

Operations Manager (Tennant Creek)

This is a key position within the Infrastructure Directorate, responsible for overseeing and ensuring Barkly Regional Council's core delivery services are delivered at the towns of Tennant Creek and Elliott and the Barkly communities in the region.

Role Duties Includes

- Direct, oversee and monitor Council core delivery services in municipal, facilities maintenance, roads maintenance and parks and gardens within the region.
- Ensure the effective and efficient delivery and reporting of infrastructure services, capital and maintenance programmes.
- Monitor Council's current period contracts with Government agencies and report on compliance and feasibility
- Participate in organisational strategic plans including the regional plan and be active in the implementation of these plans
- Inspect, comment and approve where necessary, development application submissions from Department of Planning and Logistics
- Identify and recommend long term capital works programme to Council in consultation with Council's Asset Coordinator
- Provide technical and operations advice and support for Area Managers, Municipal Manager and Assets and Facilities Coordinator

Qualifications and Experience Include

1. Relevant technical tertiary qualifications or significant experience in managing civil engineering related projects
2. Experience in project management including business case development, programming, organizing, monitoring and reporting.
3. Demonstrated experience in the preparation of high quality reports

The complete position description, including the full list of selection criteria, can be found at www.barkly.nt.gov.au/careers/positions-vacant . **The selection criteria must be addressed for your application to be considered.**

Completed applications, including cover letter, selection criteria and resume, are to be emailed to HR at careers@barkly.nt.gov.au by **Sunday, 17 September 2017, 11:30 pm**

Barkly Regional Council reserves the right to interview selected applicants prior to the position advertisement closing date.

We value diversity. Suitably qualified Local, Aboriginal and Torres Strait Islander, and Disability applicants are encouraged to apply for this position.
