SUMMARY:**JANUARY 2021**

Happy New Year to all our Councillors and LA members in the Barkly Region.

All communities and towns in the Barkly Region had good rainfall through the start of January and all our staff are now flat-out keeping up with the grass that is growing quicker than they can mow it.

Elliott,

Before Christmas, we conducted interviews and we have successfully recruited a new Area Manager for Elliott. Mr Ray Hocking joined our team on the 4th of January and has hit the ground running, managing to repair the water park on his first day in the position with staff assistance of course. Ray has come to Council with a wealth of knowledge from working on Communities with both Central Desert Council and East Arnhem Council. Please join with me in welcoming Ray into the Council family.

Alpurrurulam,

Even though they have been rained in for over a month, our staff in Alpurrurulam continue to work hard patching roads and mowing the fast growing grass. They are doing this with a reduced workforce as some of our staff have been stranded in Mount Isa and are waiting for the water to subside so they can return to work.

Ampilatawatja,

Bob and Tracey are back from a well-earned break and straight back in the swing of things. Ampilatawatja has also been lacking in staff this is due to the Christmas Holidays. The staff that are available have been mowing and will be going up to Arlparra to help clear sand from the river crossings that has built up when the Sandover flooded, this will be done as part of our roads maintenance contract that we have in that region.

Ali Curung

Our team at Ali Curung have been facing the same issues, around long grass and lack of staff. They have also suffered a number of break-ins at the respite centre with local kids looking for food over the Christmas break. On the upside, Ali Curung was the only community to have a Local Authority this month. It was well attended by members and service providers. The team at Ali Curung also got some great feedback this month about the works they have been doing at the cemetery and about how good Ali Curung is looking at the moment. So great work to our team out there..

Wutunugurra

Our Community Coordinator has been very busy over the last month, as he has been covering a lot of the work on his own. His admin staff are on leave and his municipal staff are involved in the ceremony that is currently underway. We are doing our best to support him with myself and Tim Hema travelling out weekly to provide assistance during this period.

Tennant Creek Depot

The team continue to do a great job around Tennant with the roads crew doing some pothole patching during the last month and the whole team working at Hilda Street Park to complete our contract getting the park equipment in place and trees planted. They have also been busy getting all the other core business completed.

Overall it has been a busy start to 2021.

ITEM NUMBER 10.1
TITLE Council Report- January 2020
REFERENCE 311110
AUTHOR Makhaim Brandon, Administration Officer

RECOMMENDATION**That the Authority**

- a) Receive and note the report

SUMMARY:

This Report is a summary of Council meeting for January 2021.

BACKGROUND

The January Council meeting went well, with some councillors travelling to Tennant Creek and other phoning in.

Council approved several tenders at the meeting. The Tennant Creek Cemetery chapel tender was approved, and so were the tenders for a Backhoe Loader, a 4.5 tonne tipper, and 6 tonne single cab tipper. This is good work from the infrastructure department, and it's great to see projects moving forward within Council. '

Earlier in January, a special meeting was conducted to select the winners for the Australia day awards! It was great to see nominees in each category. Congratulations to all the winners and nominees! We encourage you to get the word out when the nominations come out again later this year, so that we can get a lot more nominations and give deserving citizens the recognition they deserve!

Council also endorsed the allocation of funds for the following projects:

Arlparra Local Authority funds to purchase 4 picnic tables based upon the quotation provided by DNA Steel Direct being the preferred quotation received;

Elliott Local Authority funds to purchase and installation of shade sails over the ANZAC memorial area based upon the quotation provided by Harvey Development being the preferred quotation received.
