

BARKLY REGIONAL COUNCIL

OUR VISION

We strive to be responsive, progressive, sustainable council which respects, listens and empowers the people to be strong.

The Way We Will Work

We will make it happen!

We will be engaged and have regular opportunities to listen.

We will have strong policy and budgets to ensure our programs and services are progressive and sustainable.

Respect is shown in everything we do and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.

We are a responsible Council.

We will be a responsive Council.

We want to empower local decision making.

We want to ensure that our services are sustainable and that our region has a standard consistent level of services.

We want to be able to sustain our environment – our communities, our physical places, our people and our organisational culture.

We will aggressively pursue additional funding from both levels of government to improve the standard of living of people across the region.

We need to be realistic, transparent and accountable.

AGENDA TENNANT CREEK LOCAL AUTHORITY TUESDAY, 7 AUGUST 2018

The Tennant Creek Local Authority will be held in Council Chambers on Tuesday, 7 August 2018 at 4:30pm.

Steven Moore
Chief Executive Officer

CEO REPORT ON CURRENT BRC SERVICES IN LA AREA

ITEM NUMBER 7.1
TITLE CEO Update
REFERENCE 255630
AUTHOR Steve Moore, Chief Executive Officer

RECOMMENDATION**That the Authority**

- a) Receive and note the report

SUMMARY:

Council has re-released the EOI for curb side recycling services in Tennant Creek, we hope to attract interest from private business to collect recyclable materials to reduce the amount of waste going into land fill.

The first load of new curb side bins have now been delivered to the municipal depot, in the coming months we will be supplying new bins to residents in Tennant Creek, these will be the only bins Council will empty once they have been distributed. We will offer to remove old unwanted bins at no cost.

Work is progressing on both TC Cemetery and Staunton Street oval, we are finally edging towards the completion of both projects. Once complete we will move onto Eldorado Park and ANZAC Hill projects.

We have re-released the EOI to operate the pool kiosk, council is eager to find a private operator for the kiosk to provide a business opportunity for a local person. Over the past month sales have increased to the point where we may be able to attract an operator.

We continue to work with DILP to get the Purkiss Reserve and Patterson Street projects underway. Tim Blacker from DIPL has been invited to the meeting to update the members on the Hilda Street park project and can also answer questions on these two projects.

We have been awarded a grant to install shade sails over the children's play area at the pool. We are currently finalising quotes prior to awarding the contract for installation. The work should be complete before the warm weather kicks in.

New tip fees are now in place with all household garbage now free for residents of the Barkly. Commercial fees still apply for commercial waste. Barkly Work Camp has continued to clean up illegal dump sites around town and while some dumping continues, the problem has reduced. The next phase of the project will be to catch and prosecute illegal dumpers.

POLICY

TITLE:	Local Authority Operations Policy		
DIVISION:	Corporate Policy		
ADOPTED BY:	Council		
DATE OF ADOPTION:	28 June 2018	DATE OF REVIEW:	June 2021
MOTION NUMBER:	OCCS 142/18		
POLICY NUMBER:	CP000018		
AUTHORISED:	Barkly Regional Council		

THIS POLICY APPLIES TO:

All employees, Elected Members and Ordinary Members of Local Authorities.

SUMMARY

The aim of all policy is for Councillors to provide strategic input into the effective operational framework of the organisation under S.11 of the Local Government Act

This Policy sets out arrangements for the operation and support of Local Authorities. The policy includes meeting frequency, the inaugural meeting, agenda setting, allowances and other arrangements.

OBJECTIVES

To facilitate the effective operation of Local Authorities

BACKGROUND

The Local Government Act and relevant Ministerial Guidelines require the Council to establish and maintain Local Authorities with effect from July 1 2014. To achieve this and to enable the effective operation of local authorities once established, the Council needs to have in place a policy which sets out the operating framework within which the local authorities can work.

POLICY

Administrative Support and Secretariat

That, in accordance with Section 63 of the Local Government Act, meetings of a Local Authority are convened by the CEO, who will determine, in consultation with the Chair of a Local Authority the date, time and venue for meetings and undertake any action necessary or expedient to ensure the efficient conduct of Local Authority meetings.

