from both levels of government to improve the standard of living of people across the region.**

**We need to be realistic, transparent and accountable.**

**CHIEF EXECUTIVE OFFICER REPORTS**

---

<b>ITEM NUMBER</b>	4.1
<b>TITLE</b>	Monthly CEO Report
<b>REFERENCE</b>	297774
<b>AUTHOR</b>	Mark Parsons, Operations Director

**RECOMMENDATION****That Council**

- a) Receive and Note the Director of Operations Report

**SUMMARY:****Operations Directors Report for May 2020****Communities**

All Communities are functioning as per normal albeit without any travel due to COVID 19.

Area Managers continue to perform all their duties. They are also covering any extra meetings involved with the current pandemic. I talk to all the Managers on a daily basis and they are in good spirits. In saying that they are all looking forward to getting back to normal and being able to get off community for a few days.

Local Authority Meetings continue to function except for Alpururulam and Ali Curung who are seeking nominations so their numbers comply with Legislation. Unfortunately, Wutunugurra Local Authority did not make quorum this month but we hope next month we can have all LA's back up and running. It was great to see Ali Curung LA using some of their funding to get solar lights for the main park.

We have spent some time this month updating the Regional Plan the 5-year infrastructure plans and the LA action lists. We have also been in discussion with other service providers around actions that the Local Authority had requested information on. One of these was the Town Camp fencing in Elliott, which has been on the Action List for an extended period. I have now received a verbal confirmation from Mr Brian McClurg from Local Government that they have budgeted for new fencing to be erected as part of an upcoming maintenance program in Elliott so this is good news.

**Tennant Creek Depot**

The Tennant Creek Depot staff have been busy this month undertaking all the regular core services. They have also undertaken some extra maintenance on the football oval at Purkiss Reserve and doing general road patching along some of the lanes behind Patterson Street and some other road works out at the Lake.

Councils Depot Manager has also been assisting the MOB by marking out gravesites at the cemetery in a joint effort to get headstones on some older unmarked graves.

The depot staff have also been involved in moving some vehicles around the communities that where needed to keep fulfilling our core services. This was a drawn out process, as we had to wait for permits to be obtained before they could go.

**Operations**

The Operations directorate continues to function well and has managed the changes in the organisational structure well. My Admin assistant is working in with the newly appointed Governance officer to hone his Governance skills. This will be ongoing, but at this stage, this is producing positive outcomes.

All in all the Directorate is performing well.

- Various video and phone conferences with outside providers as well as the Barkly Regional deal Working groups this month as well as the usual catch-ups with the Tennant Creek Office.
- The printing and placing of COVID 19 posters and information has been a constant for the month.

#### HIGHLIGHTS:

- COVID 19 has still not reached Elliott, a few residents had the test done as a precautionary manor and all returned negative at this stage.

#### ISSUES:

- Three positions were advertised the last week of April for the Municipal team and then again, in May due to no applications, interviews will happen the week of the 8<sup>th</sup> of June at the time of writing the report only two eligible applicants had applied.
- Accommodation is an ongoing big issue for visiting staff, trainers and trades people; we have to hold off on jobs/training for Barkly Regional Council, as we do not have any accommodation to put them up.

A short report this week, due to the COVID 19 restrictions, we have had limited visiting services or contractors, Elliott staff and community have worked hard over the past month to protect the elderly and vulnerable in the Community, following social distancing where they can, not traveling, and staying safe.

We have completed most of the slashing and mowing around the town, this includes most of the DIPL crown Land, the town is looking good, we will now concentrate on getting other jobs done that were put on hold while we caught up on the slashing.

The office has been quiet busy with a lot of residents wanting assistance from Centrelink to apply for the Super payout, COVID 19 information, video and phone meetings, etc.

All services within the BRC business have coped well with the restrictions and we are just looking forward to the 5<sup>th</sup> of July so we can travel to the bigger towns to do shopping and have a break from Elliott.

Barkly Regional Council – Area Manager Report V1 May 2017

## **Aged Care May 2020 Report**

### **Maintenance**

We are still waiting for the cameras to be put on the mobile phones hopefully Grant will be able to do this soon. One Camera needs to be moved as it is obstructed by the pergola. The lug nut was fixed when the ute had an inspection in Elliott. Air conditioners need to be serviced. Simon sent an email to Derek NT Housing about the air conditioners as the one in the TV room is leaking on the ground inside and to fix toilets that are flowing all the time. Di is following up with NT housing.

### **Administration**

All paper work is up to date. All ticksheets are sent to tenant creek on Fridays along with the temperature sheets and workplace inspections and Vehicle inspections. Simon is going through all paperwork and making sure it is correct and up to date as there was a letter saying a quality assurance inspection will be happening sometime this year, not sure when due to COVID -19. Simon is continually learning and trying to improve to make sure paperwork is up to date and done to correct standards.

### **Aged Care**

All services are being delivered. The oldies are happy we get more time with them. We are continuing to clean houses on a more regular basis. Roger from central desert training has been doing video calls in the main office to continue training while the lockdown is on the ladies have been enjoying this and has worked well. We have still got the sport and rec workers and they have been doing well and helping with cleaning rooms and bush outings. The workers are making sure everything is cleaned and washed and sanitized daily to make sure everyone is kept safe. We are trying to minimise the visitors to aged care to protect the oldies. We went out to the lake for a day with some of the oldies they enjoyed going and seeing the water level and getting ashes they even caught 1 turtle, and were all happy when they got to eat some kangaroo tail. Steps training via video commenced but we had few workers still got a little done. Simon has been liaising with adult allied health and they will be visiting in June to bring equipment and do physio. We will be implementing a menu for all barkly aged care centres to follow in the next month. Simon completed a food safety supervisor course and all covid -19 training is up to date. We are trying to clean 3-4 of the oldies rooms a week but this varies due to staffing levels.

### **The Good**

More Drivers means Simon can spend more time in office and with the oldies.

More Allied health professionals coming to visit.

Going to the lake cooking kangaroo tail

Natsiflex program should be beneficial for everyone.

Sport and rec workers coming to help

#### **The Bad**

Still have some trouble getting staff to work on Fridays.

#### **Wishlist**

Furnishings for pergola table chairs.

Help to make a fire pit so the oldies can sit round fire and talk or cook food (bush Tucker)

A ramp for the bus

More craft supplies

## ELLIOT SPORT AND REC MONTHLY REPORT MAY

### Overview

The Sport and Rec program has remained closed due to restrictions. Sport and Rec staff have continued to work in Aged Care and Municipal Services during this time. Staff have also continued with LLN training via video conferencing.

The preparation of the music room has progressed with some furniture and rugs being ordered and the room set up. The music program worker has been doing training over Zoom with Barkly Arts around the use of the mixer in particular. Barkly Arts will come to Elliott when restrictions ease to do more face to face training with our worker. Our music program worker will also be working on projects for the Desert Harmony Festival which will be done differently this year.

The Sports Surveys have been made available to people in Elliott with 20 responses being completed so far.

The gym was able to be re-opened on 25 May with the hours being 9:00-11:00 and 2:00-4:00. The gym has had 13 contacts since re-opening.

The Sport and Rec re-start COVID 19 safety check list has been done and submitted.

I have really appreciated the support from the other BRC services that have helped out during this time – Municipal, Aged Care, and Housing teams. From supporting Sport and Rec staff in their temporary positions, to moving furniture, putting furniture

together, installing hand sanitiser dispensers etc etc. So a massive thankyou to those people.

#### Highlights and Challenges

Sport and Rec has still been without internet.

#### Infrastructure and Equipment Needed

Lights for stage area at basketball court. This will be needed to have concerts etc outside on the stage.

The internet issue needs to be solved as this makes it very difficult for the team leader to do their job.

Could do with a few basketballs and footballs

<b>TITLE</b>	RISE - Ngurratjuta CDP Report
<b>REFERENCE</b>	296423
<b>AUTHOR</b>	Shelley McDonald, Area Manager - Elliott

**RECOMMENDATION****That the Authority**

- a) Receive and note the report from RISE-Ngurratjuta CDP

**SUMMARY:**

On Sunday afternoon the Minister for Employment and Social Services announced stage one of Mutual obligation requirements (please see below).

The impact on CDP is there is no change: we will continue to support our clients via phone contact and only face to face contact in exceptional circumstances, no activities (being held or run by CDP providers or hosts), job seeker are to report any income earned to Centrelink and applying for employment.

We are waiting for additional announcements over the next week or two the next stage in providers providing services across the country.

If you need support please contact me and every request will be considered to what we can support in line with current COVID restrictions

The Employment Minister, Michaelia Cash announced mid-May that mutual obligations for jobseekers, which had been put on pause at the beginning of the coronavirus crisis, would be further suspended until 1 June, after which a three-phase reintroduction would commence.

After declining to put a timeframe on the restart of the system, which forces unemployed people receiving benefits to show proof of job seeking efforts to continue receiving their payments, Cash, along with the social services minister, Anne Ruston, announced stage one, through a press release, on Sunday afternoon.

“Mutual obligation requirements remain suspended until Monday 8 June 2020 to ensure job seekers and employment service providers are given time to prepare for the new arrangements,” the release said.

“From Tuesday 9 June 2020, job seekers will be required to undertake at least one appointment with their employment services provider, which can be done online or over the phone. During the initial period following the reintroduction of mutual obligations, suspensions and financial penalties will not apply to job seekers who do not meet this requirement.

“The government strongly encourages job seekers to maintain contact with their employment services provider at this time to ensure they are aware of opportunities available for training, upskilling or employment. ”Exemptions can be applied for, for those

judged to have “special circumstances”.

Dear Mr Moore

Re: Resignation to contest 2020 Legislative Assembly elections

The 2020 Legislative Assembly elections will be held on Saturday 22 August 2020 and some council members, local authority members, council committee members or council staff members may decide to contest these elections. The election timetable published by the Northern Territory Electoral Commission is attached.

It is important to note that, pursuant to section 21(1) of the *Northern Territory (Self-Government) Act 1978* (Cth), a person will not be qualified to be a candidate for election as a member of the Legislative Assembly if, at or after the date the person nominates, the person holds an office or appointment under a law of the Commonwealth, a State or a Territory and is entitled, in respect of the office or appointment, to any remuneration or allowance.

The section 21(1) disqualification rule captures council members, local authority members, paid council committee members and council staff members. For this reason, it is essential that a council member, local authority member, paid council committee member or council staff member no longer hold that position when they nominate for the Legislative Assembly elections.

#### 1. Council members

The relevant sections of the *Local Government Act 2008* and relevant dates are as follows:

Section 39(6) provides that if a council member:

- resigns as a member to stand for election, with the resignation taking effect from no more than 28 days before the closing day for nominations;
- is not elected; and
- applies to the council chief executive officer to be reinstated within seven days after the result of the election is known

then the former member is reinstated as a member of the council.

## Resignation to contest 2020 Legislative Assembly elections

Section 39(3) of the *Local Government Act 2008* provides that a council member's resignation must be given to the council chief executive officer in writing and a member can resign with up to 14 days' notice. If a resignation does not indicate a particular day, it is effective immediately. A resignation cannot be withdrawn.

Nominations close at 12pm on Thursday 6 August 2020. For a council member's resignation to enable them to nominate as a Legislative Assembly candidate and be eligible for reinstatement as a council member if they are not elected, the resignation must take effect:

- after 12pm on Thursday 9 July 2020; and
- before the member nominates for the Legislative Assembly elections.

The election result is to be declared on Monday 7 September 2020, meaning that if a former member is not elected, they must apply to the council chief executive officer to be reinstated by no later than Monday 14 September 2020.

**2. Local authority members**

A local authority member must resign in writing from the local authority before they nominate with the Northern Territory Electoral Commission for the Legislative Assembly election.

If a person resigns as a local authority member and is not elected to the Legislative Assembly, the person may nominate to again be a member of the local authority. It will then be a matter for the council to consider whether to reappoint the former member to the local authority.

**3. Paid council committee members**

A paid council committee member must resign in writing from the council committee before they nominate with the Northern Territory Electoral Commission for the Legislative Assembly election.

If a person resigns as a council committee member and is not elected to the Legislative Assembly, the person may seek to again be a member of the committee. It will be a matter for the council to decide whether to reappoint the former member to the council committee.

**4. Council staff members**

Section 110(1) of the *Local Government Act 2008* provides that if a council staff member:

- resigns as a staff member to stand for election, with the resignation taking effect from no more than 28 days before the closing day for nominations;
- is not elected; and
- applies to the council CEO to be reinstated within 7 days after the result of the election is known

then the former staff member must be reinstated to their former position or an equivalent position.

