RECOMMENDATION

SUMMARY:

OPERATIONS DIRECTOR REPORT

March has been the closest we have come in a long time to having all the LA's meeting in one month. Five of our LA's had quorum with Ali Curung being the only one to miss out. All the other meetings were well represented and had some good discussion around the Regional Deal and the working groups that go along with it. I attended three LA's this month at Arlparra, Ampilitawatja and Elliot. Gina and Elai attended the other three.

I would like to mention the great effort that is put in by our Library lady in Elliott. The LA members were very happy to see that the stats between Tennant Creek Library and the Elliott Library were very similar. LA members commented on what a great service our staff provide in the Elliott Library. So well done.

It was also good to see Arlparra reach quorum and they also managed to ask for the allocation of over \$96000.00 to put a roof over the playground next to the sport and recreation centre. Great to see this LA back functioning and spending money.

It has been great to see the rain through the Barkly. This has put all the Municipal staff both on community and Tennant Creek into full speed mowing trying to catch up with the speed of the grass growth. In between all the mowing the Tennant Creek staff have been able to spend some extra time at Lake Mary Ann to put the pontoon back in place for all the local people who want to swim at the lake, which is now at full capacity.

As everyone would know we have stopped all non-essential travel to communities. As we have explained to all staff this is a precautionary measure that most service providers are taking. Be assured that we will make sure all the essential services like rubbish, aged care and the ESO will still function.

Sorry I won't be at this council meeting in person as I have had to go with my son to Alice for a doctor's appointment. Looking forward to seeing you all soon.

AREA MANAGER REPORT – ELLIOTT

Month March 2020

GENERAL:

- Elliott Local Authority Meeting held.
- Visit from Centrelink Remote Team for 3 days.
- Shade Structure over the Water Park has started, we are still waiting for the shade to be installed.
- Demolishment of derelict buildings have started at Crawford st, Lewis st and Stuart Highway – this project was on hold to fix the football oval.
- The Depot staff have been trying to keep on top of the grass around town since the rain; it is growing faster than we can keep up. I am awaiting a reply from DIPL to slash all crown land in Elliott.

HIGHLIGHTS:

- Airstrip Structure now has the table and chairs installed this project is finally completed
- The safe house now has a seating area installed, this will give the Ladies a nice area to sit outside and enjoy the shaded area.
- An Elliott Community Notice Board Face book page has been created. If any service providers wish to place an advert on this page please send to Annette or myself, this site has restrictions so only admin can post and no comments can be written it is simply to advertise events in Elliott, at present it is mainly focused on the Coronavirus, a big Thankyou to Annette for driving this page.

ISSUES:

- The Coronavirus is a major concern for all Elliott residents as it is everywhere. Elliott Service Centre has been working closely with the Elliott Police and other stakeholders, to make the community as safe as possible. The Elliott Community Notice Board Face Book page has official updates and information posted as new information comes through from the official website or Barkly Regional Council daily. Signs have gone up restring visitors to certain areas in Elliott, social distancing signs have been placed around the community, wash your hands posters along with other information are placed around the community as it comes in.
- The employment of more staff has been put on hold until the Coronavirus has stabilised and we can go back to fully functioning team.
- Accommodation is an ongoing big issue for visiting staff, trainers and trades people; we have to hold off on jobs/training for Barkly Regional Council, as we do not have any accommodation to put them up.

Aged Care March 2020 Report

Maintenance

We are still waiting for the cameras to be put on the mobile phones hopefully Grant will be able to do this soon. One Camera needs to be moved as it is obstructed by the pergola. The lug nut was fixed when the ute had an inspection in Elliott. Air conditioners need to be serviced. NT housing came to do an inspection to check whether we need any maintenance.

Administration

All paper work is up to date. All ticksheets are sent to tenant creek on Fridays along with the temperature sheets and workplace inspections and Vehicle inspections. Simon is going through all paperwork and making sure it is correct and up to date as there was a letter saying a quality assurance inspection will be happening sometime this year, not sure when due to COVID -19.

Aged Care

All services are being delivered. The oldies are happy we get more time with them. We are continuing to clean houses. Earlier in the month a physio and OT came to see clients and assess clients to go onto higher packages and access more services. Roger central desert training came to train the girls and also helped trained them in COVID 19 how to recognise and to try to stop the spread. Simon went to Tennant creek to do a mental health first aid course. Simon finished the fox course and got his Cert 4 in community care. Aged care has received 2 workers from sport and rec to help out while sport and rec is closed this has enabled us to go and do more with the oldies like cleaning and we have been out to get bush medicine. The workers are making sure everything is cleaned and washed and sanitized daily to make sure everyone is kept safe. We are trying to minimise the visitors to aged care to protect the oldies.