Frequency of Meetings

That each Local Authority meets every month

Attendance at Meetings by Senior Staff

One of the officers of Executive Leadership Team will attend Local Authority meetings, unless in the CEO's opinion circumstances require attendance by more than one executive officer. If it is not operationally possible for a member of the Executive team to attend the Area Manager will carry out the responsibilities of the Executive team member

Page 1 of 4

POLICY

Inaugural Meeting and the First Meeting in Every Subsequent Financial Year

That at the first meeting of each Local Authority and at the first meeting of each Authority in every subsequent financial year, the following occur:

- Appointment of a Chair Person and Deputy Chair for a term of twelve (12) months;
- Appointment of a Representative on the Employment Selection Advisory Panel and a proxy for a term of 12 months;
- Tabling and consideration of the Council's policy on delegation of powers and functions; and,
- Tabling and explanation of the Code of Conduct and its applicability to Authority Members
- Tabling and explanation of Local Authority Operations Policy, guidelines and induction

Agenda and Minutes

- That the following order of business is adopted for all Local Authority meetings:
 - Appointment of Chair (if required)
 - Apologies
 - Consideration of any items required to be dealt with at the first meeting of each Local Authority and at the first meeting of each Authority in every subsequent financial year
 - Confirmation of Minutes of previous meeting
 - Action items from previous meetings
 - Report from the Mayor (if any)
 - Correspondence or reports from the Council including:
 - The Council's response to issues raised by the Authority
 - The CEO's Report on Council services in the area
 - The CEO's Report on any complaints received concerning service delivery
 - The Financial Report, Local Authority money and Council expenditure against budget
 - Items which the Authority is required to consider on a periodic basis (if appropriate) including:
 - The Council's Annual Report for the previous financial year
 - Any relevant community plan
 - The proposed Council plan and proposed budget priorities for the next financial year
 - The Council Report (after the audit of its financial statements) on actual expenditure within the area against budgeted expenditure
 - Agenda items listed by the Chair or other Member submitted prior to closure of the Agenda including notices of motion (if any)
 - Visitor presentations approved by the Chair (if any)
 - Other Business
- That specific Agenda items be determined by the CEO (or nominee) in consultation with the Chair seven (7) days prior to the meeting; and
- That all Business Papers be accessible to the public

Council consideration of local authority minutes

That minutes of Local Authority meetings received after the Council's Agenda cut-off date be held over until the next Council meeting; and,

That, where the CEO considers this to be appropriate, the minutes of each Local Authority Meeting be accompanied by an Officer's Report providing additional background or an alternative course of action for consideration

POLICY

Employment Selection Advisory Panel

That for the purposes of Section 11 of the Ministerial Guideline 8 – Local Authorities, a managerial position is defined as the position held by a Community Coordinator within the area for which the Local Authority is constituted.

Allowances for Local Authority Members

Allowances for Ordinary Local Authority Members

- Meeting Allowance is payable by direct deposit, in arrears, and within two weeks of the meeting on presentation of the appropriate claim form.
- Any Council employee who is an ordinary member of a local authority and attends a meeting of a Local Authority outside that employee's normal working hours be paid for attendance at the same rate as other Ordinary Members; and
- Any Ordinary Member (other than a Council employee) attending a meeting of the Employment Selection Advisory Panel be paid for attendance at the rate prescribed by the Guidelines for that Member.

Allowances for Ex Officio Local Authority Members

- Meeting and Travel Allowance are payable by direct deposit, in arrears, and within two weeks of the meeting on presentation of the appropriate claim form, with the exception of any accommodation expense which it is necessary to pay in advance.
- Travel Allowance only be paid where the claim is made in writing and submitted within three months of the date in respect of which it is claimed. Claims for reimbursement of travel by vehicle will only be accepted if the distance travelled on each occasion is in excess of 75km. (150 round trip). Claims for accommodation will only be accepted where approval has been granted in advance by the CEO or his or her nominee.