## Resignation to contest 2020 Legislative Assembly elections

Nominations close at 12pm on Thursday 6 August 2020. For a staff member's resignation to enable them to not be disqualified as a Legislative Assembly candidate and be eligible for reinstatement as a staff member if they are not elected, the resignation must take effect:

- after 12pm on Thursday 9 July 2020; and
- before the staff member nominates for the Legislative Assembly elections.

The election result is to be declared on Monday 7 September 2020, meaning that if a former staff member is not elected, they must apply to the council CEO to be reinstated by no later than Monday 14 September 2020.

**5. Multiple roles**

If a person has more than one of the above roles, for example, a person is a council staff member and a local authority member, the person must resign from all of the roles before nominating for the Legislative Assembly election.

**6. Election date**

Please note that if the date of the Legislative Assembly election is altered, this could result in dates mentioned within this letter changing. A change to the election date would be publicly announced by the Northern Territory Electoral Commission, including on the Commission's website.

Should you have any further enquiries on the above, please contact Mr Hugh King, Manager Legislation and Policy, on 08 8995 5118 or via [hugh.king@nt.gov.au](mailto:hugh.king@nt.gov.au)

Yours sincerely

Maree De Lacey  
Executive Director  
Local Government and Community Development

# BARKLY REGIONAL COUNCIL

## OUR VISION

**We strive to be responsive, progressive, sustainable council which respects, listens and empowers the people to be strong.**

## The Way We Will Work

**We will make it happen!**

**We will be engaged and have regular opportunities to listen.**

**We will have strong policy and budgets to ensure our programs and services are progressive and sustainable.**

**Respect is shown in everything we do and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.**

**We are a responsible Council.**

**We will be a responsive Council.**

**We want to empower local decision making.**

**We want to ensure that our services are sustainable and that our region has a standard consistent level of services.**

**We want to be able to sustain our environment – our communities, our physical places, our people and our organisational culture.**

**We will aggressively pursue additional funding from both levels of government to improve the standard of living of people across the region.**

**We need to be realistic, transparent and accountable.**

**RESOLVED****Moved: Cr. Jeffrey McLaughlin****Seconded: Cr. Ricky Holmes****CARRIED UNAN.***Resolved OC 166/20*

Mayor noted the road from the entrance of Purkiss Reserve to the back of Sporties has not been noted or inputted. So final drawings are needed.

Major works packages Civil includes: pathways, car parks, drainage, earthworks

Major works packages Construction includes: playground equipment, shaded picnic area, ablution blocks, and any other construction.

All work will be done sequentially, meaning that there will be no impact on the completed projects when others commence.

Intention is to get the Major works Packages out by August 2020. The whole project to be completed by end of 2020/2021 financial year.

Construction process will include blocking off the AFL field and the gym so that there will still be access to these throughout the duration of the construction program.

Mayor works Packages tenders will be staggered in order for them not to all be due at the same time.

**REPORTS FROM BARKLY REGIONAL COUNCIL**

---

<b>ITEM NUMBER</b>	10.2
<b>TITLE</b>	Community Development Directorate Report
<b>REFERENCE</b>	297869
<b>AUTHOR</b>	Makhaim Brandon, Administration Officer

**RECOMMENDATION****That the Authority:**

- a) Receive and note the report from Sharen Lake, Director of Community Development.

**SUMMARY:****COMMUNITY NIGHT PATROL**

During this COVID 19 lockdown period, the Community Safety Night Patrol Regional Management team has been focused on creating a series of planning, induction and procedural documents aimed at ensuring that Staff in communities have a greater understanding of their program, roles and responsibilities.

With the development of these new documents, once approved and communities are re-opened, all Community Night Patrol staff will be familiarized to these new documents through one on one sessions delivered by the Regional and Zone Night Patrol Managers.

The Regional Manager is currently reviewing the budget and is planning with the Director of Community Development to reconfigure the budget, increase the Staff base and organise major works and the refurbishment of the Patrol Bases on Community.

Currently, all patrol services continue to operate at all locations with the exception of Arlparra Community. Ali Curung patrols are now running two shifts commencing at 1500 hours and 1800 hours, Monday to Friday.

Reports received from staff indicate communities have remained quieter due to current restriction on travel and less alcohol coming into communities.

Effective recruitment continues to be an issue and Zone Managers have been assisted by People & Culture & the Regional Manager to ensure that there are clear guidelines on recruitment and the need to select appropriate staff and staffing models to increase service consistency and stability in staffing.

**YOUTHLINKS**

Due Corona Virus Pandemic, Youthlinks BRC designed a new program to enable continuity of service to our most vulnerable children with Home Care Activity Packs being delivered, which include educational resources, nutritious snacks, sporting equipment and Telstra vouchers for older youth.

Youthlinkx will re-open Friday 5 June 2020. Staff have completed online COVID19 Plans required to support management of program activities during the coming months.

We have good feedback from Saltbush about \$ 30 Telstra credit - *"the young people of Tennant Creek have responded positively to the resource packs provided to families and the \$30 Telstra voucher for young people 13 – 19 years. Having access to WIFI while staying at home is great incentive to NOT wander the street to access internet connection"*

**LOCAL LAW RANGERS (includes Environmental Health)**

Animal Management have impounded 15 dogs this month. 13 dogs have been rehomed, 1 dog has been returned to their owners.

Dog and Cat traps have been set in known problem areas on a weekly basis and 4 feral cats have been trapped and euthanized.

Ongoing monitoring of illegal dumping sites with the 4G trail camera. Staff have not caught anyone dumping but have captured quite a few images of people in the area going through existing rubbish.

A draft BWC (Body Worn Camera) policy has been completed and discussions on implementing BWC's and Dash Camera's within Local Laws and Environmental Health is being discussed. The document is yet to be reviewed by Management prior to being presented to council for approval.

**AGED CARE**

Overall service delivery has dropped compared to last month's figures due to the closure of the sport and rec programs across all communities.

BRC has successfully negotiated an increase of our transport service price from \$25 to \$35 for our service price for all new NDIS plans. Limited participants have had a 10% price increase for SCP due to COVID-19 this is dependent if SCP was included in their current plans.

April 2020 total end of month bulk upload claim was for \$19,870. Including back payments received our total 2020 yearly claimed amount is \$103,920.14.

***The following are a few highlights from the communities –***

**ALI** - 2 updated service agreements sent to Ali Curung for participants to sign. No services currently delivered during APR to COVID-19

**AMP** – Received a request for service for new participant. Service agreement and consent form have been signed and returned. No services other than meals and linen were delivered in APR due to COVID-19

**ARL** – There are still outstanding service agreements that the Team Leader is chasing up (due to new plans issues by NDIS). Due to the locations of the outstations it is hard trying to catch up with the participants when we attend. Team Leader is doing a fantastic job with the consistent services provided to the participants considering the challenging environment they reside in.

**ALP** – There have been so services (Except for meals and Linen) offered during APR due to COVID - 19

**ELL** – 1 new participant Request for Service application received.

**Summary of Consumer Numbers compared with previous month**

**TENNANT CREEK LIBRARY**

Currently remain closed. We will re-open Monday for 4 hours a day - 9-11am and 2-4pm, until Friday 5th June when we can open normal hours.  
Staff have been undertaking extensive cleaning, reorganising and planning during this period.

**ELLIOTT LIBRARY**

Currently remain closed. We will re-open Monday for 4 hours a day – 9-11am and 2-4pm until Friday 5th June when we can open normal hours.

**SAFE HOUSE - ELLIOTT AND ALI CURUNG and BRC Domestic and Family Violence Working Group**

Safe Houses in Elliott and Ali Curung have been very quiet. There has been only one safety support required at the centres and this was in Elliott.  
Application for underspend completed. Proposed underspend to be redirected to capital works and repairs and maintenance of both locations.

**YOUTH SPORT AND RECREATION**

We have redeployed our remote sport and rec team members to Aged Care, Municipal and Night Patrol. Youthlinx staff have sent out Activity Packs to each remote community (Epenarra are yet to receive as we have been waiting for someone to pick up or take out).  
YSR will re-open Friday 5th June 2020 – smaller children, 3-5pm, youth over 15, 6-8pm.

**TENNANT CREEK SWIMMING POOL**

Pool is open 7 days a week 1-6pm.  
There have been issues with the solar heating at the pool, a probe has been replaced and the heat is slowly increasing. Although there has been an increase in temperature, once night comes, the pool continues to cool down, taking time to warm back up in the morning. It has been recommended that we seek quotes on a pool cover to stop the overnight cooling. The current coordinator is getting quotes.

**2.2 TREE PLANTING INITIATIVE****MOTION**

**That the Committee**

- a) Receive and note the report

**RESOLVED**

**Moved:** Member Kym Lenoble

**Seconded:** Chair Steve Edgington

**CARRIED UNAN.**

*Resolved ENV 5/20*

Emphasis on the importance of understanding that the tree planting process is to be done according to Council resources, therefore will take time to complete the process efficiently.

Status of the Julalikari nursery- applied for a grant to operate the greenhouse. Some trees may be provided through the Julalikari nursery but likely not.

If the trees are not local natives and are likely to die. Therefore research to be done on the trees on the list to make sure they are trees that will do well in the environment. Acacias for example.

Operations Manager stated that advice was sought regarding the best trees to plant in the area.

Members also raised concerns about protecting the trees from vandalism. One option would be to include the youth in the tree planting process, and go about giving them "ownership" of the trees.

First locations of the trees will be replacing trees that have died- inside the town boundary.

Some trees to be sent to Elliott to start planting at the same time and take note of what trees should be planted in Elliott due to the different climates.

Members raised that priority should be given to planting trees in the areas where people congregate- consider getting more mature trees. Which may necessitate looking for grants for these.

Look into some programs- for example adopt a tree grants, Greening Australia, programs like CDP. Also look at other programs that do this as well.

**ACTION ITEM-** Director of operations to obtain contact details of recommended individual with local tree knowledge.

**2.3 ITEMS FOR DISCUSSION****MOTION**

**That the Committee**

- a) Receive and note this report

**RESOLVED**

**Moved:** Member Ray Wallis

**Seconded:** Member Bob Bagnall

**CARRIED UNAN.**

*Resolved ENV 6/20*

Beautification program- Back on Tourism NT's radar and DIPL is doing some reports around that. Waiting for some plans for Peterson street.

TC landfill and waste- CLC have asked for new information to be sent to them, with a view of getting the land transfer done. Which will give us the land at the tip..

Recycling of cars- 3 councils have had a proposal prepared for this. The metal recyclers will not go into dirt- meaning that they will not go to communities. A paper was done for the minister

Change to "Barkly Climate Action Plan" instead of 'Tennant Creek Climate Action Plan'

## 2.4 CONFIRMATION OF MEETING DATE

**Apologies:** Kym Brahim, Steve Moore, Michelle Smith, Wayner Sanderson, David Curtis, Robert Smith, Kelly White, Karen Harlan

### 2. Review of previous minutes and action items:

Minutes from 23 April 2020 were accepted. Moved: Ray Wallis Seconded: Alison Paull

### 3. Proposed Community Consult Plan – Amy Blair

The DRAFT Tennant Creek Visitor Park Community Consult Plan was discussed. The three proposed areas of community consultation are: VP Location Survey developed through the VP WG; VP Location site selection and VP design of infrastructure; and VP Service Delivery design survey developed through VP WG. Discussion around the proposed sequence and method of consultation.

Consensus from the WG members that more time was required to read the document prior to provide feedback or engaging in a discussion.

WG members to provide feedback to the Backbone Team by 14 May 2020.

### 4. Site Selection Consideration –Sally Langton

There is 5 million dollars to build the VP, with this amount of money it could accommodate about 30 beds. There has been conversation around having two VP sites but unfortunately this is not possible within our funding but feedback received from the WG is that there could be one site with consideration that different family groups could be staying at the same time. Consideration should be given to a site that could allow for further development and expansion.

## 2

Answers from the survey will inform the site identification criteria that will be sent to Dept. of Infrastructure, Planning and Logistics (DIPL). Once DIPL identify sites that meet the criteria, Housing will see if a VP can be build there within budget.

## 5. Community Consult Location Questions – Amy Blair

The survey was developed form a workshop with the WG in February. From feedback given at the 23 April 2020 WG meeting the Backbone Team has updated the survey questions. It was discussed with Julalikari Council Aboriginal Corporation to partner with the Backbone Team to speak to people face to face about the survey. There was a general theme from the group to simplify the whole survey.