The Good

More Drivers means Simon can spend more time in office and with the oldies.

Finishing the Cert 4.

More Allied health professionals coming to visit.

Steps Training

Natsiflex program should be beneficial for everyone.

Sport and rec workers coming to help

The Bad

Still have some trouble getting staff to work on Fridays.

Wishlist

Furnishings for pergola table chairs.

Help to make a fire pit so the oldies can sit round fire and talk or cook food (bush Tucker)

A ramp for the bus

More craft supplies

ELLIOT SPORT AND REC MONTHLY REPORT MARCH

Overview

Sport and Rec workers and volunteers completed the move of equipment from the store room to the shipping container. The music equipment was set up and we are looking at having an opening celebration of the new music room at some point in the future. We also welcomed our music program worker to the team.

The Team Leader was away 9-13th March.

This month Sport and Rec did trips to Marlinja and Longreach to see the water, and also collected some bush bananas.

Sport and Rec held their first Spelling Bee Competition. The idea for this came from two children while we were doing spelling games during the drive home. This great idea was supported by staff and may become a regular event.

Two Sport and Rec staff participated in LLN training to continue work toward their Certificate 2 in Sport and Rec, and also did driving lessons.

Coronavirus and Government imposed restrictions have impacted Sport and Rec in many ways this month:

- Early return of boarding school students who came and enjoyed basketball at Sport and Rec.
- We have had to delay visits from Travelling Film Festival and Cricket NT who were both due in Elliott in April.
- Closure of the gym room
- Closure of Sport and Rec. Prior to closure Sport and Rec staff had been doing health sessions with the children around hand washing, coughing into crook of elbow, stay home if sick, and social distancing.
- Re-deployment of Sport and Rec staff. They have moved into other programs including Aged Care and Depot.
- Closure of the playground and skate ramp.

Highlights and Challenges

Highlights were trips to Marlinja and Longreach, and the introduction of spelling bee competitions.

Unfortunately since the closure of Sport and Rec there has been graffiti on outdoor tables, walls, and doors. This has mostly been children writing their names. The

team leader was able to speak to 8 out of 10 of the children, and four parents were also spoken to and shown photos of the graffiti.

Prior to closure, the mozzies and flies were becoming problematic.

Sport and Rec has still been without internet.

31st March 2020

Dear Community Advisory Board

I write regarding further advice from the National Indigenous Australians Agency (NIAA) on temporary arrangements for the delivery of CDP services to apply from today 30 March 2020, to help combat the spread of the COVID-19 virus and manage the threat in remote communities. I have attached a copy for your information.

As are aware, Work for the Dole and other activities delivered in group settings have already been suspended. The NIAA has now determined that:

- *CDP Participants are not required to attend appointments and activities Hosted activities and work experience activities*
- **CDP Providers must cease all face-to-face servicing**
- *All services and appointments should now be delivered over the phone, online, through videoconference or other arrangements that do not require face-to-face contact. This includes income generating activities, hosted placements, and community projects.*
- **Only in exceptional circumstances, should a job seeker or participant receive face-to-face services.**
- *The NIAA will work with CDP providers to identify what exceptional circumstances may require you to provide face-to-face servicing.*

Commencing today, we will be:

- Contacting all organisations with CDP job seekers in a hosted placement and inform them of the requirement to suspend all job seeker placements effective immediately.
- Contacting all job seekers to advise them that to meet health and safety requirements, until further notice **we are not able to provide face-to-face services**, except in exceptional circumstances and in accordance with the advice of health authorities. We will offer servicing over the phone or online where practical.
- Continuing to reassure CDP participants that they will still receive income support and that no penalties will be applied if they do not attend activities or appointments.
- Reminding participants, they are still required to report their income and hours worked to Centrelink.

Importantly, as I have previously advised:

- While the new arrangements will mean we have to make some changes to how we support our clients and the community, please be assured that Rise-Ngurratjuta will remain open for business.
- We will maintain ongoing employment for our staff by working flexibly and safely so that we are fully prepared to recommence full-service delivery as soon as it safe to do so.
- We will strive to maintain ongoing connections with our job seekers, and we will continue to play an important role in the day-to-day life of remote communities, including through being innovative and resourceful to find ways to support the health and well-being of our clients and the community.
- Over the coming weeks and months, we will continue to engage with the community, particularly through our Community Advisory Board, to hear your views about what we can do to continue to take a leadership role in building community capacity and resilience.

We will take a consultative and considered approach to managing through this pandemic and I look forward to continuing to work with you to get the best possible outcomes for community.

Signed
