

BARKLY REGIONAL COUNCIL

OUR VISION

We strive to be responsive, progressive, sustainable council which respects, listens and empowers the people to be strong.

The Way We Will Work

We will make it happen!

We will be engaged and have regular opportunities to listen.

We will have strong policy and budgets to ensure our programs and services are progressive and sustainable.

Respect is shown in everything we do and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.

We are a responsible Council.

We will be a responsive Council.

We want to empower local decision making.

We want to ensure that our services are sustainable and that our region has a standard consistent level of services.

We want to be able to sustain our environment – our communities, our physical places, our people and our organisational culture.

We will aggressively pursue additional funding from both levels of government to improve the standard of living of people across the region.

We need to be realistic, transparent and accountable.

AGENDA

ALPURRURULAM LOCAL AUTHORITY MEETING

WEDNESDAY, 5 SEPTEMBER 2018

The Alpurrrulam Local Authority will be held in Alpurrrulam on Wednesday, 5 September 2018 at 11.00am.

Steven Moore
Chief Executive Officer

AREA MANAGER REPORT – Alpururulam

Month – August 2018

VISITORS TO ALPURRURULAM:

- Health (Doctor)
- Health (Podiatrist & Physio)
- Lavery Plumbing (Housing Maintenance)
- Dexter Barnes (Housing Maintenance)
- Health (Kids Dental)
- Kailis Kerr – Central Desert Training (LLNP)
- Australian Bureau of Statistics
- Centrelink Remote Team
- Territory Housing

GENERAL:

- The Service Delivery Centre is doing well; our Customer Service Officer as completed her training with Centrelink to become an Agent so she will now be able to assist clients who come to our centre.
- The Municipal Team have continued providing services to the community; this covers Rubbish Collection, Mowing around Community & Council Facilities. All road repairs have ceased until more road base arrives. Stock has been ordered & should be out here very soon so pot hole repairs can continue.
- The position for Municipal Supervisor has been advertised & interviews have been held on Friday 17th August 18. We should know who the successful applicant will be very soon. The Municipal Worker Position has been advertised & interviews have taken place. The successful candidate has commenced fulltime employment with our Municipal Team. We also advertised for Sports & Rec Workers, two had applied & positions have been filled. Waiting on Criminal History Checks clearance before they can actually commence work.
- Rainbow Gateway through our host agreement continues providing us with CDP Participants to work in the following areas; Municipal works 2 participant attend for 5 hours a day Monday to Friday, Aged/Community Care 1 participants 5 hours a day Monday to Friday. No one has been interested in working in Reception with CDP at this stage.
- Rental Accommodation – Lot 13A & B have had new bathrooms installed.

Barkly Regional Council – Alpururulam Area Manager Report August 2018

HIGHLIGHTS:

- With the team from the Tennant Creek Depot who brought out the Prime Mover & Manitou; we have so far removed over 130 vehicles out of the community living area & relocated them at the car grave yard at the rubbish tip. We were not able to remove as many as we would of like due to community members not in community to seek permission to remove.

ISSUES:

Still waiting on computers from IT (2 in total) we have had 1 computer returned so were able to give Cr. Mahoney her computer back.

We are still waiting to receive the new Main network printer in office. So at this stage we are unable to provide a printing service to the community when a funeral is on.

After the Rodeo we struggled to get all staff back to work on Monday. I was lucky enough to have 4 staff members in total that assisted me in the Office, ensuring the Rubbish run was done & Essential Services were looked after. This effected all departments including Aged Care as meals were not provided on this day for the clients; however we did make it up to them the day after when most of the staff returned from the Rodeo.

There were no kids in the community to be able to run our Sports & Rec program, so the Sports & Rec Team Leader assisted me in the office to ensure people still had access to the postal services & Centrelink self service systems. The Team Leader also did some research on new equipment for the program & other projects.