To add to survey:

- Are you in a Public Housing house? And do you notify Housing of visitors?
- Would you want visitors to stay at the TCVP? If yes, what type of visitors? E.g. Family or Friends.
- Would you like to have the VP alcohol and drug free?
- What would you like to be included at the VP e.g. WiFi, meetings space, kids area etc.

Change or update:

- Question 2, simplify wording and add wording would you stay at the VP?

The Backbone Team will update the survey and send to the WG members by close of business 8 May 2020.

## 6. Next steps

How do we move forward?

- Start talking to Tennant Creek residents face to face,
- Barkly communities, LAs, and BRC Area managers etc. to start discussions in their Communities and Homelands.
- Contact The Backbone Team if you are able to offer support with discussing the survey.
- The Backbone Team has a Facebook page
- Looking to the WG members to volunteer to be in videos giving Facebook an update on the WG meeting.
- Dan Ryan (1000 voices through Connected Beginning) has been engaged to do a visual representation of the WG meetings and other WGs. Dan can tell the story of the VP through illustrations.
- The WG agreed to meet in one month's time.

Landscape of Epenarra. Artist: Silvia Peterson, Epenarra 2018 (18EP151)

This image embodies traditional ritual knowledge of the Wutungarra community. It was created with the consent of the custodians of the community. Dealing with any part of this image of any purpose that has not been authorised by the custodians is a serious breach of the customary laws of the Wutungarra community.

## Introductions and an overview of agenda

Tim Candler opened up the meeting with an acknowledgement to Country. Noting the current global pandemic, including the impact on the broader community and the Barkly Regional Deal, and acknowledgement of the current priority to respond to COVID 19, reducing the present capacity to focus on the Barkly Regional Deal. For the same reason, today's Governance table will be a condensed, with a targeted focus, looking at the impact of COVID 19 on the Barkly Regional Deal.

## 1. Sector Update

- *Barkly Regional Council; Steve Moore:* Has been a busy month with COVID 19 response, council is currently conducting shorter fortnightly meeting, via video and phone conferencing. Whilst it presents its own challenges, this is currently working well. Council has implemented a number of measures to support the community, including offering a 3-month rate waiver for those who have been impacted by the COVID 19 and meet the criteria, also providing an interest free period up until the end of the year. Mindful of staff welfare out bush, council currently supporting them, 18 BRC staff with exception to travel to community, however this is still restricted to essential travel. Attempting to get capital money through, pushing forward with the Tennant Creek rec centre, which will hopefully be out to tender in a couple of weeks, progressing with bike path. Skate Park for Alpururulam has been awarded, work unable to take place right now due to restrictions. Drought funding has four projects ready to go, however all of these are in the community, therefore works cannot commence.
- *Non-Government Sector; Kevin Banbury:* Due to Sharen Lake leaving, a second representative for the NGO sector needed to be selected, A good process for nominating occurred and Jacqui from the women's shelter was selected, however since then, she has relocated to Melbourne, will have to review what to do next. Hopefully will be able to get someone back in successfully, currently having discussion with backbone, have someone soon. The effect of COVID19 on the sector has meant moving from face to face contact, staff working from home. Using zoom for a lot for meetings, including court. Pertaining to the report discussed at the last Governance table, authors are eager to release by webinar. Hoping in the current climate that recommendation will get some traction, i.e use of video conferencing technology in remote communities.
- *Northern Territory Government, Department of Chief Minister; Craig Kelly:* Thanks to stakeholders around the Barkly for their response to COVID 19, with stakeholders working outside their normal scope. COVID 19 has been the sole focus for the past few weeks. This week have had the opportunity to look at other work, including the work for the deal that can be progressed.
- *Northern Territory Government, Department of Chief Minister; Bridgette Bellenger:* Team was re-tasked early on in leading bio security act in NT, which included setting up a call centre, managing internal and the territory borders. Difficult given staff aren't call centre trained, 120000 calls received in under 4 weeks, have had to implement a number of policies with other stakeholders. A number of communities chose to close their doors, this required work around developing processes to ensure freight was delivered to these communities. Support to over 2000 people to return to country from urban centres, in addition needed to set up culturally appropriate quarantine for those wanting to return to country, 300 individuals

3

have accessed the service. Staff have been working long nights and weekends. The Chief Minister has been very strong in leading. Territory is currently the safest place in Australia.

Due to the focus and the work that needed to be completed to respond to COVID 19, not a lot has been able to occur in relation to the deal, however have had an increase capacity to refocus of the deal this week. Territory Families for example is leading on the youth justice facility, however during the COVID 19 have been leading on the welfare response. Every agency who would normally be involved in the deal has been sidelined due to the focus on COVID 19. Will come together in the next few weeks to be able to review the Traffic light report.

- Patta Aboriginal Organisation; Darryl "Tiger" Fitz:* Patta has received the ILAU proposal from Territory Family, Patta have met and agreed to start negotiation for the YJF land. Note that the wording still referenced "work camp", (Tim Candler noted the wording has been flagged with TF), Tiger noted that COVID 19 has limited what Patta is currently able to do, have only been able to have one meeting which occurred last week. Tiger noted a highlight for Patta was a spotlight placed on Patta and incorporating aboriginal law on the ORIC website.

- Australian Commonwealth, National Indigenous Australians Agency; Charlie Caddy:* NIAA has been involved in multiple functional groups relating to co-ordinating the response to COVID 19. Charlie reported that he is currently representing the Barkly Region, with Byron Matthews in the south, currently "all hands on deck". NIAA currently focused on supporting all the service providers that are funded by them, ensuring that they don't have service providers close down due to COVID 19. NIAA are being lenient around their KPIS. Noting some service providers are having to increase their activities in response to COVID19. NIAA are currently funding additional activities, i.e school nutrition funding. Request to use GECs from NTG for quarantine has been approved. Still attempting to progress with BAU where possible. Noting the previously mentioned re-structure has been placed on hold until post COVID 19.
- Australian Commonwealth, Department of Infrastructure; Chris Faris:* Chris noted that his team is currently dealing with the same overall trends, with a number of things being dropped to respond to COVID 19. 1.4 million Australian's registered for job seekers in 10 days, leading to staff being repurposed in order to support. Flow on effect has meant not being able to progress on somethings. In particular to the Barkly team, there has been some staff changes, both Adam and Kate have moved on. The team still consist of Victoria, Pauline and James. Chris reported being involved in 3 times a week teleconference to identify regional trends, looking after our first nation people, and ensuring that medical needs are being met. Chris reflected that the world has changed pretty fundamentally, noting the national and local response and proud of what has been achieved, in particular NT the effort being successful so far.
- Youth Representation, Dylan Kerrin:* Prior to COVID 19 Dylan reported that he attended the youth council which consist of a good core group of 6 – 7 students. Dylan reported that he introduced himself and explained what the BRD is and the governance table, Dylan intends to have an ongoing presence at the meeting. Dylan stated that it would be good for one of the youths to potentially shadow at the governance table. Dylan relayed that some of the

4

students had feedback regarding the youth and rec building and that the council took the feedback on board at the time. Dylan reported enjoying the Governance Table video recording from the previous week.

## 2. Review of the COVID 19 Impact on the 28 Initiatives

The traffic light report was used as a template for the group to go through and provide updates and discuss any potential impacts that COVID 19 may have on individual initiatives.

### 1. Regional Workforce :

- No current progress. It was intended prior to COVID 19 that the working group would be stood up. Hopefully this will occur in the near future.

### 2. Youth Infrastructure

- Council has agree to fast track the completion of the Tennant Creek facility. Due to the current restrictions the Ali Curung build isn't current able to progress currently.

### 3. Barkly Business Hub

- **Confidential** – Commonwealth have made an additional contribution, with the NTG completing some costings for Peko Rd. Chris Faris noted the NTG have been paid their first payment under the agreement, subject to design, potential to free up a bit more cash for the Peko road proposal.

### 4. Youth Justice Facility:

- ILUA has gone from Territory Families to Patta, noted the wording in the ILUA to reviewed, i.e ILUA referenced it as a "work camp". The Diagrama report has been received. Youth Justice Facility Working group re-commences on the 30<sup>th</sup> of April and will be looking at infrastructure plans and the service model.

### 5. New Housing Builds:

- No new update

### 6. Justice Infrastructure Investment:

- The Backbone team has been liaising with NT police, the Tennant Creek superintendent has submitted plans to her superior around changes to the court house and police station. It was raised by Kevin Banbury the current lack of consultation with services that will use the facility. Noted that these are initial plans and will return for consultation.

### 7. Alpururulam Airstrip:

- Completed.

### 8. Economic Growth Strategy:

- To be discussed later in the agenda.

### 9. Maximising Aboriginal Employment:

- To be discussed later in the agenda.

### 10. Barkly Mining and Energy Services Offer:

- No new update.

### 11. Weather Radar:

- No new update.

**12. Improvements to the delivery of the Community Development Program:**

- Department of Infrastructure raised that there is a need for more accurate description. Pauline Halchuk to provide amended wording.

**13. TC Visitor Park:**

- Working Group occurred the week prior, have moved to fortnightly meetings. All of the Jularikuri community connectors attended.

**14. Government Investment Services System Reform:**

#### 27. Update Council website about Aboriginal History :

- No new update.

#### 28. Marketing and Promotion:

- No new update.

### 3. Anniversary of the Deal – Implementation Report

*Department of Infrastructure, Chris Faris:* At the last interim Governance Table the draft implementation plan was tabled, this included milestones. However due to COVID 19 and its impacts on the initiatives the milestones need to be reviewed. Don't want to publish information that is incorrect. The implementation plan to be removed from publication and an update report to be released instead. Currently speaking with the other two levels of Government around a joint foreword, have received feedback from the major. Anticipated publication sometime in May. The minister is eager to record and publish a video via social media. Noted the Backbones Facebook page.

### 4. Opportunities to accelerate post COVID 19

*Department of Infrastructure, Chris Faris:* – Currently the main constraint is people's capacity and ability to consult with the community. Exploring what things can be progressed in the background in preparation for consultation and then explore a way to catch up with consultation. Interested to see what is working in substitute of face to face contact. There are a few things we are able to chip away at where there is capacity. Don't want to assume that people have the capacity to engage, keeping people updated and providing people with the opportunity to opt in.

- Economic working group, Pauline has been chipping away,
- Maximising aboriginal employment, exploring developing a paper.
- Chipping away gently on service system report, how is the money being best spent? NTG and commonwealth has processes, talking to DSS and the productivity commission.
- Weather radar, the next step was to consult with community and look at the geographic, currently can't occur due to travel restrictions.
- Have been helping as much as we can with the community sports. Speaking every fortnight with the sport and rec coordinators on the ground, as have Sports Australia.

Venture housing has come up in the economic working group, noting that the working group members are keen to see progress. Keen to see the Barkly Business Hub progressing, having a physical presence on the ground. Note council have already mentioned the Sports and Recreation building and bike path, support these areas being progressed.

*Northern Territory Government, Craig Kelly:* Consistent with what the Commonwealth has said. The Chief Minister has asked for some work to be done around a rebound strategy, explore how this could be linked into the economic strategy. The funding could be incorporated into recovery. NTG has additional funding, potentially available for new projects, potential do a piece of work in the economic strategy, around what is available in the Barkly and identify projects to fund.

*National Indigenous Australians Agency, Charlie Caddy:* Concur with Craig and Chris. Both the business hub and economic growth strategy can be progressed. Members identified that for the next meeting they want to focus on the initiatives. NIAA have one of their tiger team members to work with them. Most staff have been repurposed, have asked one to support the work in the economic space.

## 5. Establishment of Governance Table Administrative Group

*Backbone Executive Officer, Tim Candler:* The Backbone had a lot of work planned over this period, not been able to occur at the moment due to COVID 19. Have been looking at what the backbone can progress, picked up a number of foundational tasks:

- Increasing the Barkly Regional Deal and the Backbones presence, i.e website, which can be a costly exercise
- Exploring governance software
- Bedding down some of our processes.
- Recruitment happening, Community Engagement Lead is closing next week and will commence the interview process shortly. Currently recruiting for Community Based Connects roles, based out in the wider Barkly.
- Underspend for the backbone, exploring a number of options

Mindful of a timely response required from the Interim Governance Table around moving some process forward. Propose an Administrative panel to help progress these elements, although mindful that we do not have a full table currently present.

*Department of Infrastructure, Chris Faris:* Noting that decision that need to be made between tables. Previously an administrative group was stood up to support with recruitment, this seems to be an evolution of that. The Governance Table would have visibility of decision being made between meeting, natural evolution. Would support this.

