2.1 Confirmation of previous Minutes

MOTION

That the Local Authority receives and confirms the minutes of the previous meeting held on 20/02/2024.

RESOLVED

Moved: LA Member Greg Marlow

Seconded: LA Member Len Holbrok

CARRIED UNANIMOUSLY

Resolved TCLA-24/64

- Len Holbrok had a question/comment about item 2.1 from previous minutes (Heather Burton asked a question about new members; Darrin Whatley explained the process. Starts with a request form from Barkly Regional Council and then comes to the Local Authority for consideration. Two members can sign off an application and then it goes to the Council for consideration. Len Holbrok had a question about the process and the relevant section in the legislation.) He disagreed with Darrin's explanation. Nominees need to fill out the application form and have it signed by two residents. The Council then decides on who to appoint to the Local Authority, not the Local Authority members. **Len Holbrok has agreed that the previous minutes are correct, the information that was provided is inaccurate.**
- Peter Holt said that BRC would advertise for the vacant LA position again. We have received one nomination form and that will be ratified at the next Council meeting.
- Len Holbrok asked how many people know the Local Authority Act and what they can do as Local Authority Members.
- Peter Holt commented that Council have received updated information from the tribunal and that Council is looking at holding information sessions for all Local Authority Members.
- New Action Item: BRC to work out a presentation to Local Authority Members on the guidelines/Act and provide accurate information/training for their role.
- LA members requested BRC to send an invitation to DIPL for the next meeting to give a presentation regarding the ongoing issues in Tennant Creek.

SUMMARY

Advancement on the regional plan continues steadily, boosted by the invaluable feedback from our local communities. Presently, we're earnestly refining the draft in readiness for its presentation at the upcoming council meeting. With the aim of securing final approval by June, our dedication to encourage continuous community engagement remains resolute. We are committed to ensuring that the final plan is both thorough and inclusive, accurately representing the varied needs and aspirations of our region as we collectively strive for development.

Additionally, we are addressing challenges related to funding expiration in certain communities, resulting from unused allocations. Discussions with the Department Chief Minister, Cabinet, and Local Government Unit are underway to secure extensions, ensuring that vital resources are not lost. Simultaneously, we are reaffirming all Local Authority (LA) projects with LA members during meetings, ensuring alignment and the impact of our initiatives on the ground.

7 GENERAL BUSINESS

7.1 Official Manager's report - Peter Holt

Author Peter Holt (Official Manager)

RECOMMENDATION

That the Local Authority notes and accepts the report from the Official Manager.

SUMMARY

Barkly Regional Plan

The most critical issue for all Local Authority meetings during March and April was to provide input to the Regional Plan 2024-25. This has now been completed for all Local Authorities and the first draft of the Plan will be presented at the next round of meetings. The regional budget is also currently in development.

CEO Recruitment

With Ian Bodill's resignation as of the 28th March 2024, the council has commenced recruitment for a new Chief Executive Officer. ANSON was selected as recruitment agency and the application process closed on 15th April. In the interim, we have been most fortunate to gain the assistance of Mr. Jeff MacLeod, CEO of MacDonnell Regional Council for over a decade, and one of the most experienced and highly respected senior executives in local government in the Northern Territory. Mr. MacLeod will act as the CEO initially for two months up to the end of May 2024.

The BRC Investigator's Report The report on the Investigation of the Barkly Regional Council by Ms. Ruth Morley has now been presented to the Minister for Local Government, the Hon. Chaney Paech. The report was completed and went to the Minister on 12 March. This week face-to-face briefings for all councillors and those referenced in the report will be provided by Ms. Morley at the Department of the Chief Minister and Cabinet office, independent of Council. Those referred to in the report will have opportunity over the following 21 days to respond to the report before the Minister makes his determination.

PowerWater

The council has commenced regular meetings with PowerWater to ensure improved collaboration across the Barkly. Some of the issues raised included the replacement of streetlights in Tennant Creek, emergency power in Ali Curung (where a 3-day power failure meant the community did not have power or running water), the failure of Smart Meters, issues raised by the Elliott LA AGENDA Ordinary Council Meeting 24 April 2024 35 of 327 and the Ampilatwatja LA Meeting 2 May 2024 24 of 29 including the quality of drinking

water, and the possibility of a solar power project at Juno. PowerWater has offered to provide briefings on the matters raised, although no response has been received as yet, and reports will be provided to BRC and local authorities.

Juno Farm

After a request from the Department of Education and the Youth Justice unit the BRC has agreed to allow the use of the Juno Farm accommodation, currently used for a high school skills program, to house school aged students referred by the courts. This arrangement will be in place until the Youth Justice facility funded under the Barkly Regional Deal is completed mid year. LGANT Meeting A meeting of the Local Government Association of the NT was held in Darwin on April 18 and 19. The Chief Minister and Leader of the Opposition attended the meeting and were asked about their policies and plans for the local government sector. A key concern across the sector was the intention for further de-amalgamations and particularly for the return of community councils.

Barkly Regional Deal

The Governance Table recently announced that there would be a review of the governance of BRD but the council expressed some concern that there could be negative public perception if the review was not seen to be independent of government and the other key partners in the Deal. The BRC has been critical of the lack of clarity in the Council's role and the lack of a clear auspicing agreement and would seek to raise these issues as part of the review