CORE BUSINESS and PROGRAMS (n/a if Program not run in community) As much detail as is necessary for the Directors – this section does not go to Council unless the Director decides something should

ADMINISTRATION	Only 1 Sorry Day this month that effected services.
DEPOT	Removal of Vehicles in the community has commenced.
ESSENTIAL SERVICES	ESO has completed his First Aid Training
SPORT & REC	See Attached Report
AGED CARE	See Attached Report
NIGHT PATROL	See Attached Report
AREA MANAGERS TRAVEL	No business travel done

ALPURRURULAM YOUTH SPORT AND RECREATION**AUGUST MONTHLY REPORT 2018****Highlights**

Corrugated Iron Youth Arts visit dates have been finalised for the month of September, the visit will occur in the second week of September from Thursday 13th – Saturday 22nd of September. In preparation for this exciting program posters have been placed at the Council Office, Health Clinic, Rainbow Gateway, Alpurrurulam Primary School and Aged Care, and also at various other location around the community. Corrugated Iron Youth Arts will be presenting a skills and youth arts program culminating in a final performance which will be presented to the community at a BBQ on Friday 21st of September at the Shiney Shed.

The Youth Sports and Recreation Staff also want to recognise students achievements and participation each month, so a set of sports awards and Art and craft awards have been developed. Mr Gary Coppes from the Warte Community Store Alpurrurulam has agreed to sponsor these awards. The first award ceremony will be held at the Alpurrurulam Primary School on Friday 31.08.2018 during the schools weekly assembly.

Youth, Sports and Recreational Sessions during the month of August have included some new sports. Children have been introduced to Kanga cricket, modified softball (rounders), modified volleyball (Newcombe ball) and Dodgeball. The Children have enjoyed these modified games as they enable all ages to participate together as the equipment is made for any age group e.g. the volleyballs are made of a soft material (soft touch material) and the game of newcombe ball requires that children catch the ball instead of hit it with their hands and forearms.

PROBLEMS ENCOUNTERED DURING THE MONTH OF AUGUST.

At the beginning of the month some social unrest related to alcohol in the community had an impact on the health and wellbeing of the children, a lack of sleep meant that attendance levels were too low to run an effective youth sports and recreation program. Only two days were affected.

Rodeo Week in Mt Isa meant that the youth sport and recreation program was unable to function normally as the number of children in community was very low. A fluid and flexible program had to be implemented.

Art and Craft sessions this month have not occurred as the Community centre is undergoing repairs and renovations. Art and Craft sessions will recommence once the Community centre work is completed.

FUTURE PLANS

NDIS

Children with a disability who attend youth, sport and recreation programs are having their hours recorded each week and this information is being used for monthly reporting purposes.

A new initiative commencing 21.08.2018 at the Community Centre is cooking for young adults. This will run each week on a Tuesday from 10-12, Cooking skills e.g. simple snacks preparation and easy to prepare hot meals will be the focus of this program along with the social benefits of this type of program. The first session went well with two participants attending. Hot pancakes were made on the BBQ and enjoyed by all who attended.

September 13-22 2018 Corrugated Iron Youth Arts Visit

Alpurrurulam Youth Sport and Recreation Policy Documents

A sports code of conduct for Youth, Sport and Recreation activities is currently being developed. Also a Staff Roster and Venue spreadsheet has been developed to allocate staff to activity sessions and venues.

Administrative Records

A Childrens Profile folder is being developed so that Sports and Recreation staff have a portfolio of students work. This will enable children's art and craft to be easily displayed at the community centre for parents to view periodically. The photos below are a sample of some of the activities that the children enjoy under the supervision of the Sport and Recreation staff. Photographs such as these could be placed in the relevant children's portfolios to represent the activities that the children have participated in.

Report prepared by:

David Clucas|Youth Sports and Recreation Team Leader

Local Authority report

Alpurrurulam Community Care Centre

August 2018

By Community Care Team Leader

This month the focus at Community Care has been on identifying staff interests and strengths and pairing them up with clients' needs. We have been building on the Community Care team members' strengths in order to improve and diversify the service delivery to cater for each client's individual care plan and approved services.