*Barkly Regional Council: Steve Moore:* Noted that currently it is left up for him to approve money, believes approval of expenditure is something that should sit more with the Governance Table. Due to the funds sitting with council, however would still need to be involved.

*Non-Government Sector: Kevin Banbury:* Supports the proposal, agrees with Chris Faris, creates an extra layer of accountability, will help to manage perception of expenditure. Evolution of support previously provide to the backbone team. Potentially to explore the appointment of this group through email.

*Northern Territory Government: Craig Kelly:* Not there should be a criteria in place, those who make up the group would need to be experienced around budgets.

*Department of Infrastructure, Chris Faris:* Note Sharen Lake was previously part of this group and is no longer on the Governance Table. Explore with those who were previously apart of the last group and see who is willing to continue. Noting that currently the group would be very governmentally, need to ensure there is a community voice. Recommend to send out an EOI to the community members of the group.

*Tim Candler:* The next date for governance table is currently set for June 30<sup>th</sup>. Members to reflect on if running a table prior would be suitable.

The table noted it may be worth waiting to see what changes with restrictions. Potentially the 28th of May for those who can attend and a virtual meeting for those who can't attend.

## 6. Actions Items

Item	Action	Timeframe	Responsibility	Status
1	Amendments to be made to the wording in the CDP initiative section of the Traffic Light Report	28/05/2020	Pauline Halchuk and Backbone Team.	
2	Email an EOI to community Governance Table members asking for membership to the Administrative Group	ASAP	Backbone Team	
3	Confirmation of next Governance Table meeting, pending restrictions review.	Prior to the 28 <sup>th</sup> May	Backbone Team

'A footprint has no colour and humanity has to be there. There were these visual tracks right across the Barkly region.'

- Former President Rosalie Kunoth Monks

The **Barkly Regional Council's** logo was created by Barbara Whippy who incorporated logos from the previous smaller community councils.

The base line for the logo is the "McDouall Ranges" north of Tennant Creek, named by John McDouall Stuart on 1 June, 1860. This was in honour of Colonel James McDouall, of the 2nd Life Guards, Logan and Wigtownshire. Locally they are known as the "Honeymoon Ranges" so called by the newlyweds camping on their mining leases in the range during the 1930s gold rush.

Above, there is a row of symbols starting with the Sandover Lily which represents the Urapuntja or Utopia region, the Lizard which symbolises Nyinkka, a sacred symbol in Tennant Creek, and Emu which characterises Elliott and the surrounding region.

The footprint in the centre represents humanity – all of the people of the Barkly – with the Bat representing Alpururulam, Kangaroo characterising Ampilatwatja and Dingo a sacred symbol for Ali Curung.

The Tracks of the Barkly logo shows that Barkly Regional Council as represented by the Council laws are listening to the communities and to the people of this vast remote region, not only with their intellects but with their heart.

## Message from the Mayor

It is my pleasure to present the Barkly Regional Council's Regional Plan and Budget 2020-2021.

The preparation process for the Regional Plan has involved input from various Local Authorities, submissions from individuals and organisations as well as suggestions from Elected Members and staff. Council has also conducted special budget meetings to review and refine the Regional Plan.

At the end of 2019, Council underwent an organisational review. The purpose of the review was to ensure the procedures, processes and organisational structure of the Barkly Regional Council is working effectively to make certain Council's service delivery is operating to the highest possible standard and achieving the goals and milestones set out in this Regional Plan. This review came back with a number of suggested changes to increase productivity. Council is working to continue to implement these changes, which will increase the efficiency and productivity of our service delivery in the region.

Adopting a logical and practical approach has meant that Council has settled on a Plan and Budget that reflects the expectations of each community and ensures an equitable amount of funding for services and infrastructure. This can be anything from upgrades to sports facilities and football ovals to landfill and waste improvements.

This coming year will be busy with continued implementation of the 28 initiatives from the Barkly Regional Deal. The working groups have been attending monthly meetings to get the ball rolling so that we see some of the projects taking shape this year.

Council will be commencing the construction of infrastructure as part of the Building Better

Regions Fund. This includes a new bike path in Tennant Creek, new Youth Centres in Tennant Creek and Ali Curung as well as a new skate park in Alpuurrulam.

Our Council's Five Year Infrastructure Plan reflects the priorities of each community and township in the Barkly Region. So far, this Council has completed 15 of these items with a further nine that have commenced construction. It is our goal to continue delivering items listed in the Five Year Infrastructure Plan and complete further works in the coming year.

The beginning of 2020 has seen the COVID-19 global pandemic hit all over the world. This has had a significant impact on our community, with a mandated closure of a number of local businesses in the Barkly Region, causing loss of jobs for members of our community. In response to this pandemic and the flow on effects it has caused, Council has made the decision to implement a freeze in rates, fees and charges for the coming financial year. In addition to this, Council has also implemented a rates waiver scheme for affected businesses and individuals experiencing financial hardship due to the effects of COVID-19 in the Barkly.

On behalf of elected members, I acknowledge the commitment of Council Staff and all their hard work. I extend my gratitude to the CEO, Steve Moore, for his support in leading the team across the region. We share a common aspiration to serve the community as a responsive, efficient, accountable and respectful Council.

# Chief Executive Officer's Report

BARKLY REGIONAL COUNCIL

As we look forward to the 2020-2021 financial year, we recognise that there will be significant challenges that Council will face while we continue to operate in a tight fiscal environment. With the impact of COVID-19 hitting the entire nation during the last financial year, Council made the decision to freeze increases on all rates, fees and charges for this financial year. This freeze will greatly effect Council's revenue as rates and charges make up approximately 15% of our annual income.

In addition to this revenue reduction, we expect funding from Commonwealth and Northern Territory Governments to be harder to obtain this year, as they recover from the effects of the impact of COVID-19. With a smaller capital budget for the year and \$1.5 million committed to projects in our communities as part of Council's commitment to the Regional Deal, Council will need to prioritise urgent works and capital replacements. We also need to consider timelines may be delayed due to the restrictions imposed because of the COVID-19 pandemic.

Our Five Year Infrastructure Plan is key in prioritising works to be completed this financial year. With key long term planning now complete, Council can move into an implementation phase, while looking for opportunities to secure additional funding to complete more projects from the Five Year Infrastructure Plan.

The previous financial year saw planning continue for the Purkiss Reserve Upgrade in Tennant Creek. This major project is funded by the Northern Territory Government to improve sporting facilities for residents and visitors in the region. After many delays in the design phase, it is our hope that the project will be completed this year.

Council's commitment to contribute time and resources to the Barkly Regional Deal has been significant thus far and we are eager to see the projects under the Barkly Regional Deal come to

fruition as soon as possible. The Building Better Regions Fund grant is one component of the Regional Deal that Council is taking point on. This is another major project that Council hopes to have close to completion this year. The BBRF project includes the construction of the two new Youth Centres, one in Tennant Creek and one in Ali Curung, a bicycle path in Tennant Creek and a new skate park in Alpururulam.

The flow of information between Council and communities has improved significantly with monthly Local Authority meetings. This flow of information decreases the decision-making timeframes enabling Council to efficiently deliver outcomes for the benefit of all Barkly residents. It is our aim to increase the number of Local Authority meetings to ensure this two way flow of information continues to increase.

Towards the end of 2019, Council undertook an Organisational Review with the aim to streamline Council's procedures and ensure optimal service delivery and productivity of our staff. The review came back with a range of recommendations that Council has commenced implementing. This work will be a key priority in the coming year.

Our Councillors and Mayor continue to be active in the community and work hard to support Council staff. I look forward to continue working with our Mayor and Elected Members to deliver on our vision of making the Barkly Region the preferred location to live, work, visit and invest in. With a strong, visionary Council, engaged and proactive Local Authorities, sound financial management and committed, dedicated staff, Barkly Regional Council is ready to face the new financial year and deliver on the contents of this Regional Plan.

## About Us

### WHO WE ARE

Barkly Regional Council is a regional council, providing infrastructure, services and programs to individuals, couples, families, children's groups, schools, businesses and agencies across the Barkly. This region has a resident population of 8,563 (Australian Bureau of Statistics 2016).

### WHERE WE ARE

Situated between Alice Springs and Katherine with the town of Tennant Creek at its heart, the Barkly region covers 323,514 square km. The region consists largely of open grass plains and some of the world's largest cattle stations. Its boundaries extend eastwards from Tennant Creek (570.1km) to the community of Alpururulam near the Queensland border. It runs as far south as Barrow Creek (206km south of Tennant Creek), 287.2km north of Tennant Creek to Newcastle Waters and westwards into the Tanami Desert.

### WHO WE SERVE

Barkly Regional Council serves the townships of Tennant Creek and Elliott as well as the communities of Ali Curung, Ampilatwatja, Arlparra, Alpururulam, Elliott and Wutunugurra (Epenarra). In addition to these communities, there are approximately eight minor communities, the largest of which include Tara and Mungkarta, 70 family outstations, 49 pastoral stations, mining operations and commercial properties.

### OUR ABORIGINAL CULTURE

Indigenous people and their culture are an important part of the Barkly region. At Barkly Regional Council we recognise and respect the traditional owners of communities and the fact that Indigenous culture is the oldest continuing culture in the world. Approximately 70 per cent of the people who live in the Barkly are Indigenous with 16 language groups. English is frequently a third or even fourth language. Indigenous people have had their own forms of governance for tens of thousands of years and it is in this cross-cultural atmosphere and spirit of trust that Council works with traditional owners and community residents. Having strong and effective Indigenous representatives on the Council also provides an opportunity to discuss and develop effective two-way communication and engagement as well as develop strong governance principles and practices. Council is also one of the largest employers of Indigenous employees in the region.

BARKLY REGIONAL COUNCIL

## Governance

### ADMINISTRATION AND REGULATORY FRAMEWORK

The Council is bound by the Local Government Act and Regulations, as well as other Northern Territory and Federal legislation. Council therefore has to comply with a range of statutory obligations in its operations. All internal systems, procedures and methods of operation must be adequate to efficiently manage and record these compliance matters.

### HISTORY

In October 2006 the Northern Territory Government (NTG) announced the reform of local government areas. The intention of the reform was to improve and expand the delivery of services to towns and communities across the Northern Territory by establishing 11 new super shires. On 1 July 2008 the Barkly Shire Council was formed; becoming the second largest Local Government area in Australia at 323,514km<sup>2</sup>, after East Pilbara shire in Western Australia at 380,000km<sup>2</sup>.

Following a review of Local Government, the NTG announced that amongst other changes the name "Shire Council" would be changed to "Regional Council" in the eight large Northern Territory Shires. Council agreed to introduce this change on the 1st January 2014, marking the start of a new era for the Barkly Regional Council. The NTG also flagged increasing the responsibility of Local

Authorities, formerly known as Local Boards, in representing local communities and towns. These changes were embraced and reflect a growing sophistication and acknowledgment of the developing regional responsibility of the Barkly Regional Council.

### ELECTORAL REVIEW

The Local Government Act requires Council to undertake an electoral review, in consultation with its community and the NT Electoral Commissioner, to determine whether the current arrangements provide the most effective possible elector representation for the Council area. On 13 February 2015 community consultation on the review commenced. As a result of community input and noting the assessment criteria, Council concluded that its constitutional arrangements were appropriate. No changes were proposed in relation to the name and boundary of the Council, Ward boundaries, the Office of the Principal Member or to the number of elected members. However, it was decided to recommend to the NTG a change in the name of the Yapakurlangu Ward. Yapakurlangu is a Warlpiri word and the community felt that it did not reflect the language groups in the Ward. At the Council meeting of 13 April 2015 it was resolved that Kuwarrangu would be the new name for this Ward. The Ward name change was gazetted by the Northern Territory Government Minister for Housing and Community Development in June 2017. A further review will be undertaken in 2020.

## Governance

### ELECTED MEMBERS

The Barkly Regional Council is governed by a Mayor and a Deputy Mayor, who is nominated every 12 months, and 11 Councillors. These elected members represent four (4) wards:

**Alyawarr Ward** (4 elected members)

**Patta Ward** (6 elected members, including Mayor)

**Alpurrurulam** (1 elected member)

**Kuwarrangu** (2 elected members)

The Local Government Act, Part 4.3, Section 42(3), allows for Regional or Shire Councils to have at the election of Council, the title of Mayor or President. On 14 September 2017, the Council resolved to change the principle member's title from President to Mayor.