Council Budgets and Financial Reporting

That the CEO be delegated authority to:

- Prepare Council's Budget documents and Financial Reports to achieve compliance with the Guidelines;
- Make preliminary determinations in relation to Local Authority priorities and submissions when recommending a Draft Budget to Council for its consideration
- Undertake the necessary reporting back to a Local Authority once the Council has adopted its Budget in the event that an Authority's proposals have not been included in the Budget.

That Budget proposals be submitted in accordance with Council's budgetary planning schedule for the financial year and annually thereafter for each subsequent financial year.

Delegation

That no delegations to be made to a Local Authority.

LOCAL AUTHORITY FUNDING

Each Local Authority receives Local Authority Project Funding annually from Council. The Local Authority project funding guidelines state:

The funding aims to:

- build stronger communities

BRC Policy – CP000018
Version #1
Review Date: June 2021

LA Operations Policy – 28 June 2018
Uncontrolled if printed
Page 3 of 4

POLICY

- assist community projects as recommended by local authorities
- help local governing bodies and their communities they present to become stronger and self-sustaining
- provide quality community infrastructure that facilitates community activity and integration
- develop local government capacity to provide legitimate representation, effective governance improved service delivery and sustainable development.

What you can use the funding for

The following are examples of how you can use the funding:

- repairs and maintenance of community assets controlled or owned by the council
- acquiring plant and equipment directly related to local government service delivery
- upgrading or enhancing community sporting facilities owned or controlled by Council

If the proposed project relies on pre-conditions (such as the acquisition of a section 19 lease under the *Aboriginal Land Rights (Northern Territory) Act*), then the project should not be undertaken until there is conclusive evidence that the condition will not hinder the progress of the project for which funds have been allocated.

What you can't spend funding on

You can't use funding for any of the following:

- buying vehicles or paying fuel expenses
- paying salaries or cash prizes
- purposes that are not of a local government nature that are relevant to another NT Government department.

Administration and/or project management fees are not to be levied on this grant funding.

RISK MANAGEMENT

In the implementation of the Barkly Regional Council policy development, all Elected Members, employees, Local Authority Members, Council Committee Members, communities and stakeholders are encouraged to communicate any risks they perceive to the Chief Executive Officer.

OTHER BUSINESS

ITEM NUMBER 17.1
TITLE Eldorado Park Concept
REFERENCE 255533
AUTHOR Steve Moore, Chief Executive Officer

RECOMMENDATION

That the Authority

- a) Receive and note the report

SUMMARY:

The attached concept drawing has been provided as a starting point for the redevelopment of Eldorado park. Council plans to carry out a minor upgrade of the facility and would appreciate input from the LA.

As part of the improvements additional lighting will be added to minimise anti-social behaviour.

**OTHER BUSINESS**

ITEM NUMBER 17.3
TITLE Youthlinks update
REFERENCE 255576
AUTHOR Steve Moore, Chief Executive Officer

RECOMMENDATION**That the Authority**

- a) Receive and note the report

SUMMARY:

Youthlinks has been trading 7 days a week over the school holidays with attendance numbers being as high as 120 per night.

With additional funding being received for this year our staff numbers will increase to provide more structured activities for participants. We are currently opening 5 days a week while we agree the new trading hours with the Department of Families.

Youth Patrol is continuing to assist with transporting children home after the evening programs, this is reducing the workload on our staff and is of great help. Our bus is also up and running which is helping with the transportation home at the end of the evening.

We were pleased to have the Prime Minister visit Youthlinks while he was in Tennant Creek, many of the children (and staff) took the opportunity to ask questions and get a 'selfie' with the PM.

We will now provide a monthly update to the LA on our monthly activities and attendance numbers.

ITEM NUMBER 17.4
TITLE Hilda Street Park Proposal
REFERENCE 255622
AUTHOR Steve Moore, Chief Executive Officer

RECOMMENDATION**That the Authority**

- a) Receive and note the report
- b) Identify equipment to be purchased with committed LA funds

SUMMARY:

Tim Blacker is here to answer questions in regards to Hilda Street park

See attached information on Park equipment for consideration. A big thanks to Kathy Burns for gathering the information.