Workplace and facilities:

In addition to the daily transport of clients and meal delivery, this month the Community Care bus was used to transport clients to attend a funeral here in Alpurrurulam as per clients' request. This trial has encouraged us to start planning more off site recreational activities for the clients in liaison with the Community Services Manager. An Activities Risk Assessment Checklist has been reviewed and will be filled once an activity and a suitable time has been locked in. Also, to enable us to organize off site activities and continue to deliver services for remaining clients on community, we have been granted the use of the new Ford Ranger by the Area Manager when it's not being used for Council long distance travel.

The laundry upgrade is well under way, and according to the contractors, it will be functional by the end of this week. The new, improved laundry will give us more storage facilities and make laundry services more functional. In the meantime the Area Manager has organized for washing machines to be set up at a laundry area adjoining the Council Office, which allows us to wash clients' laundry during the construction works.

We are also looking forward to the kitchen upgrade that will commence after the laundry is finished. Kitchen staff have been busy preparing and freezing meals ahead of the kitchen upgrade to make sure there will be no disruptions to meal delivery during that time.

Community Services Manager and Area Manager have also approved of the centre yard improvements initiated by a Community Care team member. We are preparing for the rainy season and have requested road base for the areas of the centre yard that are frequently accessed by vehicles.

In order to communicate Barkly Regional Council policy and WHS regulations to staff, clients and visitors, with the assistance of Acting Area manager, we have set up 'no smoking' signs at the Community Care Centre. Further to this, the Area Manager has also provided us with a First Aid kit for the bus to eliminate a hazard in the daily operations.

The centre continues to experience issues with the internet connection. Daily outages disrupt effective communication and hinder preparation of food orders and reports while Citrix is not operational for hours each day. IT is investigating, but they have not yet come to any conclusion as to what is causing these issues.

Council and training:

Due to the nature of our services, a Mental Health First Aid course for all staff has been requested from Community Services Manager. Coordinator for Learning and Development has been researching options for this training to take place here in Alpururulam and it has tentatively been scheduled for October.

The school has also offered us an opportunity for staff members to participate in First Aid training, delivered in September. We are hoping to secure a place on this course for the team members who have not previously achieved First Aid certificates.

LLN training by Central Desert Training was cancelled for the first week of August and has been rescheduled for this week.

Clientele and community engagement:

We have started organizing more activities at the centre for NDIS clients who previously haven't had adequate services provided for them. As a new project, the existing garden beds have been cleaned and some seeds planted. Hopefully these joint efforts will lead to a community garden for all the clients to enjoy.

The Sports and Recreation Officer has also planned activities tailored for our NDIS clients' interests and this cooperation of two services has had a flying start this month. A support person from Community Care who has been identified with great mentoring skills, is attending these Sports and Recreation activities with the clients.

While HCP and CHSP clients continue to receive meals, transport and social support services, we are working together with Community Services Manager and

Area Manager to provide more house and yard cleaning assistance for approved clients. This has traditionally been a service that has not been adequately provided and needs urgent attention for improvement.

Clients continue to receive assistance with their Centrelink, banking and NT Housing inquiries, and received transport assistance this month to meet with Centrelink and NT Housing representatives at the Council office. We have also been liaising with Rainbow Gateway for NT Housing maintenance requests and about CDP participants contribution to the Community Care.

We continue to have great communication with the clinic, and we have recently contacted them for professional advice on health conditions with specific dietary needs so that we can continue to provide appropriate meals for each client.

Some clients have been visiting Ampilatwatja and other communities this month for cultural reasons, and we have communicated with the Community Care Teams there to make sure clients' meals were catered for.

The State Guardian Officer has visited Alpururulam this month for an NTCAT review, and we continue to communicate with her regularly regarding clients under her guardianship.