Council holds Ordinary Council Meetings every month at Council Chambers in Tennant Creek with Special Council Meetings called as required. All council meetings are open to the public, unless confidential business is being considered. We encourage attendance by residents of our townships, our communities and other members of the public. Agendas and minutes are available on the Barkly Regional Council website <https://barkly.nt.gov.au> for free.

## LOCAL AUTHORITIES

Local Authorities are established under the Local Government Act and have the following functions under that Act:

- (a) To involve local communities more closely in issues related to local government;
- (b) To ensure that local communities are given an opportunity to express their opinions on questions affecting local government;
- (c) To allow local communities a voice in the formulation of policies for the locality as well as policies for the area and the region;
- (d) To take the views of local communities back to the regional council and act as advocates on their behalf;
- (e) To contribute to the development of the relevant regional plan;
- (f) To make recommendations to the council in relation to the council's budget, and to review expenditures by the council, in relation to the part of the council's area within which the local authority performs its functions; and
- (g) To perform other functions assigned to the local authority by the Minister, in accordance with any guidelines that the Minister may make.

Council approves the nominations for each Local Authority at a Council Meeting. As vacancies arise, potential members nominate themselves for the Local Authority and a Chairperson of each Local Authority is chosen from their memberships. All meetings are attended by the Mayor and Ward Councillors when available, and senior Barkly Regional Council staff. Agendas and minutes are available on the BRC website <https://www.barkly.nt.gov.au>

# Barkly Regional Council Organisation Structure

BARKLY REGIONAL COUNCIL

## Our Vision

We strive to be a responsive, progressive, sustainable council which respects, listens and empowers the people to be strong.

### CORE BUSINESS

From local government funding we provide essential and municipal services in the towns, communities and homelands across the Barkly region.

From the funding of the Federal and Northern Territory governments we provide contracted agency services to our residents.

Income from property owners and ratepayers and service charges from the provision of services supports both local government and agency services.

### CORE COMPETENCE

Through our work in the regional communities, we have developed a strong understanding of how to best serve the needs of those communities.

Barkly Regional Council contributes to our region by valuing all of its members and providing services to individuals, families and communities in ways that respect their dignity and culture and fulfil their needs for community services that provide safer communities. We provide a stable platform for workforce development and program delivery across our region.

### CORE VALUES

Our values inform how we work and are reflected in our employees and services. Our values are founded in the service standards, and are lived out through our interactions with each other:

- We believe that all people in all communities are equal in dignity and have equal rights
- Our employees are committed to working with people and communities in ways that value them, that are non-discriminatory, and that promote social justice
- We are committed to the common good. Our employees work with people to ensure that they have access to the resources and services they need to effectively participate in the community
- Our employees value the contributions of clients and communities, and foster local community driven services

# Monitoring Council Performance

## COUNCIL ADMINISTRATIVE FRAMEWORK

There are no pending changes in the administrative and or regulatory framework in which the plan relates.

## COMMUNITY

Community members are encouraged to attend Local Authority meetings to observe their deliberations and decisions, including projects. They can also speak directly to Council Area Managers, their Local Authority members and ward Councillors for feedback and updates.

## LOCAL AUTHORITIES

Council reports regularly to Local Authorities on progress against their plans and decisions and any other projects or area of concern identified by the Local Authorities.

## COUNCILLORS

Barkly Regional Council employees regularly report to Elected Members on progress through the objectives, also known as Key Performance Indicators (KPIs), outlined under the Regional Strategy and Service Delivery, budget performance and other strategies identified by Council. Councillors are responsible for monitoring the Council's spending and progress to ensure that identified outcomes are achieved.

## DIRECTORATES

Directors are responsible for the monitoring, reporting and implementation of their operational or infrastructure plans. These plans help ensure the achievement of objectives/KPIs, leading to positive outcomes for the community and the Barkly region. A great deal of the work of Barkly Regional Council is funded from external agencies, such as grants and funding agreements with governments at Federal and Territory level. Funding agreements impose on Council detailed performance targets and reporting regimes to monitor outcomes.

## COUNCIL STAFF

Each Council team member is responsible for ensuring their work aligns with the infrastructure, strategic and regional plans.

## NT GOVERNMENT AND GENERAL PUBLIC

Council documents, including agendas, policies, financial reports, confirmed minutes, annual reports and media releases, are available on the Council website <https://www.barkly.nt.gov.au>

Barkly Regional Council has a principle of transparency wherever possible to ensure that our stakeholders, community residents and other members of the public are aware of Council operations and key governance measures. Council conducts community feedback questionnaires on a range of issues on its provision of services.

The Barkly Regional Council's Regional Plan and Annual Report must be presented to the Minister responsible for Local Government annually to ensure compliance with our governing legislation.

# Regional Strategy and Service Delivery

## STRATEGIC PLAN 2018-2023

The Barkly Regional Council Five Year Strategic Plan consists of seven overarching goals for the entire organisation. Within each of the seven goals, there are key objectives that help identify how Council will achieve these goals throughout the five-year period. It includes performance indicators to ensure Council has the ability to adequately monitor the progress and track how successful the objectives are. There are target dates to ensure that Council will have a timeline for each of the objectives and their respective goals.

## REGIONAL PLAN 2019-2020

The Regional Plan 2020-2021 describes the vision, values and core competencies of Council. The plan identifies the needs of the towns and communities in the Barkly and how Council will meet those needs in the upcoming financial year. The major infrastructure projects that have been identified to commence this financial year are the Purkiss Reserve upgrade, the cycle path in Tennant Creek and the new Youth Centres in Ali Curung and Tennant Creek (page 34). Although these are the major projects, this Regional Plan also outlines the priority projects for all communities in the Barkly Region (pages 38 – 44).

## LOCAL AUTHORITY INDIVIDUAL COMMUNITY PLANS

Our Local Authority Individual Community Plans cover the goals and priorities for individual communities within the Barkly region. Each of these plans have been developed in consultation with residents and Local Authority members of each community. Projects highlighted by Local Authorities of each community then feed into the Five Year Infrastructure Plan to set out priorities, objectives and timelines to ensure all Local Authorities are working towards getting what they want for their communities.

## INFRASTRUCTURE PLAN 2018 - 2023

The Five Year Infrastructure Plan consists of major infrastructure projects identified for the Barkly Region. These lists are broken down into groups showing which towns and communities are in need of which infrastructure developments or upgrades. These infrastructure projects are initiated either through Local Authority feedback, Councillors feedback or identified through asset management plan for renewal or upgrading. A Major project is considered to be a project that costs more than \$250,000. With limited discretionary funds, Council relies heavily on grant funding from both the Federal and Northern Territory Governments to meet the costs of projects. The infrastructure plan is key to ensuring that as many projects are completed as possible.

## ASSET MANAGEMENT PLAN

The Asset Management Plan provides details of Council's current assets, valued at approximately \$52m, and their current condition. The plan defines the level of service and how the service is to be provided. This plan includes the effective and efficient management of Council assets for transport infrastructure, buildings and facilities, parks and gardens, streetlights and a range of vehicles. It also identifies and outlines the cost to upgrade and replace infrastructure and equipment as they reach the end of their life expectancy.

## WORKFORCE MANAGEMENT PLAN

Barkly Regional Council has now adopted the Workforce Management Plan, which provides a benchmark for the organisation regarding Council's workforce. In conjunction with the Workforce Management Plan the People & Culture department are currently creating Management workshops for employee inductions and probations, to provide the appropriate training to ensure that Council retains their staff. Another project that has commenced which was included in the Workforce Management Plan, is the employee Recognition Program. This annual event was celebrated with a morning tea and an award ceremony to show recognition to our long term employees.

# Regional Deal

In April 2019, the Barkly Regional Deal, worth \$78.4 was signed by the three levels of Government (Federal, Territory and Local). The deal is formed around 28 Initiatives that target three community priority areas – economic development, social development and culture and place-making.

The deal is governed by the Interim Governance Table which consists of Traditional Owners and representatives from the 16 language groups across the Barkly region, Aboriginal organisations,

youth, business leaders and the non-government sector as well as representatives from the three levels of government. The Governance Table is the overarching governance body that will lead the development and implementation of the Barkly Regional Deal to boost economic development, improve social conditions and reinforce the regions strong Aboriginal culture and history over the next 10 years.

These 28 initiatives are outlined below.

Weather radar <b>\$17.9M</b>		
Improvements to delivery of the Community Development Program (CDP) <b>Ongoing</b>		

## WORKING GROUPS

Five working groups have been outlined as a new approach to collaborating with the community about key areas of the 28 initiatives. Currently three of the five working groups have been meeting monthly to get these projects and programs off the ground.

In the coming year we will see the other two working groups formed and the working groups will continue making recommendations to the Governance Table about the specific areas of 28 initiatives.

There are council representatives on each of the five working groups:

- Youth Infrastructure and Services Working Group: Mayor Steven Edgington, Cr Jeffrey McLaughlin, Cr. Sid Vashist and Cr Kris Civitarese
- Regional Workforce Strategy Working Group: Mayor Steven Edgington, Cr. Sid Vashist and Cr. Kris Civitarese
- Economic Growth and Support Working Group: Mayor Steven Edgington, Cr. Sid Vashist, Cr. Kris Civitarese and Deputy Mayor Hal Ruger

- Youth Justice Facility Working Group: Mayor Steven Edgington, Cr Jeffrey McLaughlin, Cr. Sid Vashist, Cr Kris Civitarese and Deputy Mayor Hal Ruger
- Tennant Creek Visitor Park Working Group: Mayor Steven Edgington, Cr Jeffrey McLaughlin, Cr. Sid Vashist and Cr Kris Civitarese and Deputy Mayor Hal Ruger
- Economic Growth and Support Working Group – Economic Growth Strategy, Barkly Business Hub and the Barkly Mining and Energy Services Offer will be the initial focus of the working group.
- Youth Justice Facility Working Group – the initial focus of the working group is the design of the facilities and the program that will be run in the Youth Justice Facility.
- Tennant Creek Visitor Park Working Group – the initial focus will be to identify the style of facility to be built and the preferred location of the new Visitor Park through community consultation.

A further breakdown of the current state of the working groups for each area are as follows:

- Youth Infrastructure and Services Working Group – initially the working group will focus on the Crisis Youth Support Initiative and Trauma Informed Care.
- Regional Workforce Strategy Working Group – this working group will prioritise projects including the Regional Workforce Strategy and the Maximising Aboriginal Employment Initiatives.

## Our Goals

## Service Delivery Priorities

The Barkly Regional Council area spans approximately 323,000km<sup>2</sup> making it the largest area to deliver services to in the Northern Territory. We are often required to move personnel and equipment across this vast region to deliver services promptly and effectively. Delivering services to an area of this magnitude presents many unique challenges to Council, to combat that we have developed long-term strategic planning initiatives to help alleviate some of these challenges.

Our aim for 2020-2021 is to improve service delivery through some key initiatives. These are:

- Continued purchase of additional equipment based in communities to reduce the need to transport equipment between communities ;
- Train community Municipal staff to operate the new equipment;
- Complete major capital works such as the Purkiss Reserve upgrade and Building Better Region Fund projects (new youth centers in Tennant Creek and Ali Curung, a bike path in Tennant Creek and skate park in Alpururulam);
- Continue the on-going program to improve footpaths in Tennant Creek and Elliott;
- Work on Regional Deal and support the Regional Deal Governance Table;
- Carry out one major road resurfacing project
- Continue the implementation of the recommendations in the external review of Organisational Structure and Internal Processes; and
- Complete the capital expenditure program for the year.

Council staffing numbers will remain reasonably static following the addition of three new positions last year, program grant funding is expected to remain steady for the year. Some positions will be changed or upgraded to provide recognition of the skill level of some Council staff. This will also assist to achieve a greater level of customer service and accountability throughout Council.

## PEOPLE AND CULTURE

The People and Culture Department is responsible for recruitment, workplace health and safety, staff learning and development, staff housing employment administration. The People and Culture Department has identified a number of initiatives that the team will focus on in 2020 – 2021 to provide staff engagement throughout Barkly Regional Council. These projects include:

- Researching more effective recruitment software programs to streamline Council's recruitment process to reduce costs;
- Empowering our Team Leaders, Program Managers and Area Managers by providing the training, mentoring and support regarding Human Resources practices;
- Identifying and providing mandatory training to ensure that employees are competent within their role.
- The creation of an employee well-being program to improve performance and job satisfaction;
- The education of our employees regarding the aspects of Workplace Health and Safety; and
- The implementation and monitoring of Workplace Health and Safety policies and procedures to reduce/ mitigate injuries throughout Council.