Work has now commenced to clear the new parkland in preparation for installation of reticulation, paths and lighting.

The Department of Lands and Planning have provided a plan of the work they are completing on the park along with a map of the easements running through the park. The LA had previously requested that a 6mx6m structure be built in the middle of the park, on investigation the easements running through the park this may need to be reconsidered.

The design consultant has recommended council consider installing all infrastructure along the pathway on concrete slabs that are planned be installed as part of the park development. This advise is based on the flow of flood water and the number of easements running through the park as per the attached plan. They further advice the proposed concrete slabs along the pathway can be made to fit equipment the LA is funding for the new park.

HILDA STREET PARK EXERCISE EQUIPMENT

On behalf of the TCLA, I (Kathy Burns) have inquired about exercise equipment that can be purchased within the NT.

I contacted Spartan Parks, which is based in Darwin with the following email, along with park map and lot map:

Morning,

I am contacting you on behalf of the Tennant Creek Local Authority, as we are spending funds on one of our parks in Tennant Creek.

The funds are being used to:

- reticulate grounds
- plant trees
- cement footpaths
- put in shading, tables and BBQ's

and we are also wanting to put in some outdoor exercise equipment.

I have attached a basic map of the park.

The exercise equipment would be placed along the footpath and most likely under trees (for shade), as the funds won't stretch to allow for a soft pad under the equipment or a large shade structure above.

At this stage, we are seeking costs of equipment, so that we can decide what pieces we would like in the park. Do you have a digital copy of equipment with prices you could send me please? or if not, a selection of what you would recommend with costs?

Our target is Adults, though we do have high levels of people with disability, so options for a piece of equipment suitable for a person with a disability too.

The whole block is 7800m² but please be aware the northern half is being lit, paved ect to allow for storm water runoff on the other half where the drain is. So the usable space is approximately 3900m². The lot number on the attached plan is 2522".

After a phone conversation with the managing director, Adam he sent through the following email:

I have attached some information for your consideration including visuals we've prepared recently for the Darwin City Council and the NT Government.

We've also just recently been asked to design an all inclusive exercise station for a retirement village located in Adelaide with equipment which would cater for all three user types; able-bodied, disabled, and seniors - to allow their PT's to utilise the equipment or family members during visitation periods. Taking into consideration your available budget, I think this exact set-up could a suitable option for you. Please [click here](#) to view our proposal.

As explained, our equipment contains no moving parts, and relies solely on the transfer of body weight as means of resistance during exercise, just like in cross-fit, which encourages the development of a more functional muscle mass as opposed to equipment with moving parts.

The molecular properties of the steel have been altered through hot-dip galvanisation and zinc treatment during the manufacturing process. This prevents rust even when the surface gets scratched, giving the equipment a much longer lifespan than one made from "marine grade" stainless steel (a level down), which isn't fully rust/corrosion proof (see photos of existing equipment attached).

Regarding the flooring, there are some alternative options to soft fall, like certified bark, or sand which would be cheaper. However, I would be happy to provide you with an accurate quote on getting the soft fall solution and the required underlay in combination with the equipment for your consideration once you're able to confirm if the proposed exercise station (at 140m²) would fit into your available space. Should you wish to make any adjustments to the design, based off the other visuals attached, we'd be happy to do so according to your liking.

I will look forward to hearing your feedback at your soonest convenient time.

Kind regards,
Adam Troyn
Managing Director

PARK PRO BBQ RANGE PRODUCT CATALOGUE 2018

WELCOME

MESSAGE FROM OUR DIRECTORS

The Directors and Staff of PARKQUIP are pleased to be able to offer you our extensive range of Park Pro commercial barbeques for public, parkland and outdoor spaces.

PARKQUIP is a small family run enterprise that has at its heart the goal to serve our customers to our best ability. As an all-Australian company we have built our reputation on personal service. Not only at the point of sale but all the way to delivery.