Australian Bureau of Statistics visited the Community Care Centre to commence National Aboriginal and Torres Strait Islander Health Surveys.

Day respite table talk:

Clients continue to ask for recreational opportunities outside of Alpururulam. Ideas such as bush trips to collect bush medicine and young trees to be planted at the Community Care centre yard, Wi-fi and an allocated computer for clients' use at the centre to keep them connected with changing times and new technology, and a 'women's shopping trip' to Mount Isa for approved clients have been the hot topics this month.

NIGHT PATROL LOCAL AUTHORITY REPORT

COMMUNITY: ALPURRURULAM

DATE: 29/08/2018

Staff Members

Team Leader: Tennyson Cook
Night Patrol Officer: Dwayne Belia
Night Patrol Officer: Gregory Wilde
Night Patrol Officer: Vacant

NIGHT PATROL LOCAL AUTHORITY REPORT

Hours of Operation: Monday to Friday 6pm – 12pm

Brief:

Night Patrol has been supporting Sport and Rec Program for the last few weeks. Zone Manager was on community Tuesday 28th August and found that the numbers of children has increased with the return of families after the Isa rodeo.

50 children were at the program that night.

Night Patrol attended Certificate III - Night Patrol Operations (Alice Springs)

12th -18th August 2018

Community Meeting held Thursday 26th July – Night Patrol was asked to supply lot numbers of people drinking and gambling.

Gambling – Lot 65

Drinking – lot 44 – Atmyer St

28/07/2018 - Community people walking around the community intoxicated

There is **little to no police presence on community** to date as per last report.

Guiding Principles for Night Patrol

- Deliver culturally appropriate assistance to Indigenous people at risk of either causing harm or being harmed, including children out after dark, intoxicated people, substance abusers, young people, victims of violence and the homeless
- Recognise that all individuals have the right to be safe in the community
- Recognise that the whole community, not solely the Community Night Patrol, has a responsibility to work towards the prevention of anti-social, destructive and illegal behaviours
- Promote the Project and enhance access to social, health and community service through partnerships and relationships with other service providers
- Be ware of and responsive to the community safety needs and priorities of the communities

NIGHT PATROL LOCAL AUTHORITY REPORT

Staffing:

We are currently advertising for 1 x night patrol officer position. This position will be filled by the next LA meeting.

Office:

Nothing to report

Vehicle:

The vehicle was recalled and had minor issues replaced/ fixed while down in Alice Springs while attending training. The night Patrol vehicle can be contacted on channel 40 while moving around the community.

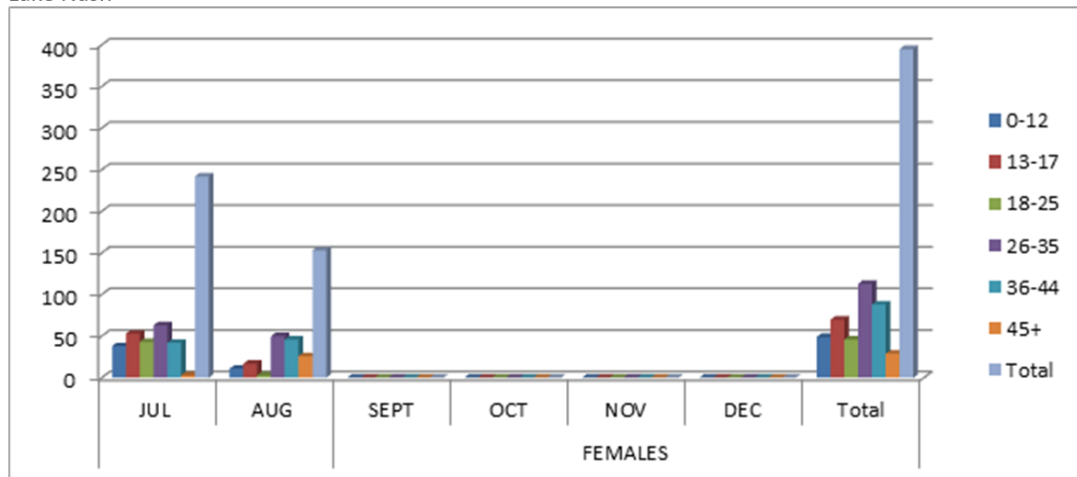

Training:

Cert 111 in Community Night Patrol (ongoing)

Training is currently being held in Alice Springs - Charles Darwin University. Next training dates will be 9th – 15th September 2018.