## COMMUNITY DEVELOPMENT DIRECTORATE

Our Community Development Directorate is responsible for the provision of funded programs that support community health, wellbeing and safety. We have a specific focus on identified community priorities and legislated requirements.

Services and programs within the directorate, offered throughout the Barkly Region include Local Law Rangers, Animal Management, Environmental Health, Tennant Creek Swimming Pool, Libraries, Community Night Patrol, Safe Houses, Aged Care, NDIS, Youthlink Centre and Sports and Recreation programs which include Outside School Hours Care and Vacation Programs.

With a commitment to building staff capabilities and being an employer of choice, recruitment and retention of staff continues to be an ongoing challenge which has a direct impact on service delivery in remote communities.

Programs are reliant on 100% external funding, working with funding bodies to increase funding periods from 1 year funding agreements to 5 year funding agreements will continue to be a priority, offering security for staff and consistent, quality service delivery.

For the coming year the Directorate will focus on:

- Development of a Community Development strategic plan that is in alignment with the Council Strategic Plan, incorporating community priorities and funded deliverables;
- Targeted training and ongoing development of staff. Proactive recruitment to ensure that all communities within the portfolio are adequately staffed;
- Undertake extensive planning to streamline a quality and consistent service delivery model for all program areas;
- Monitor ongoing capital works activities including the construction of two new youth facilities at Ali Curung and Tennant Creek, Rebuilding and renovation of YS&R facility and basketball court at Ampilatwatja and renovations to improve facilities at the Ali Curung Safe House;
- Continue to work with the NO MORE campaign to coordinate activities within the Barkly region and support the BRC DVAP through training in the prevention of violence against women to all BRC staff and elected members;
- Increase numbers of Aged Care and NDIS participants accessing programs, including improvement of participant's access to individual social support and participation in group activities;
- Development of a Barkly Regional Youth Program Plan, aimed at improving a range of wellbeing outcomes for children experiencing vulnerability by supporting them to; access afterhours activities, afterschool and vacation care programs with increased targeted programs, such as music, multimedia, cultural activities and arts at each regional site;
- The Community Safety Night Patrol Program will complete quality improvements to their service model with the development and implementation of a new Operation Plan, Staff Induction Program and Standard Operating Procedures. This will ensure program compliance and consistency in service delivery throughout the region;
- The Community Safety Night Patrol program will be undergoing refurbishment of facilities and vehicles. These replacements and refurbs will ensure fleet and Patrol Base facilities are fit for purpose;
- Local Laws and Environmental Health will be researching, developing policy and implementing the use of surveillance devices as a means of collecting evidence and maintaining accountability;
- Local Laws and Environmental Health will continue to refine procedures by assisting with policy review; and
- Development of a funding application to support the need for a new Animal Management Complex.

## INFRASTRUCTURE DIRECTORATE

At Barkly Regional Council the Infrastructure Directorate is responsible for maintaining and upgrading Council assets which include parks, gardens, cemeteries, fleet, car parks, storm water drains, buildings, halls, sport and recreational facilities, street lights, waste landfills (upgrades only) and roads.

Following an Organisation re-structure in early 2020, several functions from Infrastructure have been transferred to other directorates. The management of the Tennant Creek Municipal Depot and Landfill now come under the Director of Operations. Specific Procurement and Fleet will be moved to the new Corporate Services Directorate. A Project Manager will join the Directorate to take on our large capital projects for this year, this will reduce the need for Council to hire external expertise.

During the coming year the Directorate will focus on:

- Leading the BBRF construction projects including the construction of two youth Centre's, a bike path and a skate park;
- Liaise with DIPL around the progression of the Purkiss Reserve project;
- Complete our Drought finding projects (up to \$1m stimulus funds for community projects);
- Complete one major road maintained project, most likely to be the re-seal of Ampilatwatja roads; and
- Work with the Procurement committee to make Council procurement more efficient and effective.

There are several community projects that are in the planning stages such as the Elliott Sport & Recreation facilities (approximately \$2M ballpark) and the ablution block at Ampilatwatja, which will progress as soon as funds become available.

## MAJOR INFRASTRUCTURE PROJECTS

### PURKISS RESERVE UPGRADE

Barkly Regional Council has received \$9 million from the Northern Territory Government to upgrade Purkiss Reserve, an important public space in Tennant Creek. Purkiss Reserve, which is approximately 9.6ha, contains the swimming pool, ovals and many sporting facilities.

Funded by the NTG's Department of Tourism and Culture with a recoverable works agreement between Council and the Department of Infrastructure, Planning and Logistics (DIPL), work has commenced on this project which has suffered delays during the previous year.

It provides cultural, sporting, entertainment and facilities for healthy lifestyles of all ages. It also brings great visual relief to Tennant Creek, which is located in a sparse and desert like environment.

Members of the Purkiss Reserve Consultative Committee, both past and present, and councillors from the previous council and staff have all contributed to the development of Purkiss Reserve.

The redevelopment is scheduled to be completed this year and will result in a fantastic new facility for the Region. A new Youth Centre will also be constructed on the Reserve as part of the Building Better Region Fund projects.

### BUILDING BETTER REGIONS FUND

With a \$7.6m Building Better Regions Fund grant being secured as part of the Regional Deal, Council's major priority for the coming year will be to commence construction of two new Youth Centres (one in Tennant Creek and one in Ali Curung), along with a Bicycle path through Tennant Creek and new skate park in Alpururulam. This important infrastructure will assist us in achieving our goal to improve infrastructure within the Region.

Council has a number of smaller projects planned for the year, the largest of which is new change rooms for the new football oval at Elliott. This will be a welcome addition to the facility and will allow Barkly AFL to play matched at the venue.

## OPERATIONS DIRECTORATE

Our Operations Directorate is responsible for delivering Municipal and essential services to the remote communities of Ali Curung, Alpururulam, Ampilatwatja, Arriparra, Wutunugurra and the town of Elliott.

The Directorate also liaises with the Area Managers for each of the communities. After the organisational review was delivered, the outcome has been that the Tennant Creek Municipal team now falls under the Operations Directorate.

During the coming financial year 2020-2021, the Operations Directorate will focus on:

- Supporting Area Managers to ensure there is a clear understanding of Council's expectations;
- Facilitate capital expenditure lists to ensure that all communities keep getting the required infrastructure;
- Ensure the right staff members are hired to carry out works;
- Ensure these staff members have the appropriate training to carry out their work;
- Working with the Tennant Creek Municipal Depot Manager to set rosters for machinery allocation to each community on a regular basis;
- Work with the infrastructure team and Area Managers to establish a maintenance roster for community vehicles;
- Work with Local Authority to ensure meetings take place as scheduled;
- Work with Area Managers to ensure Local Authorities are effectively supported and guided to make effective decisions to support the community;
- Provide effective governance support to Area Managers and Local Authorities and improve communication between communities, management and Barkly Regional Council;
- Instill a WHS mentality through all communities to reduce work place accidents;
- Assist all directorates on communities to have open discussions to facilitate communication networks; and
- To facilitate the communication between the Regional Deal Backbone Team and the remote communities and towns.

# Opportunities and Challenges

## CHALLENGES

As is the case with most Local Government Councils in the Northern Territory, the Barkly Regional Council faces financial, remote and cultural challenges in performing its roles and functions. These challenges can be broken down into three key areas, these are:

- Staff recruitment and retention;
- High service delivery costs; and
- Difficulties coordinating activities across a very large and dispersed geographical area;

In the coming year there will additional financial challenges that are a direct result of the COVID-19 pandemic. To aid our community in the financial hardship caused from the business closures and job loss, Council has put in place a rates freeze for all Barkly residents experiencing financial hardship as well as committing to no increases in the rates, fees and charges for the coming financial year.

## OPPORTUNITIES

There are opportunities to work closer with local agencies and to continue to strengthen regional cooperation between the Barkly Regional Council and other Central Australian Councils. Barkly Regional Council actively participates in the Central Australian ROC (Regional Organisations of Council) and works closely with the NT and Federal Government through the Regional Deal and other key initiatives.

Council strives to build and maintain exceptional relationships with key stakeholders including CDP providers, Government Departments and all NGO and other community based organisations.

Mining exploration has been slow and the construction of a gas pipeline from Tennant Creek to Mt Isa is now complete. The region has attracted new interest from vegetable growers, as well as the future plans for Hydraulic Fracturing in the Northern Territory. Council continues to actively campaign for new investment into the Barkly to create jobs and generate economic growth within our Region.

Barkly Regional Council is a member of the Local Government Association of the Northern Territory (LGANT), which is made up of five municipal, three shire, and nine regional councils and one association. As the peak organisation for local government in the Northern Territory, LGANT provides a broad-based research and policy development service for members in response to local, territory and national issues including changes proposed for legislation.

The Council receives services from CouncilBiz, the local government subsidiary established under Local Government Act to facilitate the efficient provision of administration, information technology and financial services to nine Councils in the Northern Territory. Our aim is to make better use of this service in the coming year.

## HISTORY

Ali Curung is a Kaiditch (Kaytetye) word meaning country of the dogs; dog area, or dog dreaming with two important dog dreaming sites within close proximity (6km) of the community. Totemic ancestors, including the ancestral dogs which travelled near Ali Curung, are believed to have created the landscape in their travels. Ali Curung has adopted the dog as its official emblem to signify the importance of the ceremonial story. Due to their relationship to the ancestral stories and sacred sites in the area, all dogs are regarded as extremely important.

During the late 1950s, small groups of people were collected from around the region and relocated to Warrabri Settlement. These included Kaytetye people from Barrow Creek, Warlpiri people from Bullocky Creek areas and Alyawarra people from Murray Downs and Hatches Creek. Over 1,200 people populated Ali Curung in its early days. Warrabri was established in 1956 under its original name of 'Warrabri Settlement'. The community changed its name to Ali Curung in 1978.

## HISTORY

Pastoralists called Alpururulam, which lies on an important source of water in dry country, Lake Nash, but its Aboriginal name is Ilperrehelame. In the time of the Dreaming, great beings passed through that country: antyipere, the flying fox, nyemale, the grass rat, who partly formed the river, and kwerrenye, the green snake. Compared to other groups in the Barkly Tablelands contact with white people came relatively late. Until about 1920, the Alyawarr continued to live traditionally in relative peace, hunting emu and kangaroo and foraging over their country and enjoying a rich ceremonial life.

Alpururulam was formed out of a discord between Lake Nash Station and the Aboriginal population living on the nearby Georgina River. At the time many of the community members worked at Lake Nash Station, but in the early 1980s there were plans to move the community to Bathurst Downs. For the locals this was "poison country", no good to live on and posed a risk during wet season. In 1982 the community wrote to the then Chief Minister of the Northern Territory Government requesting a parcel of land to call their own near Lake Nash Station. After many legal battles, 10 square km area was excised from the pastoral lease and given back to the community in 1983. Alpururulam Land Aboriginal Corporation (ALAC) was then formed to be the land owner (a board of Community Elders) for the land.

## HISTORY

Ampilatwatja is in the heart of Alyawarr country on the Sandover Highway. The Alyawarr people have always lived there and would travel between soaks (water sources) in the hot weather. The people of this region also have close ties to the people who live at Alpururulam, and in the days of early European settlement (1877-1910) they would walk to Alpururulam to collect rations of food and tobacco. In the 1990s, with the return of Utopia Station to traditional ownership, the Alyawarr people of Ampilatwatja made a claim for their traditional homelands, gaining small excisions from the local pastoral lease to continue their life on the land.

Art is an important expression of the Alyawarr people's connection with the land. Local artists are said to "exude a complex and progressive approach to depicting the traditional knowledge of dreaming and country through the translation of water holes and soakages, bush medicines and bush tuckers, mountains, sand hills and ant hills". Their art works retain the heritage and feature the cultural history and values of Alyawarr lore.

## HISTORY

Named by German settlers in the early 1920s, Utopia was a pastoral lease owned by the Chalmers family. Aboriginal people originally lived close to the main homestead area now known as Three Bores Homeland. The property was sold and became alienated Crown land held on behalf of Aboriginal people. After a lengthy land claim hearing, this land legally became known as the Angarapa Aboriginal Land Trust under the Aboriginal Land Rights (NT) Act 1976. Aboriginal families then moved back to their more traditional areas.

The Utopia homelands are now one of the more established homelands in the NT, comprising of 16 dispersed communities. These communities are separated by rough, corrugated dirt roads and in some cases by the dry and sandy river bed of the Sandover River. The most central community is Arlparra, on the eastern perimeter of the Western Desert adjacent to the traditional land of the Eastern Anmatyerre and Alyawarr people.