At PARKQUIP we want to ensure that your investment in a new park BBQ will be seamless from start to finish. We can work with your design and purchasing team to ensure that there are no hassles. With over 30 years of experience building great BBQs you can be assured your purchase will be trouble free and long lasting.

We are specialists in dealing with Government and Body Corporate clients and are happy to discuss with you how we can tailor our processes to meet your needs.

Thank you for giving us the opportunity to serve you. We look forward to talking with you soon to help you choose the best park BBQ for you.

Page 9 of 21

PARK PRO KING PLATE BBQ

The Park Pro King Plate BBQ is suitable for custom brick in and built in barbeque installations or alternatively can be combined with one of our pre-fabricated cabinets for a ready-made option.

Fitted with an automatic timer so the barbeque will switch off after a set period of time, the unit also has a handy green light to indicate the hot plate is operating and a generous stainless steel plate size with a cooking area of 680mm x 590mm.

The Park Pro King Plate BBQ comes in LPG, natural gas or 6KW electric and standard with push-button ignition. Key or coin operated ignition is available as an option.

DETAILS

- > Extra large 304-grade 6mm thick pressed stainless steel hotplate with cooking area of 680mm x 590mm
- > Adjustable automatic timer will switch off after a set period of time (factory set to switch off after 13 minutes)
- > Safe 12v ignition switch with green light to indicate BBQ is operating
- > Available with free push button operation, optional coin operation or key operation
- > Sturdy stainless steel door with lock to hide controls
- > Fully galvanised steel frame for durability and longevity
- > Height of hotplate can be adjusted to suit brickwork
- > Impressive, practical and durable
- > Ready for your brick or stone enclosure or available in a pre-fabricated cabinet

Electric model additional features:

- > 6KW elements (30Amps power) providing a strong consistent heat
- > Thermostat to control temperature setting
- > Meets electrical inspection report AS/NZS3100

Gas model additional features:

- > 2 x 15 Mega Joule burners
- > Electronic shutdown control
- > Microprocessor control, removes the need for a continuous pilot light keeping gas wastage to a minimum
- > Available in LPG or Natural Gas

Dimensions:

- > Overall Plate Size: 790mm x 700mm
- > Height: 850mm to 920mm
- > Cooking Area: 680mm x 590mm

Page 10 of 21

PARK PRO QUEEN PLATE BBQ

The Park Pro Queen Plate BBQ is just as impressive, practical and durable as the larger King size model.

With its fully pressed stainless steel hot plate with 460mm x 460mm cooking area, this unit comes weatherproof ready for your brick in or built in enclosure. Alternatively the Park Pro Queen Plate BBQ is designed to fit into our range pre-fabricated cabinets for those who want this style of hot plate but are not looking for a brick in or built in option.

The barbeque features a timer that automatically switches the unit off after a set period of time and a green light thermostatic control to indicate the hot plate is operating.

Available in a 3.5KW or 6KW hot plate the unit comes standard with push-button controls. Key or coin operated controls are optionally available.

DETAILS

- > 304-grade 3mm thick pressed stainless steel hotplate with cooking area of 460mm x 460mm
- > Efficient embedded elements and copper backing to generate high heat conduction and retention
- > 3.5KW elements (15Amps) standard, 6KW (30Amps) available on request
- > Adjustable automatic timer will switch off after a set period of time (factory set to switch off after 13 minutes)
- > Thermostat to control temperature setting
- > Safe 12v ignition switch with green light to indicate BBQ is operating
- > Available with free push button operation, optional coin operation or key operation
- > Stainless steel door with lock to hide controls
- > Fully galvanised steel frame for durability and longevity
- > Height of hotplate can be adjusted to suit brickwork
- > Weather proof
- > Ready for your brick or stone enclosure or available in a pre-fabricated cabinet
- > Meets electrical inspection report AS/NZS3100

Dimensions:

- > Overall Plate Size: 575mm x 575mm
- > Height: 850mm to 900mm
- > Cooking Area: 460mm x 460mm

Page 11 of 21

PARK PRO CUBE CABINET BBQ

The Park Pro Cube Cabinet is an impressive ready-made barbeque unit that is perfect for outdoor installations where space is an issue.