CEO REPORT ON CURRENT BRC SERVICES IN LA AREA

ITEM NUMBER	6.1
TITLE	CEO Report for Alpurrurulam
REFERENCE	256541
AUTHOR	Troy Koch, Area Manager - Alpurrurulam

RECOMMENDATION**That Council**

- a) **Receive and note the report**

SUMMARY:

- With Mark Parsons on Annual Leave I was offered the opportunity to fill in for him for the time that he was away and willingly accepted the opportunity to work in Tennant Creek during his absence.
- This month I have visited all of our Communities for their respective Local Authority Meetings. We had a quorum in 4 of 6 of our communities, Alpurrurulam, Ali Curung, Elliott and Ampilatwatja. Unfortunately we did not make a quorum in Arlpara and Wutunugurra due to members travelling to and from rodeos and camp drafts.
- I travelled to Elliott and Ali Curung with the Mayor which was a good experience for me and gave me the opportunity to build a good relationship with the Mayor. Due to other commitments the Mayor was unable to attend the other Local Authority meetings.
- It was good to see the other Local Authorities and how they are functioning, which in my opinion was very well and you could see the passion that the LA members have for their communities and their drive to improve their communities, with Barkly Regional Councils support.
- Below is a picture of the recently completed Shade Structure over the playground in Ampilatwatja.

- Whilst we did not achieve a quorum at Wutunugurra due to members being away, the following week we were able to hold a community meeting in regards to the

youth of the community riding motorbikes and Quads through the community and the school. The meeting was exceptionally well attended with more than 50 community members in attendance as well as the Police, School, Health, Epenarra Station and Wetenegerr Shop.

- In the 8 years I have been employed with Barkly Regional Council I have not enjoyed coming to Tennant Creek more than I have this time. This is the first occasion I have been asked to step up into a Senior Position and I believe that bringing staff in from our remote locations as coverage for staff leave is a move in a positive direction for Council. This has afforded me the opportunity to build better relationships with staff in Tennant Creek and develop a greater understanding of Regional operations. To have the opportunity to visit all of our communities, to have discussions with staff in regards to how they achieve their outcomes and compare to how we achieve ours (in Alpurrurulam) was invaluable. The reaction that I got in most communities when visiting was very positive and it was great to catch up and see their support for someone coming from the communities to work in Tennant Creek. I can honestly say that this has been an exceptionally positive experience for me and for the first time in a long time, I believe that the Council is moving forward in a positive and productive manner in all of our Communities. I would like to thank all for making my time in Tennant Creek a pleasant experience.

OTHER BUSINESS

ITEM NUMBER	15.1
TITLE	Food Ladder Community Survey
REFERENCE	256112
AUTHOR	Troy Koch, Area Manager - Alpurrurulam

RECOMMENDATION

That the Authority

- a) Receive and note the report
- b) Submit and entry on behalf of the local Authority

SUMMARY:

Attached is a survey asking questions such as: would you like to grow your own fruits and vegetables locally, would you be interested in learning about how to grow vegies etc?

It's for the Department of Education which is currently in talks with Food Ladder, a not-for-profit organisation.

Food Ladder creates social enterprises to address food security in disadvantaged communities internationally and in remote communities in Australia.

From enhancing school nutrition programs to providing meaningful work for Community Development Program (CDP) participants, Food Ladder works with important existing initiatives already operating in remote communities.