## HISTORY

The traditional name for the township of Elliott is Kulumindini. It is the country of the Jingili desert people with the Wambaya people to the east and south-east; the Yangman and Mangarrayi to the north; the Mudbura and Gurindji to the west and the Warlpiri, Warlmanpa and Warramungu to the south and south-west. These people all had traditional associations with the Jingili and ceremonial ties to the watered areas around Elliott. The lands around Elliott lie across the important Dreaming tracks of the Emu and the Star (Baribari dreaming). The spirit ancestors travelled through country on their way to the southern parts of the Northern Territory. The rocks found in this area are amongst the oldest in central Australia, some over 1900 million years old.

Elliott is the Barkly region's second largest town and sits on the edge of Newcastle Waters Station. Named after Army Captain Reginald Douglas Elliott (MBE), it began life at the site of Number 8 bore as an Australian Army Camp during World War II (1942). A war memorial statue stands on the site of the camp, next to the bore used to supply water to troops. Its population is largely Aboriginal, who live in two outstations at either end of the town – Gurungu (North Camp) and Wilyuku (South Camp).

## HISTORY

Tennant Creek is a remote Northern Territory town shaped by Aboriginal culture, gold mining and pastoralism. It includes the smaller communities of Karguru, Tingkari, Wuppa, Marla Marla, Village Camp, Munji-Marla and Mulga camp. The surrounding area is called the Barkly Tablelands, a region characterised by wide grassy plains, endless blue sky and massive cattle stations. The traditional owners of the area surrounding Tennant Creek are Warumungu living on Patta land. Local Aboriginal lore says the town grew up around the home of the spiky tailed goanna, a powerful Wirnkarra or ancestral being. The rocks are situated in the Nyinkka Nyunyu Art & Culture Centre next to the Stuart Highway which passes through the middle of town.

European history in this area began in 1860 when explorer John McDouall Stuart passed this way on his unsuccessful first attempt to cross the continent from south to north. He named a creek to the north of town after John Tennant, a financier of the expedition and a pastoralist from Port Lincoln, South Australia. Tennant Creek was also the site of Australia's last gold rush during the 1930s, and at that time was the third-largest gold producer in the country. The town was located 12 km south of the watercourse as the Overland Telegraph Station had been allocated on an 11 km reserve.

## HISTORY

It is the artists that best capture the spirit of small, remote Aboriginal communities like Wutunugurra. Located on the north-eastern edge of the Davenport Ranges and the eastern side of the Frew River, Wutunugurra is set in an arid landscape that is criss-crossed with watercourses, rocky hills, barren outcrops and valleys. When the land receives significant rain it transforms into a vibrant escarpment, set against the hues of trees, rocks and hills. At these times the waterholes connect and spill across the country. Wutunugurra itself was named after a large waterhole next to Epenarra homestead, about 2km away. Their dreaming is Rain Dreaming.

Like many other communities in the Barkly region and the Northern Territory non-Aboriginal settlement began with the building of the Overland Telegraph line in 1872. By the 1950s the Warumungu and Alyawarr people had been forced on to the poorest land and the traditional owners were not allowed to live on their own country. The community of Wutunugurra was excised (99ha) from Epenarra Pastoral Lease in the early 1980s. The Clough family then enabled a small portion of Epenarra Station to be returned to the traditional custodians as a community living area (CLA); a form of de facto land rights.

## BUDGET SUMMARY 2019-2020

The budget for 2019-2020 has been completed on a consultative basis and aims to address the needs of the residents of, and visitors to the Barkly region in conjunction with the grant funded programs under the Barkly Regional Council's direction and control.

The 2019-2020 budget has been prepared using an approach whereby Council

- analysed community service requirements and grant funding arrangements;
- determined the resources needed to fulfil those requirements including staffing levels;
- estimated the relevant costs associated with those resources;
- established the highest level of community service provision possible, within the operational constraints of Council's available resources; and
- prepared a budget to efficiently and effectively achieve this level of service provision.

During the 2019-2020 financial year, Barkly Regional Council is expected to receive total operating revenues of \$21.68 million. Of this revenue, 70% is expected to be sourced from grants, 17% from general rates and kerbside collection charges, 7% from Government contracts and agency services, 5% from general services and user charges, and the remaining 1% from other sources. In addition, Council will be looking to source an additional \$3.05 million in capital grant revenues in order to facilitate four major capital infrastructure projects in the Barkly.

Council budgets to levy \$3.67 million in rates revenue, increasing general rates and kerbside waste levy charges by 2.2%. Additional detail is provided within the "Rates" section of the Regional Plan.

An analysis of Council's income streams highlights the reliance of the Barkly region on funding from other levels of government and the limited ability to raise revenue through own source income such as rates and user charges. This is of concern as the council loses its autonomy to make community based decisions when funding is based at the Territory or Commonwealth Government level.

In expenditure terms, the five largest service delivery program areas for the Council are: Night Patrol, Youth Services, Community & Aged Care Services, Municipal & Area Management Services and Council Services General. The largest component of operating expenditure is wages, salaries and related employee costs, a total of \$14.55 million or 60.0% of total operating costs. This is budgeted to fund 192 full-time equivalent positions across the Barkly region. This makes Council one of the largest employers in the region, and also one of the largest employers of Indigenous people in the Barkly Regional Council area.

The increase in costs of employing staff within the remote locations of the Northern Territory is an ongoing issue the council continues to deal with. This increase is not considered fully by funding agencies when determining grant allocations, often hampering the council's ability to provide quality services to the community.

Additionally, the Council has budgeted \$8.6 million for capital expenditure. \$3.81 million of this expenditure is contingent upon Council finalising Building Better Regions Fund grant support to fund at least 80% of the anticipated project costs. The majority of this budget will be used in the Tennant Creek CBD Streetscape Improvement Project, construction of footpaths and an exercise corridor in Tennant Creek, construction of a specific purpose youth services building in Tennant Creek, the construction of a purpose-built sports and recreation hall in Ali Curung, and an initial \$1.5 million commitment to the Barkly local community projects fund under the Regional Deal. Other large capital upgrades are planned to enhance administration, animal management, information technology, and security & safety services for the region. Funds have been committed to the renewal of footpaths in Elliott and Tennant Creek and the refurbishment of staff housing in Elliott. There are eleven vehicles and heavy plant equipment due for replacement as per Council's Vehicle replacement program.

The 2019-2020 Council budget projects a \$2.6 million operating deficit after covering for depreciation of \$3.2 million. Council is aiming to fund 20% of its depreciation, funding capital renewals, replacements, and new infrastructure from depreciation, grant contributions and existing cash reserves.

## BUDGET ASSUMPTIONS:

- All current services will continue to be provided by the Council;
- There are no adverse changes in government policies (impacting the Regional Council);
- Depreciation expenses are not able to be covered from operational income;
- Use of depreciation, grant revenues, and cash reserves to fund capital expenditure;
- Any unaccounted operational surpluses will be transferred to asset replacement reserves at the year end;
- All operational and capital grant funding is fully expended;
- Council has no direct control over grants and agency income for future years.

## LONG-TERM FINANCIAL PLAN 2019-2023

The detailed long term financial plan is contained on pages 51-54.

The target of the council is to move to a consistent small surplus on average over the long term, where by depreciation is fully funded so as to replace assets when they complete their useful life. Major additional assumptions included within the long term financial plan include:

- Continuing reduction in corporate overheads over the next four years
- Consistent investment into replacement of council assets in accordance with Council's Asset Management plans;
- 2% annual increase in CPI effecting costs and grant revenues;
- 2% annual rate increase.

## INFRASTRUCTURE DEVELOPMENT AND MAINTENANCE

The following table provides a summary of the budgeted infrastructure development and repairs and maintenance costs for each class of asset.

# Rating Policy

## RATE REVENUE

Council's budget for 2019/2020 contains rate revenues from rates and charges of \$3.676M.

## BASIS OF RATES

Under the NT Local Government Act (Chapter 11), land within a local government area is divided into three basic categories:

- General rateable land;
- Conditionally rateable land; and
- Exempt land.

Rates are charged against rateable and conditionally rateable land.

## GENERAL RATEABLE LAND

Pursuant to Section 148(3) of the NT Local Government Act, Council adopts:

1. Differential valuation-based rates for the township of Tennant Creek fixed for different zones.
2. Differential valuation-based rates for the township of Elliott fixed for different classes of allotments.
3. Differential fixed charge for other allotments within the Council area fixed for different classes of allotments.

For allotments in the towns of Tennant Creek and Elliott the general rate is a valuation-based charge where the basis of assessed value is the unimproved capital value (UCV) of the land subject to rates.

For allotments in other parts of the Council area, the general rate is a fixed charge.

## DIFFERENTIAL RATES SCHEDULE

## CONDITIONALLY RATEABLE LAND

Pursuant to Section 142 of the NT Local Government Act, Land held under the pastoral lease and land occupied under a mining tenement is rated as approved by the Minister for Local Government and determined by the Northern Territory Government. Conditional rates are the subject of a Gazette Notice. A copy of the Gazette notice is also available on the website <https://www.barkly.nt.gov.au/uploads/pdfs/Gazette-Notice-Conditionally-Rateable-Land-17-April-2019.pdf>

## PASTORAL LEASES

Rates are calculated by using the unimproved capital value multiplied by 0.000306. The minimum rate for these properties is \$376.45.

The amount the Council will be able to raise by way of rates is \$105,324.

## ACTIVE MINING LEASES

Assessed Value is as defined at section 149(3) of the Local Government Act.

Rates are calculated by multiplying the assessed value by 0.003475. The minimum amount payable shall be \$890.96.

The amount the Council will be able to raise by way of rates is \$21,529.

The following table shows the number of properties by location within each of rating zones.

## WASTE MANAGEMENT CHARGES

In relation to Council's function of sanitation and waste management, Council, pursuant to Section 157 of the Local Government Act (2008), hereby makes the following charges:

Council imposes charges in respect of the garbage collection service for Tennant Creek, Elliott, Newcastle Waters, and allotments in the communities and surrounding living areas of Ali Curung, Alpurrurulam, Ampilatwatja, Arlparra and Wutunugurra.

Where a business uses a waste management facility operated by the Regional Council and/or receives waste collection services from the Regional Council, waste charges will apply.

(a) Each allotment in Tennant Creek, Elliott and Newcastle Waters:

Where a waste collection service is provided using a 240 litre capacity receptacle, or where Council is willing and able to provide:

- each weekly kerbside service \$ 375.28 per annum
- each additional weekly kerbside service \$ 375.28 per annum
- each daily kerbside service \$ 1,086.49 per annum

(b) Each allotment in the communities and surrounding living areas of Ali Curung, Alpurrurulam, Ampilatwatja, Arlparra and Wutunugurra:

Where a waste collection service is provided using a 240 litre capacity receptacle, or where Council is willing and able to provide:

- each weekly kerbside service \$ 1,086.49 per annum
- each additional weekly kerbside service \$ 487.24 per annum

The amount the Council proposes to raise by way of waste management charges is \$932,674.

## PENALTY FOR LATE PAYMENT

Pursuant to Section 162 of the Local Government Act NT 2008, Council determines that the relevant interest

rate which accrues on overdue rates will be 10 percent per annum.

## RATES CONCESSIONS

It is acknowledged that some individual ratepayers may experience difficulties adhering to the rating policy. Consideration will be given to granting a rate concession (that is, a reduced or deferred payment) in instances of financial hardship, to correct anomalies in the rating system or where there is some public benefit.

Ratepayers may seek consideration of their rates through application under the Rates Exemption and Concession Policy. Information is available on the website.

## SOCIAL AND ECONOMIC IMPACTS OF RATING POLICY

The Council's current income is derived from four basic sources:

- Income from rates and statutory charges;
- Local Government Operational Grants;
- Grants provided by other Agencies to undertake specific funded programs (such as Aged Care);
- and
- Commercial income which is generated from commercially let contracts.

In determining the rating regime for this year, the Council has considered a number of factors, including:

- The Council's statutory and legislative obligations;
- The service level expectations of the communities, residents and ratepayers;
- The funding environment and the overall reduction in income from grant and own source income;
- The asset management and asset renewal obligations of the Council;
- The Council's priorities with regards to local employment and maintenance of community based employment and training opportunities;
- How current and future rating practices will impact on the Council's financial sustainability;
- How existing services (particularly waste management and animal management) can be funded from existing revenue sources; and
- The impact of the leasing arrangements for Aboriginal owned land on the Council's existing budget.

In determining the rating regime for 2019/2020, the Council has considered its sources of "own source income" as discussed in the "Analysis of Budget".