The compact cabinet shares the same robust features as the larger Single and Double Cabinet models such as durable stainless steel benchtop and stainless steel or powder-coated cladding options.

Colour options are available for cabinets with powder-coated finish. Please note that not all colours are available or are suitable for high UV exposure.

Cube cabinets can be fitted with your choice of hotplate size. Choose between an electric Queen size hot plate or the impressively larger gas or electric King size hot plate. All standard King and Queen size hot plate units come with push-button operated ignition – key or coin operation options are also available.

DETAILS

- > A compact cabinet designed to hold one BBQ
- > Ideal for small areas
- > Fully galvanised frame
- > Galvanised and powder-coated cladding in traditional Hawthorn Green (other colour options available)
- > Commercial grade 304 stainless steel benchtop, ideal food preparation area
- > Available with any Park Pro King-size or Queen-size BBQ
- > Delivered fully assembled
- > Stainless steel cladding also available

Overall Dimensions:

- > 900mm x 900mm x 900mm

Available in the following configurations:

- > Queen-size or King-size plate
- > Gas BBQ or Electric BBQ
- > Push-Button, Key or Coin Operated BBQ

Other Options:

- > Customised colour option for powder coated clad cabinets

Page 12 of 21

PARK PRO SINGLE CABINET BBQ

The durable stainless steel bench top in the Park Pro Single Cabinet comes fitted with your choice of King or Queen size barbeque hotplate and has ample room alongside to cater for food preparation or servery area needs.

The cabinet comes standard in Dulux Hawthorn Green powder-coated cladding with custom colours or stainless steel cladding optionally available. Please note that not all powder-coated colours are available or are suitable for high UV exposure.

Both barbeque hotplate sizes feature push-button ignition with key operated or coin operated ignition available as an option. The King size hotplate is suitable for LPG, natural gas and electric installations. The Queen size is available in electric only.

DETAILS

- > Large impressive cabinet built to hold one BBQ plus servery
- > Fully galvanised frame
- > Galvanised and powder-coated cladding in traditional Hawthorn Green (other colour options available)
- > Commercial grade 304 stainless steel bench top, ideal food preparation area
- > Available with any Park Pro King-size or Queen-size BBQ
- > Delivered fully assembled
- > Stainless steel cladding also available

Overall Dimensions:

- > 1390mm (L) x 750mm (D) x 950mm (H)

Available in the following configurations:

- > Queen-size or King-size plate
- > Gas BBQ or Electric BBQ
- > Push-Button, Key or Coin Operated BBQ

PARK PRO DELUXE PEDESTAL BBQ

The Park Pro Deluxe Pedestal Electric BBQ has a Queen size stainless steel hot plate and features a sturdy stainless steel door, adjustable timer and thermostat. The unit is finished with powder-coated cladding and comes fully assembled for easy installation.

Both push button and coin-operated controls are available and the unit comes in a 3.5KW or 6KW hot plate.

The Deluxe pedestal can be optionally fitted into a 1000mm square stainless steel bench top or as a double unit in a 2000mm x 950mm stainless steel bench.

You really can't go past the Deluxe Pedestal Electric BBQ for style and ease of installation.

DETAILS

- > Park Pro Queen Plate BBQ with 304-grade 3mm thick pressed stainless steel hotplate and cooking area of 460mm x 460mm
- > Efficient embedded elements and copper backing to generate high heat conduction and retention
- > 3.5KW elements (15Amps) standard, 6KW (30Amps) available on request
- > Safe 12v ignition switch with green light to indicate BBQ is operating
- > Adjustable automatic timer will switch off after a set period of time (factory set to switch off after 13 minutes)
- > Thermostat to control temperature setting
- > Pedestal style galvanised and powder-coated cladding
- > Controls safely enclosed behind a sturdy stainless steel locking door
- > No need for any brick or stone construction – just pour a concrete slab and you're ready to go!
- > Electric operation only

Overall Dimensions:

- > Overall Plate Size: 575mm x 575mm
- > Cooking Area: 460mm x 460mm

Available in the following configurations:

- > 3.5KW (15Amps) or 6KW (30Amps) Electric Hotplate
- > Push button, key or coin operated BBQ

PARK PRO T-STYLE PEDESTAL BBQ

The Park Pro T-Style Pedestal Electric BBQ comes fully assembled and ready for immediate installation. Finished in powder-coated cladding the unit is fitted with the Queen size hot plate in a stainless steel bench top with additional bench top space for preparation. The hot plate features embedded elements and copper backing to generate high heat conduction and retention.

Choose between push button operated or coin operated ignition and 3.5KW or 6KW electric hot plate.

With easy installation and that added bit of extra room for the barbeque utensils the T-Style Pedestal Electric BBQ is hard to beat.

DETAILS

- > Park Pro Queen Plate BBQ with 304-grade 3mm thick pressed stainless steel hotplate and cooking area of 460mm x 460mm
 - > 1000mm x 750mm stainless steel bench top
 - > Efficient embedded elements and copper backing to generate high heat conduction and retention
 - > 3.5KW elements (15Amps) standard, 6KW (30Amps) available on request
 - > Adjustable automatic timer will switch off after a set period of time (factory set to switch off after 13 minutes)
 - > Thermostat to control temperature setting
 - > Safe 12v ignition switch with green light to indicate BBQ is operating
 - > Available with free push button operation, optional coin operation or key operation
 - > Pedestal style galvanised and powder-coated cladding
 - > Controls safely enclosed behind a sturdy stainless steel locking door
 - > No need for any brick or stone construction – just pour a concrete slab and install!
 - > Electric operation only
- Overall Dimensions:**
- > Overall Plate Size: 575mm x 575mm
 - > Cooking Area: 460mm x 460mm
 - > Stainless Steel Bench Top: 1000mm x 750mm
- Available in the following configurations:**
- > Queen-size or King-size plate
 - > Gas BBQ or Electric BBQ

HERCULES HOTPLATE BBQ

Need a portable park BBQ with easy manoeuvrability that doesn't compromise on raw power and solid quality?

The Hercules Hotplate BBQ is just the thing!

Featuring four strong cast iron burners that are recessed to make transportation safe, the Hercules Hotplate BBQ provides a high level of heat control and excellent heat conduction and heat efficiency.

It can't be beaten on simple convenience either with electric ignition for easy lighting and commercial grade castors and wheels that make it easy to move about. It really is a BBQ for all occasions.

Choose between LPG Gas Operated BBQ or Natural Gas Operated BBQ and various options such as sidetables, windshield/spatter guard and lid. We can even powder coat the lid to match your existing outdoor furniture or fixtures and fittings!

DETAILS

- > 6mm thick solid steel hotplate with an extra large cooking area of 1100 x 560mm
- > Four strong cast iron burners provide a high level of heat control with excellent heat conduction and overall efficiency
- > Large fat drainage channel for easy fat removal
- > Large fat collection tin that holds up to 1.5L of waste for safe storage and easy cleaning
- > Electronic ignition for easy lighting
- > Recessed burners for safe transport
- > Commercial grade castors and wheels for easy manoeuvrability
- > Available with a trolley as pictured or also as an built in model (see related products below)
- > Available to run on LPG or natural gas

Dimensions:

- > 300mm (W) x 600mm (D) x 930mm (H)
- > Weights 74kgs

Other Options:

- > Stainless Steel Side tables
- > Stainless Steel Windshield/Splatter Guard
- > Stainless Steel or Powder-coated Lid

ABOUT PARKQUIP

WHO ARE WE?

We are a small family run enterprise that has at its heart the goal to serve our customers to our best ability. As an all Australian company we have built our reputation on personal service not only at the point of sale but all the way to delivery.