**THE REGIONAL COUNCIL'S PROPOSED REGIONAL PLAN**

<b>ITEM NUMBER</b>	11.2
<b>TITLE</b>	Public Consultation: Draft Budget - 30 June 2021
<b>REFERENCE</b>	298172
<b>AUTHOR</b>	Gary Pemberton, Finance Manager

**RECOMMENDATION****That the Authority:**

- a) **Receive and note the Draft 2020-2021 Barkly Regional Council Budget in accordance with the *Local Government Act*.**

**SUMMARY:**

The Draft 2020-2021 Regional Council Plan incorporating the Draft 2020-2021 Barkly Regional Council Budget is required to be presented to Local Authorities for their input and comment. Council is then required to consider submissions (if any) and make revisions to the Budget and Regional Council Plan, as appropriate, before finalising the plan.

Section 127 of the *Local Government Act* states that:

**Annual budgets**

- (1) A council must prepare a budget for each financial year.
- (2) The budget for a particular financial year must:
  - (a) outline:
    - (i) the council's objectives for the relevant financial year; and
    - (ii) the measures the council proposes to take, during the financial year, towards achieving those objectives; and
    - (iii) the indicators the council intends to use as a means of assessing its efficiency in achieving its objectives; and
  - (b) contain estimates of revenue and expenditure for the financial year (differentiating between operating and capital expenditure); and
  - (c) state the amount to be allocated to the development and maintenance of each class of infrastructure for the financial year; and
  - (d) state the amount the council proposes to raise by way of rates, and set out the rates structure, for the financial year; and
  - (e) contain an assessment of the social and economic effects of its rating policies; and
  - (f) state the allowances for members of the council for the financial year and the amount budgeted to cover payment of those allowances; and
  - (g) contain any other information required by any guidelines that the Minister may make.
- (3) Subject to the regulations, a council must not budget for a deficit.

## BACKGROUND

### 1. Executive Summary

Council is projecting an operating deficit of \$1.796 million and total comprehensive income of \$2.463 million after budgeting for \$4.259 million in direct grant funding for capital additions. Council operations are projected to be cash-flow positive with a \$1.64 million contribution cash reserves. With a net cash contribution of \$5.757 million to investment in capital programs, Council's overall cash reserves are budgeted to reduce by \$4.117 million during the budget year.

It is proposed that \$10.016 million be expended to renew, upgrade or replace aging plant, Information Technology equipment, infrastructure and buildings. Grant funding totaling \$4.259 million has been secured for major projects during the year. Local Authorities have been budgeted to contribute a further \$1.864 million to capital projects and Councils' own cash resources \$1.399 million. The remaining capital spend comes from Capital grant funded projects carried forward from the 2019-2020 financial year.

### 2. Budget Assumptions and Methodologies

At the Ordinary Council meeting held on 23 February 2018 the Council endorsed the Budget Policy CP000002, which established the operational framework and process for preparation of the 2018/19 Regional Council Plan.

The 2019-2020 budget was developed using the following steps:

- 2.1. Establishment of Council service objectives and acceptable service levels in accordance with Councils Regional Planning framework**
- 2.2. Finalisation of organisation structure and calculation of total salaries and wages expenditure**

Council's organisation structure was reviewed and confirmed with the Executive, Area Managers and other Budget Holders based on required service levels for the 2019-2020 financial year. Both long service leave and annual leave accruals have been included to ensure full costing of services.

Salaries and wages are budgeted at full employment at 46 weeks work and the accrual of 6 weeks annual leave. This does require vacancies for leave to be covered using current staffing levels.

An initial 2 percent salary and wage increase at 1 July 2019, and a further rise of 2 percent at 1 November 2019 is included in the budget, consistent with the 2019 draft Enterprise Bargaining Agreement ("EBA"). The EBA is currently subject to negotiation and endorsement.

#### **2.3. Determination of grant funds**

With a large number of funding arrangements due for renegotiation, the majority of ongoing funding has been budgeted at current levels with a no increase, unless information has been received to the contrary.

## 2.4. Calculation of service costs and allocation of costs through established cost drivers

Compared to previous years indirect costs (not overheads or administration) will be calculated and allocated to their relevant programs utilising a more robust system of direct allocation and internal charging to establish a baseline for the true cost of Council service provision. The table following details information as to how the costs have been allocated.

Internal Cost Item	Calculation of Cost	Cost Driver for allocation	Weakness
Staff Housing	Utilities, maintenance, rent, depreciation, offsetting staff contributions	Direct allocation of costs to staff actually in staff housing.	Depreciation estimate only. Allocated across all salaries and wages irrelevant of whether staff are actually in staff housing.
Technology	Phone, internet, IT salaries and wages, councilbiz etc, depreciation. Total cost of IT department.	Direct allocation of costs.	Assumptions on who has/should have PC/laptop. Many positions may have a phone only and are allocated no cost.
Motor vehicle	Running costs including fuel, depreciation, mechanics workshop	Direct allocation of costs on an identified vehicle basis. Internal allocation to cost centres on a cost recovery basis.	Communication of change of use of vehicles. Administratively intensive process.
Plant	Running costs including fuel, depreciation, mechanics workshop	Direct allocation of costs on an identified vehicle basis. Internal allocation to cost centres on a cost recovery basis.	Communication of plant utilisation. Administratively intensive process.
Building	Utilities, maintenance, rent, depreciation, waste levy	Direct allocation of costs on an identified building basis. Internal allocation to cost centres on a cost recovery basis.	Administratively intensive process.
Training	Total cost of learning and development department	Salaries and wages	
Grant Admin Fee	Set percentage as per grant agreement, or 15% when not stipulated.	Grant income	Inconsistent across grant agreements.

## 2.5. Calculation of remaining costs.

Overhead areas costs were calculated by providing costs for committed contracts and then determining remaining minor expenditure items based on the current 2019-2020 spend together with implementation of cost savings initiatives across Council operations.

Grant funded program costs were based on remaining grant funds as well as minimum operating and service provision levels.

## 2.6. Establishment of a Capital Projects Budget and sources of funding for the Capital Budget

## 2.7. Determination of a Baseline rates and charges levy.

## 2.8. Drafting of the Budget so as to comply with the Local Government Act

# 3. Analysis of Budgeted Financial Statements

This analysis provides information from a whole of council perspective.

## 3.1. Budgeted Statement of Comprehensive Income

### 3.1.1. Rates

Actual – April	Original Budget		Draft Budget
2020	2020		2021
\$'000	\$'000		\$'000
3,875	3,666		3,888

The budget has also applied a “No” increase in general rates and charges.

The budget has also applied a “No” increase on its fixed garbage charge. Council is currently under pressure to improve its landfill sites, however does not have the ability to pay for such improvements without significant funding inputs from higher levels of government.

### 3.1.2. User Charges

Actual - April	Original Budget		Draft Budget
2020	2020		2021
\$'000	\$'000		\$'000
676	1,126		920

The actual reduction in client numbers across all facets of Council's Community Aged Care services has been reflected in the budgeted numbers for the coming year.

**3.1.5. Employee Costs**

Actual - April	Original Budget		Draft Budget
2020	2020		2021
\$'000	\$'000		\$'000
11,593	14,554		16,048

Salaries and wages are only included at 46 weeks and accrue 6 weeks annual leave. This does require leave to be covered using current staffing levels. In non-grant funded activities this creates a true saving however within grant funded activities this usually leads to unexpended grants only, which eventually need to be expended or paid back.

**3.1.6. Materials, Contracts and Other Expenses**

Actual - April	Original Budget		Draft Budget
2020	2020		2021
\$'000	\$'000		\$'000
8,553	6,478		7,954

Materials, contracts and other expenses were determined by

- estimating costs on current committed contracts,
- 2020-2021 forecasted spend of major expense items including fuel and utilities
- estimating spending on grant funded operations based upon historical data and contractual commitments in regard to required service levels.

**3.1.7. Depreciation**

Actual - April	Original Budget		Draft Budget
2020	2020		2021
\$'000	\$'000		\$'000
2,632	3,037		3,201

**3.1.8. Operating Surplus/(Deficit)**

Actual - April	Original Budget		Draft Budget
2020	2020		2020
\$'000	\$'000		\$'000
(343)	(2,565)		(1,796)

The budget is anticipating an operating deficit of \$1.796 million, a \$800 thousand better position over the previous budget year as a result of increased untied grant funding levels.

Council has been unable to recoup the full cost of necessary wages and salaries increases from ratepayers. Moving forward as Council moves towards a position of maintaining capital assets at an adequate level, a level of

sustainable operational cost neutrality can be achieved, whereby 100% of depreciation can be funded and a balanced budget presented.

### 3.2. Budgeted Cash Flow Statement

#### 3.2.1. Cash Balance and Movement

The budget anticipates a decrease in Council's cash position of \$4.117 million. This is as a result of the allocation of funding to additional asset renewals and replacement, as council continues to struggle with old plant, vehicles, IT and buildings.

#### 3.2.2. Expenditure on renewal/replacement of assets.

The following allowances have been included within the budget for capital replacement

Capital Item	Amount	Grant Funded
Motor Vehicle Replacement	240,000	No
Plant Replacement	439,000	No
Council Buildings	110,000	No
Footpaths	100,000	No
Landfills	330,000	No
Funded Infrastructure	8,606,943	Yes

### 3.3. Analysis of Budget by Program

#### 3.4.1 Core Council Business

Area	Expenditure (after adjustment for internal charges)	Percentage of Total Expenditure
Corporate Overheads	5,664,111	30%
Community Services	1,280,204	6%
Area Management and Operations	3,837,895	20%
Municipal Services	\$8,410,942	44%
TOTAL	\$19,193,152	100%

Area	Core Funding	Percentage of Total Core Funding
Financial Assistance Grants	\$6,144,284	50%
General Rates and Kerbside Collection	\$3,887,795	32%
Roads Funding	\$988,090	8%
	\$968,000	8%
Environmental Health Funding	\$102,130	1%
Library Services	\$188,935	1%
TOTAL	\$12,279,234	100%

### 3.4.2 Council and Local Authorities

Expenditure (after adjustment for internal charges)	Percentage of Total Expenditure
\$683,136	2.3%

Council has budgeted to maintain its commitment to community engagement and participation at a Council and Local Authority level. Full participation at monthly Council and Local Authority meetings at the maximum rates allowable under the applicable legislation are provided for.

### 3.5. Grant Funded Activities - Community Services

Grant funded operations have been budgeted for on the basis of the provision of the maximum level of service within the constraints of funding levels available, ensuring that non-core activities are fully revenue neutral and do not represent a financial burden to Council's Core functions.

#### 3.5.1. Safe House

Income	Expenses	Internal Charges	Total Expenses & Internal Charges	Surplus/(Deficit)
\$387,208	\$324,458	\$62,750	\$387,208	-

#### 3.5.2. Youth Services

Income	Expenses	Internal Charges	Total Expenses & Internal Charges	Surplus/(Deficit)
\$2,069,434	\$1,805,759	\$263,675	\$2,069,434	-

#### 3.5.3. Night Patrol

Income	Expenses	Internal Charges	Total Expenses & Internal Charges	Surplus/(Deficit)
\$2,418,991	\$2,172,696	\$246,295	\$2,418,991	-

### 3.6 Additional Information

An analysis of expenditure by Local Authority Area is to be tabled as an Attachment to this report.

**ORGANISATIONAL RISK ASSESSMENT**

Nil

**BUDGET IMPLICATION**

This is the analysis of the Draft 2020-2021 Barkly Regional Council Budget.

**ISSUE/OPTIONS/CONSEQUENCES**Options

The Council may direct the staff to make changes to the Regional Council Plan as required.

The Council must adopt the Regional Council Plan and budget on or before 31 July 2017 in accordance with the *Local Government Act*. If the Council is not satisfied with the contents of the Regional Council Plan and budget, it can seek an extension to this time with the Minister for Local Government.

Relevant Legislation

Section 24 of the *Local Government Act* deals with the annual review of the Regional Council Plan. Revisions must be adopted between 1 April and 31 July each year and a copy forwarded to the Department of Local Government and Community Services.

Section 128 of the *Local Government Act* states that the Council must adopt a budget on or before 31 July of each financial year.

**CONSULTATION & TIMING**

The Draft 2019-2020 Barkly Regional Council Regional Plan & Budget will be made accessible on the Council's website and available at Council's offices on Friday, 5 June 2020 and will be open for public consultation for a period of 21 days. The availability of the document for public consultation will be advertised in the Tennant Creek Times on Friday 5 June 2020.