At PARKQUIP we want to ensure that your investment in your new park barbeque will be seamless from start to finish. We can work with your design and purchasing team to ensure that there are no hassles. With over 30 years of experience building great barbeques you can be assured your purchase will be trouble free and long lasting

We are specialists in dealing with Government, Corporate and Body Corporate clients and we will tailor our processes to meet your needs - Your Satisfaction Guaranteed!

OUR COMMITMENT TO YOU

We have a very simple philosophy at PARKQUIP - pay attention to service, continually develop our knowledge, offer a quality product and provide a high level of back-up and support. We are committed to being real people with extensive knowledge who offer quality products

Real People

When you choose PARKQUIP we want you to remember the people who stand behind the brand just as much as we want you to feel confident in the quality of our products and in your investment. That's why behind the scenes you will find real people who have good old fashioned service at their heart.

We are people who take pride in delivering a highly personalised customer service and who strive to communicate and build great relationships with our customers. We are people who are always prepared to go the extra mile with a strong focus on what's in your best interest. As we so often say, we might be small but we are BIG on service!

Quality Products

Our great range of outdoor commercial and parkland Park Pro BBQs are built tough to endure the harsh Australian climate and stand the test of time. All of our designs have been tested in service for many years and are designed for ease of use with minimal maintenance in mind, leaving more time for you to enjoy our great Australian lifestyle!

At PARKQUIP we stand behind our great Australian made products with our 2 year commercial warranty and full parts backup – not that we think you'll need it! Our customers experience very few problems even long after the warranty has run out. Our commitment to quality products ensures your BBQ investment is a long lasting one.

Extensive Knowledge

At PARKQUIP and getting your project right is just as important to us as it is to you. The experience and extensive knowledge we have built over the years comes from a client base spread across many different industries with many more different project requirements. It is this experience that enables us give you the answers to questions you didn't even think to ask and to help you find the best possible solution for your needs.

We know how to make complicated decisions easy giving you peace of mind that you are making the right decision when choosing your BBQ. So now you can relax knowing we've done our homework so you don't have to!

RECOMMENDATION

That Council

a) Receive and note the report

SUMMARY:

This report provides an update on a community consultation survey about pedestrian alleyways in Tennant Creek.

BACKGROUND

Council sent out a 10 question survey about the use of pedestrian alleyways in Tennant Creek via email, Council's website page and Facebook. An advert about the pedestrian alleyways, which included the survey link, was also published in the Tennant & District Times on 29 June 2018. Residents were given two weeks to fill in the survey.

The response to this survey was minimal with only 35 respondents. Consequently, there is not enough data to draw any solid conclusions about the use of and future of pedestrian alleyways. The survey results have been attached for elected members.

Q10 If you own property that adjoins a pedestrian alleyway, do you have any additional comments?

Answered: 11 Skipped: 24

#	RESPONSES	DATE
1	no	7/16/2018 11:44 AM
2	As I said above, to really consult properly you need to involve the Aboriginal organisations so they can properly consult with the users of the alleyways.	7/16/2018 11:32 AM
3	No	7/9/2018 4:13 PM
4	sick and tired of dogs getting teased and hurt, and if you say any thing your house gets rocked for a couple of weeks , sick and tired of fights and banging on the fence, parties in the lane way, and the occasional rape that is so hard to hear. given up ringing police over the incidents in lane way, as I would be ringing every night, so now give up, just absolutely hate it	7/6/2018 11:37 AM
5	Have friends family hear by	7/4/2018 7:07 PM
6	I live next to an alleyway and it is very busy thoroughfare for community to take short cuts to get too and from their homes.	7/4/2018 9:33 AM
7	no	7/4/2018 9:17 AM
8	please do not install lights in the alleyways, I do not want people to be able to see what they are doing when they are trying to break in.	7/4/2018 9:16 AM
9	For the sake of all residents particularly elder residents, block the all the alleyways.	7/4/2018 9:10 AM
10	my name is mark brooks and my comments were given to brc to start this movement to close the griggs st lanes and are to numerous to list here	7/2/2018 6:46 PM
11	I would definately want them to close if I owned a house right next to one.	6/30/2018 8:36 AM
